

NULIFE BRINGS BACK YOUTH

Secure The Aid of This Powerful Tonic Today

How many people do you see on the streets today that show in their walk, their facial features and every move of their bodies that they are just dragging out a mere existence—are under the baneful influence of disease—and don't know what the real joy of living is.

Some of these when questioned, will tell you that they have tried this, that and the other preparation and have not been benefited in the least and for this reason will not listen to the claims made for any other preparation.

But it is in cases such as these that that marvelous tonic and body builder Nulife (Red Blood Tablets) its best results and secured its best advertisements.

Nulife will help every person who is at present suffering from any disease caused by an insufficient blood supply and in nearly every case will work a complete cure. It will turn that slow lagging footstep into the bounding stride of youth. It will turn your pale, spiritless features into clear-eyed, rosy-cheeked beauty, will transform your body from a mere skeleton and frame work to a splendid specimen of health and strength.

It has done that for hundreds of others and will do the same for you. It cannot fail, for by scientific test it is the best blood and nerve tonic—the best of its kind on the market—and the one, that by actual results obtained in many cases, will give you the health and strength that nature intended you should possess. One box is enough for a starter, it costs 50c; but for a complete cure you need 3 boxes \$1.25 and 6 boxes is not any too much for severe cases, \$2.50. Get it at any dealer.

When Your Clothes line breaks and your wash falls in the MUD what do you say? To put it mildly its unpleasant. At most an extra labor, extra time, extra soap and coal house all mused up another day.

To avoid all such let us do your flat work. Your goods are carefully handled, cleaned, washed, nicely ironed promptly returned if not used to U.S. Telephone 101 and our team will call.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Catarrh is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for Address F. J. CHENEY & CO., Toledo, O. CANADA (No. 4.)

Land of the maple leaf,
Land of the golden sheaf,
Fair Canada!

Home of our loyal sires,
Hearth of their sacred fires,
Bach patriot admirer,
Love Canada.

Though on the faithful plain,
The lily strove in vain
For Canada;

A floweret quickly shows,—
The lily-tinted rose,—
Triumphing o'er its foes,
Brave Canada!

If wise, her counsels be,
Undreamed the destiny
Of Canada!

Ten thousand leagues of plain,
Lake, forest, mountain-chain,
Bound by the teeming main!
Great Canada!

The nations, from afar,
Behold the rising star,
O' Canada!

Britannia's hope and pride,
Linked in her empire wide,
In danger, at her side!
True Canada!

The Lord may all reverse
Who gave a land so dear
As Canada!

From western sunny shores
To eastern bellows roar,
"O God!" let each implore,
"Bless Canada!"

J. Baker,
East Royalty.
