Coming her Way at Last.

Mr. Singleton—Miss Willing—er—Nellie—you don't care if I drop the "Miss" and call you Nellie, do you?
Miss Willing—No, indeed! Why, only yesterday I remarked to mamma that I was getting awfully tired of being called "Miss."

HERE'S A LITTLE NUT TO CRACK.

Just a grain of corn! The principle upon which Putnam's Painless Corn Extract acts is entirely new. It removes the corn layer, by layer, without any pain whatever. It never fails either. Try it.

Perfectly Regular

"You are charged," said the court, "with rioting."
"It's a mistake, judge," replied the prisoner. "Me ad Bill decided to have a scientific boxing encounter, and not having the price of a hall we just pulled it off in the alley."

DR. A. W. CHASE'S CATARRH CURE 25c.
Is sent direct to the diseased parts by the Improved Syringe. It is the only medicine that reaches the diseased parts, and is guaranteed to cure. It is sold by all druggists, or Dr. A. W. Chase, 100 North Main Street, Boston, Mass.

Hardly Fit For Either.
"I hardly know what to do with this young man," said the plumber, speaking of a recent employee.
"What?"
"Well, he isn't prompt enough to be given the task of making out the bills, and he isn't procrastinating enough to be a success at doing the work."

Life and Health Fully Protected in August.

Paine Celery Compound Makes Sick People Well.

If you are still enduring the tortures and agonies of disease in this almost unbearably hot weather, your position is one of extreme danger. The enervating effects of the heated term, that test even the strength and endurance of the robust and healthy, must bring you to the very brink of the grave, unless you take the care and precaution that thousands are now exercising.
At this time your safety and life depend upon the use of Paine's Celery Compound, a medicine that is giving new life and vigor to the weakly, nervous and broken down, and that is rescuing from death rheumatic sufferers and those afflicted with blood diseases and liver and kidney complaints.
The testimonials sent in weekly by happy and grateful people saved from suffering and disease are the strongest proofs of the marvelous health-giving virtues of the great medicine. A trial of one bottle in this season of danger will convince the sick that there is life and health in each drop of Paine's Celery Compound.

S'SIDE AND PRINCE CO.

Mrs. A. Y. CLARK, of Moncton, is visiting relatives here and in Bedeque.

Rev. D. J. Fraser of St. John arrived by the Northumberland yesterday evening for a visit to his old home in Alterton.

Rev. Wm. M. Tufts, formerly Pastor of the Bedeque Presbyterian Church, spent yesterday in Summerside.

Mrs. Frank Lawson formerly of Freetown, was a passenger by the Northumberland yesterday evening for a visit to friends on the Island.

Rev. H. H. Pittman, of St. George's Church, Halifax, who has been supplying St. Mary's and St. John's Churches, during the absence of Rev. J. M. Withycombe, returned home yesterday morning.

Mr. and Mrs. J. B. L. Clark, and daughter, Miss Lottie of Cleveland, Ohio, who have been visiting their old home in Summerside, leave this evening to spend a few days in the west part of the Island.

Mrs. McLellan, of Newcastle, N.B., and formerly of this town, and her daughter, Miss Aggie McLellan, who have been visiting relatives in Summerside, returned home yesterday morning by the Northumberland.

Mr. W. J. McIntyre, of the U. S. Army, accompanied by his sister, Mrs. A. J. Cole, of Brooklyn, left by the Northumberland yesterday morning after a visit of a few weeks to Miscouche and Port Hill.

The Ladies Furnishing Store for whitewear of all kinds, skirts, nightdresses, underwear of all kinds, aprons etc. See the piquet skirts plain and flounced.—McDougan & Wright for ladies' ready made goods.

Mr. A. E. Williams, Manager of the Bank of Nova Scotia here, leaves Monday morning for a holiday trip to Montreal, Toronto and western points. He will be relieved by Mr. R. V. Longworth, of Charlottetown.

Miss Margaret Smith, daughter of Mr. David Smith, of Freeland, Lot 11, and for some years a trained nurse in Boston, arrived home a few days ago. Before leaving Boston she fractured her arm by a fall from a bicycle and will remain at her home until able to resume her professional duties.

The SS City of Ghent arrived here yesterday from Halifax with a small freight. She left about 5.30 taking away 697 boxes cheese, shipped by Messrs. Dillon & Spillet for London, 100 cases lobsters shipped by Messrs. D. Rogers & Son to Liverpool, England, 40 bags oats and potatoes and a quantity of sundries.

