Wychwood Abbot Wins Cambridgeshire Handicap In Record Equalling Time

Gossip From N.H.L. Camps

(C. P. Cable By Guardian's Special Wire)

NEWMARKET, England, Oct. 31.—Novice's luck ruled in the Cambridgeshire handicap today, last important race of the winter flat-race season, when Wychwood Abbot came from behind in the downhill stretch to win with a burst of speed by half a length from Commander III with Highlander only a short head back in third place. Thirty-three went the mile and an eighth route. Wychwood Abbot was second favorite to spend a penny, at odds of 9 to 1. Commander III was 40 to 1 and Highlander 22 to 1. The race was run under miserable weather conditions but the winner equalled the race record of 149 3-5.

Wychwood Abbot carried 118 pounds, Commander III 116 pounds and Highlander 114 pounds.

Wychwood Abbot's victory was highly popular with the crowd, but not with the bookmaking fraternity who took heavy losses, especially as Commander III was the favorite.

Whitney's colt had been coupled by many bettors with Highlander, winner of the Cesarewitch, in the season's most popular "double." Bookmakers had enormous bets down for Wychwood Abbot and in the totalisator more than \$100,000 was laid on the colt, a record for any big race at Newmarket on the winner.

But the bookies got their own back in the last race of the day when Sir Abe Bailey's Cecil, starting his favorite at 1 to 5, was beaten by the 10-to-1 shot Feather Boy.

Canadiens roster cut down to manageable proportions at Saint John. Yesterday three amateurs left the camp, Pete Kelly and Joffre Desjardis going to Charlottetown and Maxie Bennett to Hamilton Tigers. Paul Arcand has already gone to Quebec Beavers and Bob McCully will start for Quebec today.

The veteran Senator, out of the season, entered an injury to his left hand and X-rays will be taken today to determine whether a bone is broken. If it is out of action for the third game of the exhibition series Thursday, Earl Coberson, formerly of Edmonton Eskimos, will take his place.

Former Moncton Hawks signed by Maroons and Rangers looked good in the scoring lists. Bert Connolly, with Rangers, scored one goal and assisted Art Somers to another while Aubrey Webster, Maroon winger, got one of their tallies.

Gilroy Will Be Guided By Constitution

(C. P. By Guardian's Special Wire)

PORTAGE LA PRAIRIE, Man., Oct. 31.—While no investigator will be appointed at this time to probe eligibility of players who transferred to the Maritimes, this must not be construed as meaning players would not be questioned.

President E. A. Gilroy, of the Canadian Amateur Hockey Association stated today.

"All branch-to-branch transfers, regardless of what branch applies for them, will in due course be passed on by the registration committee of the Canadian Amateur Hockey Association." President Gilroy continued. "Consequently there is no necessity at this time for the association to appoint an investigator. As I have stated before, all branch-to-branch transfers unless they comply with the constitution 100 percent will be opposed by me."

TENDERS

Tenders will be received by the undersigned up till noon Thursday, November 1st, for Restaurant Concession Charlottetown Forum, season 1934-35.

WRY MAKES RULING RE OPENING TILTS

(C. P. By Guardian's Special Wire)

MONCTON, N. B., Oct. 31.—Until the decision of the Canadian Amateur Hockey Association regarding the branch-to-branch transfers is handed down, the games of the Maritime Big Four Hockey League which will open on November 7 will be exhibition games only.

James E. Wry, President of the Maritime Amateur Hockey Association stated in an interview tonight.

Mr. Wry's statement is as follows:

"Exhibition games will be played in the Maritime Hockey League from November 7 until November 19, at which date the registration committee of the Canadian Amateur Hockey Association will have decided whether certain players who have recently come into the Maritime Provinces are eligible to play."

Mr. Wry would make no comment when asked if the games from November 7 to November 19 would stand as league games in the event the transfers were granted, but it was intimated in circles close to the officialdom that some such an arrangement may be made.

