Of course, he's in love with Kellogg's Corn Flakes
Why else would he be a sidewalk artist?

Again in 1948, 4 out of 5 vote Kellogg's FIRST FOR FLAVOUR!

When independent researchers asked Canadian housewives which brand of corn flakes was the most delicious, 4 out of 5 said "Kellogg's."

Yes, Kellogg's Corn Flakes are so popular, your family often eats them faster than you expect. If your last package has been opened, order more Kellogg's Corn Flakes tomorrow. Made by Kellogg's in London, Canada.

Winnipeg Grain

Winnipeg, Sept. 1 — (CP)—Oats and barley prices fluctuated narrowly in an active session on Winnipeg Grain Exchange today. Oats encountered fairly strong support and export demand with reports indicating that the United States and Belgium obtained some bids. Barley trade was lighter with fair hedging pressure sales.

Rye also was subject to hedging pressure on a fair scale with exporters on the buying side of the trade. There was a report that an unidentified European country took 140,000 bushels of rye. Elevator sales dominated the trade as prices skidded once again. Processors did what buying was done.

The United Kingdom took a small amount of wheat. Class two wheat prices were unchanged from yesterday.

MAPLE HILLS DEADLINE—20 families still occupying dwellings at the Maple Hills project will have to evacuate by September 30th, Deputy Minister of Reconstruction, Mr. J. F. Connolly stated yesterday. Already a total of 80 families had vacated since the 23rd of June last, all finding accommodations within the City, it was further learned. The project, which was taken over by the Provincial Government on June 11, 1946, had a total of 80 families occupying premises, the number increasing to 100 in the last two and one half years. Since it was decided to abandon the project all buildings on the site have been sold, some of them going to tenants and the remainder sold to contractors for building purposes.

With The Kids On The Playground

School teachers are beginning to oil the school bells and shake the straps, so it looks very much as though the playgrounds will be completing their summer's task within the next week or so. Teachers will have to be warned, however, about the use of straps on playground youngsters, because there were no mischievous kids on the playgrounds, or were there? At any rate, it is hoped that everyone had a good time, and when you do start back to school next week, you will go with the spirit of a young man as you play hard and make the most of the class year goal. It is said: "all work and no play makes Jack a dull boy," but "all play and no work makes Jack a duller boy" so do your best to be happy and you need have no worries about bringing home a poor report at the end of the month.

Tuesday night the Hillsborough boys and girls were taken by truck to a wienery fat at Rosebank, where Mr. and Mrs. Lucian Kelly very kindly declared open house at their cottage. Everyone readily accepted the gracious welcome, and the evening spent playing games and singing, came to a close all too quickly. As the sixty youngsters crowded on the truck for the return trip all were high in their praises of Mr. and Mrs. Kelly, and hoped that some time in the future they could in some small way return the favor and hospitality accorded them.

On Friday afternoon a hard fought softball game between the senior girls of Hillsborough and Connaught ended in a 15-12 win for Hillsborough. This was the first of a five game series, so if you are interested in seeing a really competitive type of ball, watch the billboards on the above squares for the official dates of future games.

The boys of Hillsborough and Connaught are also battling it out for top place in the softball finals this week, and at the present time, it is hardly safe to venture a guess as to which team will be carrying home the bacon when the bat and ball is carried off the field to close the playgrounds for the summer of 48. In the Junior boys series, the Hillsborough laid hold a slight edge with two wins of 14-7, 17-13, and in the Senior boys schedule, the Connaught boys carried the victory by a score of 11-2. Be around for every game, folks, when the umpire calls "Play Ball," and you are assured a real evening's entertainment.

The final main event of the playgrounds will be the pushmobile race on Gallows Hill. No date has been set as yet for that important engagement, but it will be held sometime next week, so have your pushmobiles ready, fellows, and make sure that you have every little detail of mechanism attended to before you push off for the big drive on that night of nights. The many lady friends of Joseph Gallant will be pleased to learn that he has returned home from the Charlottetown Hospital, and is no longer under the watchful

Girl Guide News

Wednesday last saw the end of Camp at Fernwood when the Guides went home after 10 glorious days, weather perfect, meals the best yet and everyone so full of enthusiasm and gratitude to Mr. and Mrs. Harrison MacFarlane for all they do to make Prince County Camping the success it always is. Not only is the site given free of charge but we always have the use of their cottage for the administration centre. Mr. MacFarlane is always most gracious in helping us in many ways and making us feel welcome, while Mr. MacFarlane is a host in himself. At Camp fires he tells us stories of wild life he knows not only where the different planets and constellations are to be found but all the legends which have given them their names. In fact as Mrs. Tompkins said on the last evening when she presented a little gift to each of these good people "Your generosity and hospitality is deeply appreciated by the Guides and Guides of all Prince County."

Owing to the unavoidable late start of our camp this year some of the Lone Guides and those living in the smaller towns were unable to be present at Camp as school had already opened, this meant that there was only about one third the number at camp but they had a glorious time. We have been promised an earlier period for camping next year. Here is the list of those Guides receiving awards:

Patrol having the best Tent, Jean Watson (Leader), Joyce Hodder, Jean Robertson, guests from St. John and Irene Mountain.

Joyce McDonald and Rose Marie Arsenault tied for best camper. Alice Ramsay, best new camper.

Intermediate Swimmers Badge, Shirley Watson, Pat Watson, Gertrude Bernard, Doreen Blackmer, Betty McDonald, Joyce Hodder.

Junior Swimmers Badge—Dunna Lee Arsenault, Isabel Delgarn, Germaine Perry, Aidenia Gallant.

Senior Swimmers Badge—Joyce MacDonald.

eye of the nurses. With Forbie Kennedy however, the case is reversed, and while many people are happy to learn that he has graduated from a wheel chair to crutches, the girls are taking a different outlook. No don't pay any attention to the above Forbie, even the girls are glad to see you about again and join with the rest of your many friends in wishing a hurried return to your usual good health.

The Playgrounds Field Day originally scheduled for Wednesday Sept. 1st, will be held this afternoon Thursday. The Playground Commission wish to take this opportunity to thank the many Charlottetown business concerns, who so generously donated the very lovely prizes, which are in store for the winners of the track and field events, as well as for the winners of the pet show. In regards to the pet show which will also be held at Memorial Field today, any boy or girl who have had the misfortune to lose his or her pet by accident or sudden passing since the other summer shows, will have the privilege of finding a substitute to compete for the prizes.

That's all for now folks. See you next Thursday, and best of luck.

Funeral Service of Mr. W. J. Brown
