

FALSE TEETH ARE A GREAT INVENTION but KEEP YOUR OWN AS LONG AS YOU CAN

False teeth are worn in thousands of mouths today because these simple rules of health were almost unknown a few years ago

Ten years too late most people seek Protection

The greatest mistake you can make is to wait until gums are swollen and spongy before you begin to think of pyorrhea.

And pyorrhea is to blame for half of all adult teeth extracted. Protect yourself now from this disease of neglect.

And, in addition, keep teeth clean—massage the gums—with Forhan's, the dentist's dentifrice. It was originated by R. J. Forhan, D. D. S., a specialist in pyorrhea.

Brush your teeth at least twice a day with Forhan's, for it is a mild, safe, scientifically correct cleanser, which

restores your teeth to their natural gleaming beauty.

At the same time, use Forhan's for massage (full instructions with every tube). It is specially prepared to tone up the gums when applied with gentle rubbing, and to awaken sluggish circulation.

Here, then, is double protection in Forhan's—a protection which every member of the family should have. Adopt Forhan's as your dentifrice; it comes in two sizes, 35c and 60c—just a few cents per tube more than ordinary toothpastes, and exceedingly well worth it. Forhan's Ltd., Montreal.

The DOOM TRAIL

by ARTHUR D. HOWDEN SMITH AUTHOR OF PORTO BELLO GOLD ETC. COPYRIGHT BY BRENTANO

"You forget, Marjory, that my savage henchmen have work to do," he answered nonchalantly. "I take it for granted that you do not wish to remain and view their labors?"

"You would leave these—these men—Master Ormerod—to—"

"And why not?" he replied. "They are enemies. As I have had occasion to tell him ere this, Master Ormerod has sought to contrive my ruin. But I am a reasonable man. I am always willing to discuss terms."

"And what might you mean by terms?" I demanded, taking a hand in the conversation.

He deliberated as unconcernedly as if we sat on opposite sides of a table in London, entirely ignoring the huddled corpses at his feet, the line of bodies stiffening in the bitter cold against the stakes and the attendant cordon of Indians whose faces studied him as their fingers itched to resume the torture.

"An undertaking to abandon this wholly barren persecution of my enterprises," he decided. "I should require the signature of Governor Burnett to the document."

"And my companions here?" I asked curiously.

"You forget that even my powers are necessarily limited," he said. "I could not possibly snatch from my people's vengeance Iroquois warriors

taken red-handed in an attempt to massacre them."

"I laughed. "You do not yet know me, Murray."

"Possibly you are subject to education," he retorted, buttoning up his greatcoat. "Come, Marjory. She drew away from him. "I choose to remain," she said coldly.

"I choose that you shall not." He waved his hand in unmistakable signal of release to the watchful False Faces and their followers. A yell of satisfaction swelled from their hungry throats and they dashed forward.

"It will be difficult for me to control them in a few moments," observed Murray.

He looked up in amazement, as a

"AND WHY NOT?" HE REPLIED "THEY ARE ENEMIES."

Why Dodd's Kidney Pills Are So Popular

They Are Invaluable as a Preventive and a Help for all Kidney Ailments

Haut Paquetville, N. B., April 28.—(Special)—I was greatly afflicted with kidney trouble when my children were born. My mother advised me to take Dodd's Kidney Pills. I took several boxes and have had no trouble since. My husband has also used them. He has suffered with very bad kidneys and has hopes of being entirely relieved. He feels much better since taking Dodd's Kidney Pills.

This letter comes from Mde. Stan J. Aube, a resident of this place.

Dodd's Kidney Pills hold their popularity not because of the promises they make, but because of the good they do.

Dodd's Kidney Pills are purely and simply a Kidney remedy. They strengthen the kidneys so they can do their full work of straining the impurities out of the blood.

Pure blood coursing through the body carries to the different organs the nourishment they need to keep them sound and healthy.

Dodd's Kidney Pills can be obtained from all druggists, or The Dodd's Medicine Co., Ltd., Toronto 2, Ont.

their security if you value your lives."

An echo of distant shouts reached our ears as we stood there, and saw the Keepers streaming from the Evil Wood and at their heels certain darting, quick-moving figures that we knew must be the warriors of the Eight Clans.

And whilst a squad of savages conducted us to our prison the rest manned the firing platforms around the stockade and prepared to cover the retreat of the Keepers, who were falling back rapidly before the hard-driving attacks of the Iroquois.

I sought for a word with Marjory as we entered the door, but Murray deliberately strode between us. All I gained was a glance from her eyes that bade me be strong and confident.

Ta-wan-ne-ars sat with his back to a wall, his eyes fixed on vacancy, his lips murmuring at intervals Gaba-no's name. I tried to interest him in what went on without success. He looked at me, and turned his eyes away.

We slept little that night, for we were very cold and we had no food. But in the morning the Keepers thrust a pan of corn mush within the door and we ate it to the last kernel. I forced a portion upon Ta-wan-ne-ars, feeding him with a stick we found on the floor.

After that we slept for several hours, and then a lightning gleamed on the stairs and Murray stepped into our midst, an immaculate periwig on his head, his linen spotless, his brown cloth suit as fresh as if direct from the tailor's hands.

"A good morrow to you, Master Ormerod," he began. "I have come to hold council with you. Look you, my friend, we each of us have that which the other wants. In such a case sensible men come to terms."