ON THE SIDELINES

As a result of their scoreless draw yesterday, Nomads and P. W. C. failed to make any appreciable gain on the league-leading Saints and the College team are now big favorites to retain their Island Football title.

With all due credit to P. W. C. who put up a determined and successful fight against their much heavier opponents, the Nomads displayed by no means the brand of rugby they exhibited against the Saints.

The forwards followed the ball well but their backfield failed to function at all. Ill-timed kicks and passes were the order of the day ruining several great scoring chances.

Both squads seemed over anxious with the result that Referee Morrissey was continually handing out penalty kicks, several times the free boots taking one team or the other out of dangerous situations.

Probably the only bright spot in the day's play was Larter's attempt at a field goal, late in the second half.

It was a brilliant effort, and so close to splitting the posts that several of the spectators had to be convinced that it was inches wide.

Abbles held a stiff two-hour workout yesterday morning, the boys getting their first taste of real scrimmage and standing up to the fast pace in a remarkable manner.

Coach Gries tried out several combinations during the session with all lines pulling off some sparkling combination efforts.

Probably the best was the Stratford "Kid Line" of Benmenman, Desjardis and Gelliffe their speed carrying them in on the goal line and again.

And by the way Sargent was the busiest man on the ice. Leo was worked mighty hard but showed that he has lost none of his skill in keeping the rubber clear of his cage.

Others to catch the eye were Kane and Pete Kelly, the former showing a world of speed while Pete's bout with the pros seems to have done him a world of good.

The coming bantamweight title bout between "Kid" Hart and "Butcher" Boy" McDonald Monday night next should be a battle royal.

Although never having the privilege of witnessing the champion in action, this column presides that he will be in for a tough session with the challenger.

McDonald is training daily at the local "Y" and is fast nearing his top form, apparently being determined to reverse the close verdict which Hart gained over him in a previous fight, not so far in the past.

Two other bouts which should provide plenty of action are scheduled, Benny Binns meets Kid Delaney in one while Nickerson takes on Bill Longphill in the other.

Skating season starts tonight at the Forum, marking the earliest date in Island history that skaters have been privileged to don the steel blades.

Canadiens Even Series Defeating Boston Club 7-6

Larochelle Scores Winning Count In Overtime — Packed House Greet Professionals At Moncton.

(C. P. By Guardian's Special Wire)

MONCTON, N. B., Oct. 31.—Les Canadiens defeated the Boston Bruins here tonight in the second game of their tour of the Maritimes previous to the opening of the National Hockey League season. The score was 7-6, the winning goal coming from the stick of Wilfrid Larochelle in the overtime period. And so the two major league squads moved on to Halifax for the third and final game of their exhibition series in these provinces, with honors even.

Brussels had defeated the Canadiens in Saint John Monday night 2-1.

Tonight's game, played before a packed house of over 5,000 fans, was wide open and at times the professionals flashed mid-season form and indulged in speedy bruising hockey.

Larochelle scores winner

The teams finished the first period on even terms at 3-3 all out in the first period on an insular effort, but Clapper took Marty Barry's pass to slam in the equalizer shortly after. Johnny Gagnon, former Canadiens star put the Bruins ahead when he picked up Eddie Shore's rebound from the side of the net, circled Cude's cage and deftly poked it into the meshes.

Pit Lepine opened the scoring in the first period on an insular effort, but Clapper took Marty Barry's pass to slam in the equalizer shortly after. Johnny Gagnon, former Canadiens star put the Bruins ahead when he picked up Eddie Shore's rebound from the side of the net, circled Cude's cage and deftly poked it into the meshes.

Eddie Shore was in the penalty box at the time.

Larochelle put the Lalonde crew ahead again when he picked up Aurélien Joliat's pass, closed in on Thompson, but before the period ended Nels Stewart slammed in his own rebound in a gang attack on the Montreal cage.

