double. I had awful spells of dizziness, an at night I was so restless I could hardly sleep a wink. My health became so bad and I got so weak I couldn't do a bit of work, and just had to give up and let everything go to rack. "Well it's mighty lucky for me that I got Tanlac for it didn't take the medicine but a little while to get and end to all my troubles. Why since taking three bottles my appetite is so good that I just eat like a bear, and my stomach is in such splendid order that I'm entirely free from dizziness, and never slept better in my life than I do now. I've already gained ten pounds in weight and have so much strength and energy that I just feel like doing two men's work. I'm certainly thankful to be in such good health again, and I don't hesitate to give Tanlac credit for fixing me up like it has."

Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. Mabon, J. P. White, Murray River, H. M. Chisholm, North Tryon, R. H. Cameron & Co., Crapaud, and H. P. Coohon, Murray Harbor.
