# S.D.U. Skate To Aid I.S.S. Relief

There has been much activity on the campus at St. Dunstan's this past week—activity occasioned by the decision of the students to do all in their power to adopt a "D.P." Student, and thus take part as a member unit of I. S. S., in a broad programme of intellectual and material relief. The objective of I. S. S. in this respect, is to have at least one "D.P." student on each Canadian campus. The students of St. Dunstan's, in consideration of their comparatively small enrollment, have thus undertaken a considerable task, but, with the help and support of all, they hope to make their effort a complete success.

As the first step in their fund-raising campaign, a skate, sponsored by the I. S. S. Committee, will be held in the College rink on Saturday night, Feb. 26. Tickets have been printed, and are being widely distributed for this event. It is hoped that the proceeds from this skate, when coupled with the returns from the canteen which will be operated in connection with it, will give the drive an excellent start.

On Feb. 7, Mrs. Harold Clark, travelling secretary of I. S. S., first introduced the proposal of adopting a "D.P." to a group of interested students. Since that time it has been thoroughly discussed by the Faculty, the Executive Council of the Students' Union, and by the students in general. The enthusiasm was such as to justify the formation of a committee to take charge of the project, and to draw up plans for the raising of the necessary amount of money.

### \$800 Required

The students must assume complete responsibility for the "D.P." student for one year; and to ensure this, the I. S. S. requires that \$800 be raised as soon as possible. Of this amount, \$100.00 goes towards the upkeep of the national office; \$100.00 is set aside for direct relief to needy students throughout the world; \$100.00 is used to defray expenses in selecting the student (The International Refugee Organization and the Canadian Embassy are co-operating in this matter); \$200.00 is held in reserve as an "Emergency Fund" for the student (in case of sickness, accident, etc.); the remaining \$300.00 is for the personal use of the student when he arrives on the campus. This is a large sum of money for the students to raise, but as John S. MacDonald, the President of the Students' Union, has said: "We can swing it; if we could only realize, if we could only understand the plight of European students, then we would easily go over the top." In reviewing last year's relief drive at St. Dunstan's we note that \$550.00 was raised. Of this money, \$500.00 was devoted to the relief of our "adopted" college in Poland, and the remainder to CARE packages. With just a little more effort and sacrifice, we can give someone not as fortunate as ourselves a new chance, a new hope, a new life.

### Last Year's Campaign

The success of last year's campaign, which was conducted under the auspices of the St. Dunstan's Unit of the Canadian Federation of Catholic College Students, working through I.S.S., was due to the fullest co-operation of all the students in carrying out the various projects; to the encouragement and support of the members of the faculty; the generosity of several Charlottetown firms, which gave cash donations or donated prizes for the lotteries; and to many others who helped in various ways. The students, confident of the same support this year, are now making plans to carry out several fund-raising projects. Thus they hope to raise as much money as possible themselves, and have decided to obtain the help of outside sources for only the remainder of the required funds.

Since the \$800.00 is in addition to tuition and board, the students were given much encouragement,

when Rev. J. P. E. O'Hanley, Faculty Adviser to the Students' Union, announced that the College would waive tuition and board. The chairman of the I. S. S. Committee is James Trainor, and the other members are Wilfred Driscoll and Charles Kelly. In making plans for the drive, they have parcelled out duties to many others. Daniel Driscoll has been appointed as secretary of the committee, and is charged with contacting service clubs and others interested in the promotion of the programme. Arthur McInnis is publicity manager, and wrote the first of this series of articles. Under his direction, the last three articles were written by Miss Evelyn Hessian, Ivan Dowling and Wilfred Driscoll. The plans for the Saturday's skate are under the direction of Reginald Doucette. In connection with the skate, a canteen will be operated by the co-eds. The preparations for this are under the direction of John Murnaghan and Wilbert McInnis. The canteen is being made possible by the Charlottetown students, who are making arrangements to provide the refreshments needed.

The C.F.C.C.S. hopes to conduct two lotteries, one confined to the campus, the other extending to the homes of the students. The co-eds sophomore co-ed, has designed and plan to hold a fudge sale, similar

to the one held last year. Miss Jerrydine Robertson, a prepared poster. One of these pictures is a bridge between Europe and St. Dunstan's. At the European end is a chained "D.P.", above the bridge are the words "I. S. S. Relief Plan." Below it are words "Let's Help Him Across." This the students have taken as their motto.

## Double Header HOCKEY MATCH Crystal Rink, S'Side

tonight, Wednesday at 7.30

S'Side Kinsmen Midgets vs. Kensington Midgets and S'Side Kinsmen Bantams vs. Kensington Bantams

## Doubleheader Hoop Game Here Tonight

A doubleheader basketball feature is scheduled for the P. W. C. Auditorium tonight. The Saint Dunstan's University Juvenile hoop squad meets an all star team under the name of the Physical Fitness Juveniles in an exhibition encounter at seven o'clock, and a regular Island Physical Fitness Basketball League encounter between Ray's Millionaires and the F.W.C. quintette will begin at 8:15. Although the big feature of the night will be the senior game, the Juveniles too are expected to turn in a good performance, which should make a full evening of basketball entertainment for local hoop fans.

Another I. P. F. B. L. scheduled match will also take place at Summerside Airport tonight, when the ROAF cagemen take on the Summerside Schurman's.

Punctuation is not required in Chinese.

## SPRING SAMPLES

Have arrived from Shiffer-Hillman, House of Stone, James Bros., Savile Row.

# Coming SOON New Chevrolet for '49

Over "washboard" Roads... Over Bumps and Potholes... They Proved the Comfort of a Great New Chevrolet

## Tested and Proved... on the World's Toughest Proving Ground

Yes, they really gave it the business... this latest and greatest in the line of great Chevrolet motor cars.

You would think they were trying to tear each car apart if you could see the test drivers come tearing over roads that would rate a "Detour" sign on any public thoroughfare in the country.

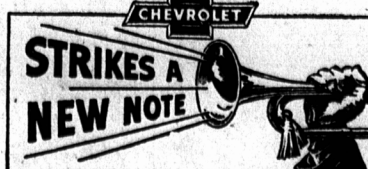

Over and over again, day after day, the tests continued... until there was no shadow of a doubt that a new sensation in riding

comfort would be waiting for the public on Announcement Day.

So when your dealer says, "IT'S HERE!"... you'll know he's talking about an experience, not an experiment. He's asking you to step into the most thoroughly proved and approved car that's ever been presented to Canada—in

all the qualities that set a new pace in Chevrolet leadership.

It will open your eyes to greater value... the great '49 Chevrolet that's coming soon!
