PUT HIS O.K. ON. Chief of the Bureau Stamps Canned Goods With Approval.

Dr. Wiley, chief of the bureau of chemistry at Washington, and a member of the federal board of food and drug inspection, has given canned goods the cleanest kind of a clean bill of health. Dr. Wiley's strong endorsement of canned goods was contained in a letter written to Walter A. Frost, of the brokerage firm of Dr. Wiley's letter to Mr. Frost reads in full as follows:

Washington, D.C., May 1, 1909. Walter A. Frost, 5 Wabash ave., Chicago, Ill.

THE MIGHTY POWER OF MI-O-NA.

MI-O-NA, that extraordinary and perfect stomach tonic, will relieve dyspepsia in twenty-four hours. It will cure and is guaranteed by Geo. E. Hughes to the readers of The Guardian to cure the most pitiful cases of dyspepsia, if taken according to directions.

MI-O-NA tablets not only cure dyspepsia, but all stomach disturbances, such as vomiting of pregnancy, sea or car sickness and the stomach ickness after excessive indulgence.

MI-O-NA cures by strengthening and invigorating the flabby stomach walls and after a course of MI-O-NA treatment, constipation, if there is any, will entirely disappear.

Mrs. S. Keast, of Clarksburg, Ont., says: "A bad stomach trouble that had bothered me for years, baffled and puzzled skilled physicians, was nicely relieved by using MI-O-NA. My trouble was on account of food not digesting but fermenting in my stomach, forming a gas that gave me untold suffering and pain and also made me weak, nervous, irritable and unable to rest. Since using MI-O-NA, I can go to bed at night and sleep and wake up in the morning refreshed. I cannot speak too highly of MI-O-NA."

MI-O-NA is a most economical treatment, a large box of tablets only costs 50 cents at Geo. E. Hughes and the dyspeptic, nervous or otherwise, who does not give them a trial, is losing an opportunity to regain health."

tain artificial colors, artificial sweetness and preservatives, is a most erroneous one and is harmful to the trade. I am, as you know, a believer in canned goods and in the canning process. I think it is a blessing, and a blessing which is not in disguise. I realize as well as anyone that public prejudice is difficult to control, and to rectify, but I should like to do so as much as I can to help this good trade along by appealing to the public not to condemn the whole trade because occasionally a sample may be found which is not in that state of purity which the public demands. Let the people give their confidence to the trade and let them eliminate those goods which they do not want to purchase, by inspection of the label.

Respectfully, H. W. WILEY.

Newark Man's Collapse. Caused by Dizziness, Biliousness and Pains in the Back.

DROPPED IN THE STREET

Warm weather and acute indigestion were the chief causes of a physical collapse that overcame Mr. J. V. Donaghy near the entrance of the Pennsylvania Railroad depot last Thursday. A policeman lifted him into a cab, and he was hurried to his home. In an interview next day, Mr. Donaghy stated: "I was practically unconscious when I arrived home. I knew I was in bad shape, because for weeks I had been fighting against pains in my back as severe as if I had been shot at. Indigestion and biliousness were the cause of my collapse, and no doubt had been keeping up the headache and dizziness from which I suffered. Fortunately, my wife knew just what I needed. She gave me three of Dr. Hamilton's Pills of Mandrake and Butterbur and put me to bed. In the morning I was as fresh as a daisy, my system was cleared of its load of poisonous waste and I felt like a new man. From now on, in order to keep my system properly regulated, I will use Dr. Hamilton's Pills regularly. I know many who do so and they never have a day's illness."

Why not be healthy, hearty and well. You owe it to yourself, to your family, to your friends. You cannot work properly; you cannot be happy yourself, if you are tormented by indigestion, and all the nagging pains and unpleasantness which accompany it—if you are weakened by anaemia—if your blood is being poisoned and your system upset by constipation.

If you are suffering from any of these derangements of the system—either temporary or chronic—you should go at once to the nearest chemist and ask him for a box of Dr. Hamilton's Pills. This perfect laxative will cure your indigestion; purify and enrich your blood; banish constipation by safe and natural means; improve your appetite; quiet your nerves, and help you to sleep soundly. Dr. Hamilton's Pills will give you strength and vigor. They will help you to work better, 25c. per box, or five boxes for \$1.00, at all dealers, or The Catarrh Company, Kingston, Ont.