A PAINFUL ACCIDENT.—Mr. W. S. Newson, of Bedeque, while helping to unload some bags of cornmeal from the Frank C. Bett at Cole's Wharf, yesterday, accidentally stepped off the board's rail on to a large iron cleat which twisted his ankle spraining it very severely. Dr. Sutherland bandaged the injured limb, but it will take weeks for the joint to recover its normal strength.

Nervous Dyspepsia.

A YOUNG LADY IN TRENTON RELEASED FROM SUFFERING.

She Suffered Untold Agony from Stomach Troubles and Sick Headaches—Dr. Williams' Pink Pills Cured Her.

From the Courier, Toronto, Ont.

Some years ago we reported the case of Wm. Pickering, Trenton, being cured of locomotor ataxia. He was notable to move and was confined to his bed for weeks. Upon advice he tried Dr. Williams' Pink Pills and immediately obtained relief. He is still free from the terrible excruciating affection and enjoys active, robust health. We have just learned of another positive cure through using Dr. Williams' Pink Pills. It is the case of Miss Cassie Way, who has been an acute sufferer from that common foe of humanity and the foundation for many other ills, dyspepsia. For nearly eight years Miss Way suffered untold agonies with sick headache and pains in the stomach. She tried several doctors without any material benefit. A year ago she came to live with a friend in Trenton, Mrs. W. L. Derbyshire, and was so reduced that she could not sit up an hour. She feared her trouble would drive her crazy. She was advised to try Dr. Williams' Pink Pills. She replied that she had used a box before and they had done her no good. It was urged that she could not hope for relief from one box and she commenced them again. She continued using the Pills throughout the year with the result that she has completely recovered her health. Her appetite is good, she has gained flesh rapidly, and is able to attend to all her household duties. She voluntarily offers this testimony as a tribute of gratitude for the benefit she has derived with the hope that others suffering as she has, may be induced to try this health restoring remedy. Mrs. Derbyshire adds her testimony to the correctness of the statements of Miss Way.

Allow me to add that for four or five years the editor of this paper has suffered from an itching rash that attacked all his joints and all the ointments within reach failed to banish it. He took Dr. Williams' Pink Pills last year and is nearly well.
Dyspepsia, rheumatism, sciatica, neuralgia, partial paralysis, locomotor ataxia, nervous headache nervous prostration, kidney trouble and diseases depending upon humors in the blood, such as scrofula, chronic erysipelas, etc., all disappear before a fair treatment with Dr. Williams' Pink Pills. They give a healthy glow to pale and sallow complexions and build up and renew the entire system. Sold by all dealers or sent post paid at 50c a box or six boxes \$2.50, by addressing the Dr. Williams' Medicine Co., Brookville, Ont. Do not be persuaded to take some substitute.

Experience.
Deepin Love—What is the best day in the week to get married on, old chap?
Hadder Knuff—Friday, my boy; then you'll have something to blame it on afterward.

ITCHING PILES.

False modesty causes many people to endure in silence the greatest misery imaginable from itching piles. One application of Dr. A. W. Chase's Ointment will soothe and ease itching, one box will completely cure the worst case of blind, itching, bleeding, or protruding piles. You have no risk to run for Dr. A. W. Chase's Ointment is guaranteed to cure piles.

They Dissolved Partnership.

Jack—Bessie and her bother Bob are twins, are they not?
Mable They used to be, but when Bob's hair began to turn gray Bessie couldn't afford to be of the same age.

Danger Lurks in Drinking Water.

Bad water one of the most fertile sources of Diarrhoea, Dysentery and Cholera Morbus.

At this time of the year, when the wells are low and the water in many sections of the country bad, there is always great danger of diarrhoea, dysentery cholera morbus, cholera infantum and all kinds of bowel disease.
Even the water supplied to towns and cities by a system of waterworks, shows by chemical and microscopic analysis to contain more disease germs and impurities now than at any other season.
Poison which suspect the water they drink to be bad, can prevent disease by adding about 15 drops of Dr. Fowler's Extract of Wild Strawberry to every glass.

It does not impart any perceptible taste to the water, or render it unpalatable.
It does, however, destroy those germs and microbes which produce the severest and most dangerous types of bowel complaint.
Those who have neglected this simple precaution and are suffering from diarrhoea, dysentery, cholera, morbus, or any bowel trouble through drinking impure water, will find this remedy give them prompt relief from pain, and effect a speedy cure.

