**PROTECTED WHERE THE WEAR COMES**

ORDINARY silver-plated spoons and forks soon show signs of wear at the back of the handle and bowl, and, in lesser degree, at the tip of the bowl.

But in the **HOLMES & EDWARDS "Silver Inlaid" and "Super Plate" Flatware** all three wear points receive extra protection.

In the "Silver Inlaid" line the wear points on back of handle and bowl have a piece of Sterling Silver welded right in, while the tip of the bowl is Super plated.

In the "Super Plate" line, which is somewhat lower in price, all three wear points receive a heavy extra coating of pure silver.

When buying new silver-plated flatware ask your jeweler for **HOLMES & EDWARDS Silver Inlaid or Super Plate** and you will get maximum durability at minimum price.

Set of Six Teaspoons—Silver Inlaid, \$4.25; Super Plate, \$3.25

**MINSTREL SHOW AT STURGEON**

A very successful Minstrel First Part and basket social was held in Sturgeon Hall on Thursday evening, Oct. 30th, in aid of St. Paul's church, the interior of which is being newly painted and redecorated. The Minstrel First Part, under the capable direction of Mr. J. Austin Trainor, Charlottetown, introduced a Merry Minstrel Circle which gave one of the best entertainments ever seen in this locality, the large hall being crowded to the doors. Many new and novel features were introduced which gave the show a directly professional appearance.

A special prize which was kindly donated by Mr. Hennessey of the Two Macs Drugstore, was won by Mrs. Jas. A. McGee, while the consolation prize was won by Mr. John M. Landrigan.

The Basket Social, held in connection, was a big success, good prices being realized. Mr. John A. McDonald, of Charlottetown acted in the capacity of auctioneer.

The Minstrel First Part was repeated on Friday evening when another large audience greeted the performers. The following is the program:—

**"Red" Revolution Oratory in France**

PARIS, Nov. 3.—Heavy pressure is being brought to bear by syndicalist leaders upon railwaymen to endeavor to induce them to join the movement for a revolutionary general strike.

Nov. 7. Revolutionary orators, at a meeting of the Federation of Syndicalists, Thursday, called upon the railwaymen to demand an increase in wages of 1,000 francs, not, as Citizen Sirolle admitted, with the idea of gaining this, but with the sole object of creating difficulties by the failure to obtain their demands.

Railwaymen, brakemen and switchmen had asked for a salary of 3,300 francs and from all indications it seemed that the demand would be granted. M. Sirolle, therefore proposed that they should ask for 4,300 francs, a thousand francs more, because "the comrades must be kept busy with claims for increased wages."

Continuing, Citizen Sirolle cited as an example the fact that the Russian revolution was brought about by 100 sailors who seized the Parliament Buildings and said that the railwaymen must act in a similar manner. "I have my hundred men ready, said M. Sirolle.

It was decided that work should stop completely on all railroads on November 7, at 3 p. m. "If we don't," said M. Sirolle, "the majority will never accomplish anything. We must give the signal and try to get a minority to lead the majority."

**For Pressing Dark Woolen Garments**

Like trousers and skirts, the most satisfactory pressing—cloth is made of plain blue percale. It is possible to use a hotter iron than with cheescloth, and the percale leaves no lint. A yard cut in two lengthwise will make two cloths that will last indefinitely.

**IN MEMORIAM**

**CHARLES CLAY**

Eighty-eight years ago Dr. T. C. Clay after twenty-one years of successful work in the British Army settled in P. E. Island. His second son Charles was then a boy of seven years. After residing a while in Charlottetown, they moved to Montague, but finally settled in Bridgetown where they engaged in real pioneer work. Charles developed a flourishing lumber and saw mill business, and though not enjoying robust health persevered with great diligence and passed away on Oct. 30th, to his heavenly reward at the ripe age of ninety-five. His eldest brother was the late Rev. Dr. Edwin Clay, of Halifax, N. S. He is survived by the following members of his family:—Mrs. Evangeline Heartz, Denver, Colo., Cassius, of Montague, Edwin, Henry, and Charles B., of Bridgetown. The funeral service conducted by Rev. H. A. Brown was very largely attended, attesting the public respect in which the deceased was held.

**FINLAY MacEACHERN**

On the 22nd, there passed away at Newton, Belfast, a man very greatly beloved in the person of Finlay MacEachern. His whole life was spent in his community, and the unusually large concourse of people who gathered from all parts of the Belfast and neighbouring congregations to do honor to his memory at the last, witnessed to the esteem in which he was held and to the conviction that a worthy man had left the world and gone to his reward. For many years he was in Elder in the Belfast congregation, and was ever ready to help on the good cause in all the ways he could. His hospitality was without stint. In his own home he was a prince for cheerfulness and thoughtfulness and his family revered him. With him always first things first. No matter how pressing the season the custom, was never departed from to surround the family altar, morning and evening, tied as he lived serene and beautiful sustained by the blessed assurance that they who sleep in Jesus will God bring with him. He leaves the following family to mourn the loss of a loving husband and father, Mrs. MacEachern, Abner on the home, Mr. Charles in Honolulu; Mrs. M. S. McLeod, Uigg and Mrs. Devaupart, Mrs. Parker, Mrs. Carver, Mrs. Tuca, in the United States. The righteous shall be held in everlasting remembrance.

**IN MEMORIAM**

In loving memory of Private William H. L. Reilly, who fell at Passchendaele, Nov. 5th, 1917.  
Gone but not forgotten.
