"CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

BEST FOR LIVER AND BOWELS, FOR BILIOUSNESS, SOUR STOMACH AND CONSTIPATION.

Get a 10-cent box now. Purred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a still barrel. That's the first step to cold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

CHRIST IN FLANDERS

We had forgotten You or very nearly. You did not seem to touch us very nearly. Of course we thought about You now and then: Especially in any time of trouble—We knew that You were good in time of trouble. But we are very ordinary men.

And there were always other things to think of. There's lots of things a man has got to think of. His work, his home, his pleasure and his wife:—And so we only thought of You on Sunday. Sometimes, perhaps, not even on a Sunday. Because there's always lots to fill one's life.

And all the while in street or lane or by-way In country lane, in city street or by-way. You walked among us, and we did not see, Your feet were bleeding as You walked our pavements. How did we miss Your footprints on our pavements, Can there be other folk as blind as we?

Now we remember over here in Flanders—(It isn't strange to think of You in Flanders), This hideous warfare seems to make things clear, We never thought about You much

"TIZ" PUTS JOY IN SORE, ACHING FEET

"MY, HOW 'TIZ' GLADDENS TIRED, SWOLLEN BURNING FEET—IT'S GLORIOUS!"

Ah! what relief. No more tired feet; no more burning feet; no more swollen aching, tender, sweaty feet. No more soreness in corns, callouses bunions.

No matter what ails your feet or what under the sun you've tried without getting relief, just use "Tiz." "Tiz" is the only remedy that draws out all the poisonous exudations which puff up the feet. "Tiz" cures your foot trouble so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never be hurt or get sore and swollen. Think of it, no more foot misery, no more agony from corns, callouses or bunions.

Get a 25-cent box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "Tiz" for a whole year's foot comfort for only 25 cents. Think of it.

in England, But now that we are far away from England We have no doubts, we know that You are here.

You helped us pass the jest along the trenches, Where, in cold blood, we waited in the trenches. You touched its ribaldry and made it fine, You stood beside us in our pain and weakness, We're glad to think you understand our weakness, Somehow it seems to help us not to whine.

We think about You, kneeling in the Garden, Ah! God! the agony of that dread

TOM'S BIG JOB

The small boy had applied for a job at a factory. The manager was a thorough patriot, and knowing the lad's three brothers were on active service determined to give him work. "How's your brother Frank getting on?" he asked the youngster. "Oh, he's out at the front, sir," replied the boy, proudly. "Good; and Albert?" "Our Albert's out w' Frank, in the same regiment." "And your oldest brother, Tom. I suppose he's in France, too?" "The lad shook his head, looking prouder than ever. "Oh, no, sir," he said, "our Tom hasn't gone to France. 'E's mindin' India."

TOOK A CAB TO THE FRONT

A Canadian officer attached to a regular regiment, describing his arrival at the front in a letter for which we are indebted to the Bank of Montreal, says: "Arrived up here yesterday; took a cab part of the way—until the Frenchman got afraid of his horse. Had a great sleep last night—upstairs in a house without any roof or windows left in it, and a couple of our batteries behind celebrating someone's birthday. Have just taken over a platoon and am now going up to look over the front line trenches, which we go into tomorrow. Like it here very much. Fine crowd of fellows."