Protest Count

In the second period Sylvia Mantha put the Canucks ahead again when he banged in Savage's rebound as Shore and Thompson plied up in front of the net. The Bruins protested this goal but it was allowed when the goal judge said the puck had been in the net and bounded out.

Nels Stewart scored the tying goal for the Bruins on a passing play with Siebert, taking a forward pass in front of Cude after he had crashed his way through the defence, and Marty Barry put the Boston crew ahead on a clever play with Jean Fusile, who had carried down to the corner of the rink. Cude fell in the melee around the net and was hurt for a time. Joliat tied the score again when he hooked Sylvia Mantha's pass out of the air and slammed it past Thompson.

Giroux was in the penalty box when the Canadiens scored this goal and then Lamb was chased for roughing. Shore charged down on the Canadiens' net but Lepine stopped him. The two fell and Shore tapped the Canadian over the head with his stick and was banished to the pen. Larochelle followed the parade for banging a Bruin into the boards, and hardly had he entered

P.W.C. AND NOMADS PLAY SCORELESS TIE

Playing a strictly defensive game Prince of Wales College rugby team played a scoreless tie with the Nomads at the C. A. A. Grounds yesterday afternoon. The game got away to a slow start and with the exception of the last ten minutes of play was dull and uninteresting with both teams engaging in infractions of the rules calling for numerous penalty kicks.

Longer gains in territory, for both sides, resulted from some nice booting with Birwistle, Ritchie and Irlam of the college team matching Larter, MacIntyre and Hunter in the ice duel. Eddy Larter, Nomad three quarter, nearly gave his team the victory when he failed by inches in an attempt to drop kick from 35 yards out late in the game.

Incensed in the dying moments of play at being held at bay by a team on which they had hoped to wreak vengeance, the Nomads sprang to life and in a series of offensive thrusts carried the ball deep into red and black territory where Irlam drew a five yard scrum when he ran the ball over the line for a safety. The city team tore into the red and black line eager for a count but were staved off by the fighting collegians who carried the ball out of danger. In a scrummage the Nomads were awarded a penalty kick but O'Connor failed to capitalize on a placement from a difficult angle. The attempt ended all hopes of either side scoring.

Brains Take Lead

Giroux had just returned to the play when Peggy O'Neill scooped up Barry's pass to put the Bruins ahead 6-5 at the end of the session. Shore was greeted with the bronch cheer when he returned to the ice but he replied with one of his typical rushes and almost snared a goal.

About midway through the third period George Mantha tied the score again, forcing the game into overtime and setting the stage for Larochelle's hero act in the overtime.

Eddie Shore was a standout tonight and played a fine defensive game while he was showing his old-time speed and power in his attacks. Roger Jenkins of the Canadiens was one of the best men on the ice, judging by tonight's play. His general all-round work furnished several of the highlights of the engagement, while the stellar playing of George Mantha and Joe Lamb also caught the eye of the crowd.

Newly Lalonde's "collegiate line" of Crutchfield, McGill and Raymond showed up well, especially Crutchfield who gave a fine account of himself in professional company.

Managerial Position For Ruth Lacking

NEW YORK, Oct. 31.—It has become increasingly evident, if not absolutely definite, that there is no opportunity in the American League for Babe Ruth to fulfill his ambition to launch a managerial career next season.

What will happen after 1935, when Joe McCarthy's contract runs out with the Yankees and perhaps other vacancies develop, remains in the position of having burned his bridges behind him.

It is no secret that most major league magnates consider the Babe too big a gamble, as a manager, to justify the substantial investment required in signing him up.

Ryan Let Go By Giants In Big Deal

(A. P. By Guardian's Special Wire)

NEW YORK, Oct. 31.—In a deal estimated by club officials to involve \$100,000 in cash and players, New York Giants tonight announced the much-discussed acquisition of Dick Bartell, star shortstop of Philadelphia Nationals, as the first big move toward bolstering the former world champions for 1935.

