APPRECIATION!

The following letter was recently received by The Great-West Life Assurance Company from one of the Policyholders:
"On Sept. 12th, 1921, I insured in your Company for \$2,000 on the Fifteen Payment Life Plan, paying an annual premium of \$69.64 total amount paid, \$1,044.60. I am now in receipt of the Company's cheque for \$1,182, being a profit of \$137.40 more than I have paid—and have insured the fifteen years for \$5,000. The net interest on the amount paid the Company is 4 1/2%. I consider this investment one of the safest I have, and regret that I didn't have more. I wish to thank you for being so prompt in the payment. I shall cheerfully recommend your Company to anyone who wants insurance and investment. Comment is superfluous. This is the rock on which the Company's success is founded—RESULTS TO POLICYHOLDERS."

AS A WORKING TOOL

for the student and the writer, as an authoritative reference book for schools, teachers, families, business and professional men, there is no book which offers superior advantages in the solid value of its information, and the ease with which it is obtained.

One's admiration for Webster's International Dictionary increases daily as it comes to be better known. It never refuses the information sought and it never overwhelms one with a mass of misinformation illogically arranged.

The St. James Gazette of London, England, says: For the teacher, the pupil, the student and the literateur, there is nothing better; it covers everything.

The New and Enlarged Edition recently issued has 25,000 new words, a revised Geographical Dictionary and a revised Gazetteer of the World, 2380 pages and 5000 illustrations. It has just received

THE GRAND PRIZE (Highest Award) at the World's Fair, St. Louis.

Eczema, Salt Rheum.

Bleeding Salt Rheum, as it is often called, is one of the most agonizing of skin diseases. It manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed.

The intense burning, itching and smarting, especially at night or when the part is exposed to any strong heat, are almost unbearable.

The pre-eminent success which Burdock Blood Bitters has met with in permanently curing a disease of such severity is due to its wonderful blood cleansing and purifying properties.

No other remedy has done, or can do, so much for those who are almost driven to distraction with the terrible torture, as thousands of signed testimonials can testify to.

Mrs. Jan. R. Keedy, Linton, N.B., writes: "I was so troubled with Salt Rheum for eight years, that I could not work my hands were so sore. By using Burdock Blood Bitters, my hands were eventually cured."

Mrs. Ira C. Buckner, Eden, Ont., writes: "I was troubled with Eczema for a long time. It came out on my face and between my shoulders. A friend told me about Burdock Blood Bitters. I took two bottles and it helped me so much I cannot recommend it too highly."
