Gleanings From Tryon And Vicinity

Mr. Jack MacQuarrie of Hampton, was a recent visitor to Tryon West.

Mr. Hugh Gamble of County Line made a business trip to Tryon on Monday, Oct. 3rd.

Mr. Charles Miller of Victoria, spent Exhibition week in town, and no doubt enjoyed himself.

Mr. Paul Harding of Harding's Garage, S'Side, made a business trip to Tryon on Monday, October 3rd.

Mrs. Janie Dixon of Dixon's Mills, Hampton, made a business trip to North Tryon, the latter part of last week.

Miss Amy J. Howatt, Principal of Darnley School, has returned to her home in Tryon West for the fall holidays.

Mr. and Mrs. George Hennessey and three small sons of town, visited relatives at North Tryon on Sunday last.

Messrs. Lorne Mabey, Kenneth McDonald, and Harold Mabey, took a joy ride to Summerside on Saturday evening.

The passing of Mr. Peter Macdonald of Crapaud, on Sunday evening last, is very much regretted by his many friends in Tryon.

One of Tryon's progressive farmers, Mr. Austen Smith has recently purchased a fine car, in which he hopes to take many joy rides.

A motor party to the Messrs. Charlie Loxon, LeRoy Howatt and Leonard Lockhart made a flying trip to Summerside on Friday of last week.

Our potato king, Mr. Lewis Howatt, began digging operations recently, and his numerous friends are delighted to learn that he has a bumper crop.

The host of friends of Miss Juanita Miller of Victoria, are very sorry to learn that she is confined to her home with measles, but trust she will soon be about again.

Mrs. (Dr.) Dougherty and two charming daughters, the Misses Diana and Frances of Victoria, are now passing a very pleasant week visiting relatives at Carleton, P. E. I.

Miss Jessie Chisholm and Mr. Reg. Thomas, paid a call to the theatre at Victoria on Wednesday night of last week, where they enjoyed "Desert Valley" and "Buffalo Bill."

Mr. and Mrs. Russell A. Howatt and son, Ray, of Tryon West, passed a very enjoyable Sunday in Cape Traverse, where they were the welcome guests of Mr. and Mrs. Thomas Howatt.

Mr. Keith Boswell of Victoria, was successful in winning first prize for his year-old Clydesdale colt, weighing 1165 pounds at the Queens County Exhibition held in Charlottetown recently.

Mrs. Lockhart and son Leonard of Moncton, N. B., motored to Victoria, P. E. I., last week. They returned home on Saturday after expressing their regrets that they could not remain longer on our fair little island.

Miss Velda Campbell of Cape Traverse, employee in the general store of Mr. K. W. Lord, spent an enjoyable day in town last week, where she attended the Queen's County Exhibition and also enjoyed the play "Playthings" in the evening.

The farmers in the vicinity are still very busily engaged in digging their "spuds". Some say they have a "bumper" crop, while still some others look gloom when you mention "spuds", but cheer up, friends, the sun has not gone out of business.

Miss Edith O. Lord, one of the most competent lady clerks of R. T. Homan's Ltd., S'Side, spent last week-end at her old home town, Tryon. The many friends Miss Lord left behind her in Tryon are always very glad to welcome her back again.

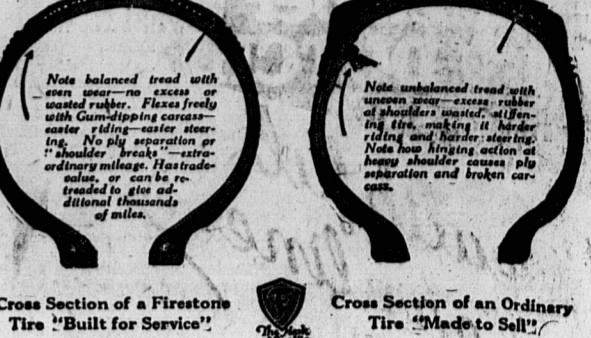

Two of our local sports, the Messrs. Nathan Atkins and "Dad" Lyman spent Exhibition week in Charlottetown where they thoroughly enjoyed the horse racing and other things. "Dad" says the horse-racing was the best there has been for five years—and "Dad" knows!

The many friends that Mr. K. W. House of Sackville, N. B., made for himself during the short time he was Pastor of the North Tryon Presbyterian Church, were very glad to welcome him back again last Sunday, and to listen to his inspiring sermon so full of thought and helpfulness. Everyone hopes that they may have the privilege of listening to him many more times in the future.

The unfortunate accident of Mr. Rex Dawson of N. Tryon, in having his arm broken at this busy season of the year, is very much regretted by his friends and neighbors. Medical attention was procured immediately, so we have every reason to believe if Nature does her part that his arm will soon be as good as formerly.

Dr. and Mrs. Reid and party of the Provincial Capital were motorists to Tryon on Sunday, and now "adiieu"—D—

Enjoy the Comfort, Safety and Economy of Gum-Dipped Tires

The sections of tires reproduced above are a part of the Firestone Dealer program. Study these two sections and you, too, will understand what Firestone means by tires built for service and tires made to sell.

The Firestone Gum-Dipped Balloon Tire with its scientifically designed tread permits free flexing, easier riding, extra comfort and safety, while the gum-dipping process gives it the wear-resisting properties that give thousands of extra miles.

The ordinary balloon tire with heavy flat tread design is obviously stiffer and rides harder. The excess rubber, placed for appearance at the edges of the tread, is not only wasted but produces hinging action causing ply separation and "shoulder breaks."

Your local Firestone Dealer will gladly explain the gum-dipping process and other advantages that only Firestone Gum-Dipped tires can give. See him today.

ALBERTA SOIL FAVORED FOR TRUCK GARDENING

Former Indiana Gardener Pleased with Season's Products

EDMONTON, ALTA., Oct. 6.—Alberta as an ideal province for the growing of all varieties of vegetables—and small fruits, particularly the central and northern sections of the province, is extolled by a former Indianapolis truck gardener, G. E. Robertson, who came to Edmonton early last spring, bought a half section near Elk Point and settled down to truck gardening there. After having disposed of his third motor truck load of bantam corn for the season he gave the Edmonton Journal an interview in which he expressed great optimism as to the productiveness of Alberta and gratification with his own success since coming to the farm.

On his Elk Point farm Robertson has cantaloupes larger than any he ever grew at Indianapolis, watermelons fully as large as those usually imported by Alberta fruit wholesalers, and vegetables in abundance. He has sold over 1,500 dozen ears of corn to Edmonton wholesalers, and has supplied the

construction camps on the Elk Point railway extension with vegetables throughout the summer. On a recent visit to the city, Robertson made arrangements for a supply of small fruit plants, roots, and seeds to be sent him in time for next season's activities. On his list were Concord grapes, raspberries, strawberries, currants, apples and plums. Robertson admitted that the growing of some of these fruits in this section was still in the experimental stage, but from his previous experience with them, and from what he had already seen of Alberta, he felt that the experiment was well worth trying.

To clean cut steel buckles, buy an ounce or two of flour of emery, grade 120. Make a paste of the emery and one tablespoon of salad or sweet oil. Dip a small brush into this mixture and rub the buckles until they are clean. Brush with the dry brush to remove the emery.
