

Make Your Own Cough Syrup and Save Money

Better than the ready-made kind. Easily prepared at home.

The finest cough syrup that money can buy—costing only about one-fifth as much as ready-made preparations—can easily be made up at home. The way it takes hold and conquers distressing coughs, throat and chest colds will really make you enthusiastic about it. Any druggist can supply you with the ingredients of Pinex (50 cents worth). Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Shake thoroughly and it is ready for use. The total cost is about 75 cents and gives you 16 ounces—fully supply of a most effective, pleasant, soothing, and keeps perfectly. It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and seals the inflamed or swollen throat membranes, and gradually but surely the annoying throat tickle and dreaded cough will disappear entirely. Nothing better for bronchitis, spasmodic croup, whooping cough or bronchial asthma. Pinex is a highly concentrated compound of Norway pine extract and is known the world over for its prompt healing effect on the throat membranes. Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded goes with this preparation. The Pinex Co., Toronto, Ont.

HOW TO GET RELIEF FROM CATARRH

If you have catarrh, catarrhal deafness, or head noises go to your druggist and get 1 oz. of Parmit (double strength), take this home add to it hot water and just a little sugar as directed in each package. Take 1 tablespoonful 4 times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping in to the throat. It is easy to make tastes pleasant and costs little. Every one who has catarrh should give this treatment a trial. You will probably find it is just what you need.

***A. BOY'S BAD BREAK.**

A rather dignified lady got a little shock the other afternoon. She called at the house of a new acquaintance and the little fellow who answered the door said that his mother was out. The dignified lady took out a card to leave and in doing so let the tissue sheet flutter to the ground. The boy glanced at it. "Please'm," he said, "you dropped one of your cigarette papers."