There is just one word of caution we would give. See that the full name, Dr. Fowler's Extract of Wild Strawberry is on every bottle.
Blew Himself Off.
Bentley—How did Larkins meet his death? When we left him last night he seemed unusually jolly.
Vosburg—He tried to blow out the electric light in his room and burst a blood vessel.

A FRIENDLY TIP.

"I'm going to Europe again next week," said Banks.
"That so?" said Stocks.
"Yes, I find I'll have to go over, though I hate the job. I would have gone last week only I have been putting it off."
"He never cares to wander from his own fireside, eh?" quoted Stocks.
"No, it is not that," said Banks. "In fact, he rather likes to wander occasionally. But I'm such a poor sailor. Every time I cross the Atlantic and my business takes me across four times a year, I put in a week of perfect misery."
"That rather takes the edge off the pleasures of an ocean voyage, doesn't it?" said Stocks.
"It certainly does," said Banks. "You're a good sailor, yourself, I understand."
"I've only been seasick once in my life, and I've crossed the pond a score of times," said Stocks.
"You got used to it, I suppose," suggested Banks.
"Well, no," said Stocks slowly. "don't think I got used to it exactly. But the first dose of seasickness was enough. I took precautions next time."
"How?" enquired Banks.
"Well, I reasoned it out. Seasickness is caused by gas in the stomach. The rocking of the boat churns the contents of the stomach and brings about fermentation. Hence the gas; and the gas causes the nausea. I saw that if I could get my food digested before or in spite of fermentation I would be all right. So knowing that Dodd's Dyspepsia Tablets were good for indigestion—"

"Yes, I know that too," interrupted Banks.
"—I tried them for seasickness," continued Stocks.
"—How did they work?" asked Banks.
"—Well, I have never been seasick since," said Stocks. "I've carried Dodd's Dyspepsia Tablets on every voyage I've made since."
"—I must invest fifty cents in a box, this trip," said Banks.

During the Hot Spell,

Aggie—Harry, dear, don't believe you love me as well as you once did!
Harry (pale but resolute)—Aggie, darling, you give me so little opportunity between ice creams to prove my devotion?

WOMAN'S AMBITION

Restored by a Treatment of Dodd's Kidney Pills.

Mrs. Hattie M. Morris, of Barre Corners, N. B., tells of Her trouble—Lost All Energy and Ambition—Dodd's Kidney Pills Restored Both.

BURT'S CORNERS, N. B. Aug 4—When a person is suffering from any ailment of the kidneys, even before any definite physical pain is felt (the kidneys being full of feelings) there is experienced a feeling of lassitude—a dull weak feeling, a loss of energy and ambition. This means that the kidneys are clogged and the blood is overlaid with matter.
Women are especially liable to the symptom and all women should read what Mrs. Hattie M. Morris, of Barre Corners, York County, N. B. has to say about the value of Dodd's Kidney Pills in this connection:
"A year ago I had occasion to use some medicine. I resolved to try Dodd's Kidney Pills, thinking they would do what I required, and in that respect was not disappointed. For some time had been so run down in strength and ambition that everything I had to do seemed a drag. I had not the ambition to get up from a chair to attend to household affairs, and though of course I had to do it felt like a punishment to move. I do not look sick, being strong but I must say I had no energy to do the smallest thing around the house. Having used three boxes of Dodd's Kidney Pills I can strongly recommend them to that dull, heavy, do-nothing kind of feeling. They give you the right kind of snap and push, and fill you with determination to get around and do something. We keep a store here at a hotel, and I can now do all my work with pleasure and light-heartedness."
Dodd's Kidney Pills are fifty cents a box, six boxes \$2.50, at all druggists or will be sent on receipt of price to The 'Dodd's' Medicine Co. Limited, Toronto.

First Family.

Miss Primm—Perhaps you would think that I belong to one of the families?
Mr. Simms—Indeed I would. Fact is, I'd take you to be the oldest daughter of Shem.

STARVED NERVES.

When the blood is thin and weak the nerves are actually starved and nervous exhaustion and prostration follow. Feed the nerves with Dr. A. W. Chase's Nerve Food and you will improve them the new life and vigor of perfect health. Face out and fascinate with Dr. A. W. Chase on every bottle of genuine.
