

Dominion Raynsters

("Made-in-Canada" Raincoats)

Shed The Hardest Rain

Wherever you go this Fall, you will see "DOMINION RAYNSTERS". Rain or shine, they are the most popular Fall coats. The rubber inner lining is built right into the texture of the cloth, making the coat absolutely waterproof and capable of shedding the hardest rain.

Yet a "DOMINION RAYNSTER" is so light and flexible that one would never know there was any rubber between the outer fabric and the lining.

In appearance, a "DOMINION RAYNSTER" is a stylish, attractive cloth coat; just the right weight for comfort on damp days and chilly nights.

"DOMINION RAYNSTERS" are all-purpose weather coats, in styles for men, women, boys and girls, and at popular prices.

Every "DOMINION RAYNSTER" bears the label of the largest rubber organization in Canada—an assurance of worthy materials and careful workmanship. Look for the Dominion Raynster label.

"DOMINION RAYNSTERS" are sold by the best stores carrying wearing apparel.

Marriage at Notre Dame Academy

A pretty autumn marriage was solemnized at Notre Dame Academy at half-past five yesterday morning when Miss Margaret M. Herrell, daughter of Mr. and Mrs. James Herrell of this city became the bride of Mr. Augustine M. Murphy, son of Mr. and Mrs. Thomas Murphy of Bradalbane, Rev. Father James Murphy of St. Dunstan's College officiating. The bride was becomingly attired in a handsome suit of tailored brown broadcloth with pretty toupe hat

and set of fox furs, the gift of the groom. The bride was attended by her cousin, Miss Frances Butler, while the groom was ably supported by Mr. Wallace Prunty. The Mass was sung by Notre Dame Choir, and a very pretty wedding march was played while the bridal party entered the chapel. A violin selection was also given by Miss Kathleen Hornby. After the marriage ceremony the party left for the bride's home where a daintily prepared breakfast awaited them. Rev. Father Murphy accompanying them. After breakfast the happy couple left on their honeymoon for Montreal and other Canadian cities accompanied by the brides-

maid and groomsmen as far as the mainland. Their many friends who assembled at the depot gave the happy couple an abundant shower of confetti, wishing them at the same time a long and happy wedded life. The many costly gifts received by the bride speaks for her popularity and numerous acquaintances.

fe E. VanBuskirk, daughter of Mr. J. H. Van Buskirk, city, became the wife of Mr. Arthur Mutch, son of Mr. and Mrs. W. Aubrey Mutch, Hopeton. Rev. G. C. Taylor officiated. The couple were unattended. To Relieve Catarrh, Catarrhal Deafness And Head Noises

Persons suffering from catarrhal deafness, or who are growing hard of hearing and have head noises will be glad to know that this distressing affliction can usually be successfully treated at home by an internal medicine that in many instances has effected complete relief after other treatments have failed. Sufferers who could scarcely hear have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear. Therefore, if you know of someone who is troubled with head noises or catarrhal deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home and is made as follows:

Secure from your druggist 1 oz. Parmit (Double Strength). Take this home and add to it 1/4 pint of hot water and a little granulated sugar, stir until dissolved. Take one tablespoonful four times a day. Parmit is used in this way not only to reduce by tonic action the inflammation and swelling in the Eustachian Tubes, and thus to equalize the air pressure on the drum, but to correct any excess of secretions in the middle ear and the results it gives are nearly always quick and effective. Every person who has catarrh in any form, or distressing rumbling, hissing sounds in their ears, should give this recipe a trial.