The Giants turned over four players and an estimated \$75,000 in cash for Bartell, outbidding at least two other National League clubs, St. Louis and Chicago. The players going to the Phillies are utility infielder John ("Blondy") Ryan, third baseman Johnny Vergez, outfielder George Watkins and John Puzello, right-handed pitcher who performed with the Richmond, Va., and Nashville, Tenn., clubs last season.

There was no surprise in the players let go by the Giants. Ryan was a hero of the 1933 championship team but his play fell off this year.

Will Not Be Out To Defend U. S. Title

DETROIT, Oct. 31.—Lack of a sponsor will prevent the White Star Athletic Club of Detroit from defending its United States A.A.U. hockey championship this winter.

The White Star club won the 1934 title by beating fast skating amateur clubs from Boston, Baltimore and New York. Members of the club may continue to play, but they will not be under the White Star colors. The Stars, after winning the national title, lost to the Moncton Hawks, Canadian Allan Cup champions, for the North American Amateur Championship.

SPORT JOTTINGS

Regarding the recent stand taken by President Gilroy of the C. A. H. A. it is interesting to note the reaction of Upper Canadian and Western sport columnists. The following taken from a Winnipeg paper is both interesting and enlightening:

"To E. A. Gilroy, commencing his term as president of the Canadian Amateur Hockey Association, nothing but hearty congratulations. For years he has been one of the most progressive figures in amateur hockey; rule changes beneficial to the amateurs have always found him one of their leading supporters."

"But—and it always seems there must be a But in these cases—Mr. Gilroy faces the most perplexing task any C.A.H.A. leader has perhaps ever faced. It so happens that this year—the first of Mr. Gilroy's tenure—finds a particularly large exodus of amateur hockey players to outside points. Some from Winnipeg have left for the Maritimes, some plan departure to New York."

"As president of the Dominion association it devolves upon Mr. Gilroy to take the initiative in granting or refusing the necessary transfers. If I am not mistaken he has made his attitude clear. Rather than allow any or all of these transfers to go through he is prepared to outlaw the vagrant athletes."

According to the Book!

"I think that Mr. Gilroy, in all fairness to himself and to the hockey players concerned, will have to review his actions of a year ago when he held the office of president of the Manitoba Amateur Hockey Association, a subordinate of the Canadian association."

"That was the year when Mr. Gilroy sanctioned, nay, beamed upon, a number of transfers to Kenora and Portage la Prairie. Knowing Mr. Gilroy's record as a fair minded and discerning official of the C.A.H.A., I prefer to consider a coincidence that a few of the transfers to Portage la Prairie were ferred."

"The fact remains that the provincial transfer clause, setting May 15 as the closing date for change of residence within any branch of the hockey association, was violated, and that Mr. Gilroy at the time took no exception to the violation. The Dominion association's transfer rule, much more strict, names January 1 of the preceding year as the deadline. The players who left for Eastern Canada left in contravention of this rule, and according to the letter of the law, those youngsters headed for New York will be doing the same thing."

"A rule, clearly defined, of the Manitoba Amateur Hockey association, was broken last year when certain players were allowed to affiliate with the Portage la Prairie Junior Hockey Club. A rule, equally well defined, of the Manitoba association's parent body, the C.A.H.A., has been broken by players who plan to direct their energies in foreign fields this winter. In one case the rules were waived. Can they be enforced in the other case without inflicting the C.A.H.A. president open to charges of inconsistency?"

Nuff sed.

NEW GLASGOW, N. S., Oct. 31.—Antigonish English rugger defeated New Glasgow Grads football squad here today 9-0 to win the Antigonish-Pictou-Colchester Rugby League and the right to meet Caledonia in the provincial playdowns.

Antigonish stepped into the lead early in the first half with a touch and added another before the session ended. They scored again just before the final whistle in the second half. None of the touches was converted. L. M. Rhodenizer retransfers to Portage la Prairie were ferred.
