Stocks Rally Near Close In New York

(By Frederick Gardiner) (Associated Press Financial Writer)

NEW YORK, Jan. 17.—(AP)—Quiet but persistent demand for utilities, arctic and specialties turned the selling tide in today's stock market proceedings, and early losses running to a point of so were substantially reduced or converted into gains of as much as 1 1/2 per cent.

The drift was lower throughout the greater part of the day. Dealers picked up appreciably on the last-minute rally and transfers totalled \$23,730 shares compared with \$66,160 the day before. The Associated Press average of 60 stocks moved up .4 of a point to 51.6.

In the Canadian department active issues were steady. Distillers Seagrams, Dome, International Nickel, Canadian Industrial Alcohol, Ford and Lake Shore all picked up fractions against minor losses in Brazilian and Imperial Oil.

Business news was seen as moderately constructive market wise and congressional developments were still to the liking of Wall Street. But the imminent Spanish War crisis, with possible serious repercussions in France and Italy, served to temper speculative sentiment considerably.

Bright November net operating statements for the railroads and signs December gross were highly favorable, propped the carrier stocks, but the majority held to a narrow groove.

Merchandising issues were unresponsive to the largest gathering of buyers in New York for some years, with estimates spring purchasing to fill out-of-town retail needs would top the 1937 season by about 10 per cent.

Currencies

(Canadian Press)

NEW YORK, Jan. 17.—(AP)—The British Pound led a minor drift forward in terms of the United States dollar of the majority of European currencies today. The foreign exchange market, however, devoted more time to study of sore spots in Europe than to actual business.

Sterling advanced 7-16 cent to \$4.88 and the French franc .00 cent to 2.64. The Belgian and Swiss franc were narrowly higher while the guilder dipped .03 cent. The Canadian dollar improved 1/16 cent to a discount of 25-32 per cent.

MINING

(Canadian Press)

TORONTO, Jan. 17.—(CP)—Prices wilted in slow trading on the Toronto exchange today, all the while list firms and erased most of the losses. Only the base metals persisted on the downside while the golds closed practically unchanged and the industrial net gains. Volume of 618,000 shares was down 100,000 shares from the previous session.

Kerr-Addison moved in heavy volume in the final hour and showed a net gain of 7 cents to close at 1.97. Other golds continuing losses into moderate gains. Malartic, Hard Rock, Powell, Sylvanite and Wright-Hargreaves, Dome posted a gain of 7-8 and McIntyre firmed slightly.

Anglo was sold in volume on a drop to 57 and the close at 60 1/2. Patricia dropped 7 cents. Macassa Mining Corporation, Pamour and Pickle Crow were off slightly.

Consolidated Smelters was sold for a loss of 2 1/4 and Nickel closed off 1-4. Noranda held unchanged, cheaper base metals showed little change.

In the final rally Home Oil came up from 2.78 to close at 2.94 for a net gain of 6 cents. Foothills, Calgary-Edmonton, Calmont, Highwood and Anglo-Canadian closed with narrow gains. Royalite was unchanged at 41.
