No Happiness in the Home When Mother Is Sick
The tired, worn out mother cannot make a happy home if she is sick and worried by the never ending household duties. She gets run down and becomes nervous and irritable, downhearted and discouraged, can't rest at night, and gets up in the morning feeling as when she went to bed. Women suffering in this way may find in Millburn's Health and Nerve Pills a remedy with which to help recuperate their health, build up the nervous system, and assist them back to health—happiness again. Price 50c a box, 70 pills, at all drug counters. Look for our trade mark "Red Heart" on the package. The T. Millburn Co. Limited, Toronto, Ont.
