THE MORNING PAPER

Some Reasons Why It Makes the Best Advertising Medium.

A woman's curiosity to know about society, marriages, births, deaths, forces her to read it. The Morning Paper is before her all day long, and it is when she is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no more opportune time for a dealer to tell about the new designs, the new styles and the bargains offered, for the day or week.

In a majority of homes the newspaper is read at the breakfast table, again at home at noon, on the trains, in the restaurants. It is read in doctor's offices, professional offices, clubs, hotels, cafes, barber shops. It is read by daylight everywhere you go by both employer and employee. It is a known fact that throughout the world, possibly with a half-dozen exceptions, the papers with editorial influence and national reputation are Morning Papers.

With these facts in mind, the business man who is looking after the real money-spenders of the family to interest in his goods will consult his best interests by placing his announcements where the women will read them.

HEAVILY HANDICAPPED

Is Every Man or Woman who Suffers from Indigestion.

No one can enjoy life fully, or do life's work properly, without good health, and no one can possibly have good health unless the stomach is working right.

Headache—irritability—shortness of breath—pain in the stomach—spasms—irritability—bad breath and bad temper are some of the signs of indigestion—signs that should never be neglected, especially as there is a quick and sure cure—Father Morrissey's "No. 11" Tablets.

These tablets were devised by the late priest-physician to relieve and cure those of his parishioners who suffered from any form of stomach trouble, and they have relieved and cured thousands.

Here is what Mrs. Jerry Mullin, of Trout Brook, Northumberland Co., N.B., writes about them, dated Dec. 2, 1908:

"I was afflicted with a very severe stomach trouble and the medicine I received from Father Morrissey cured me completely."

If your stomach is not right, just try "No. 11" Tablets, 50c. at your dealer's, or from Father Morrissey Medicine Co., Ltd., Chatham, N.B. 48
