A Woman's Friend

IT'S BECAUSE FERROZONE BRINGS GOOD HEALTH, THAT IT BRINGS GOOD LOOKS, AND IS COUNTED AN INVALUABLE FRIEND BY MILLIONS OF WOMEN ON THIS ACCOUNT.

Many women look old and lose their beauty, not through age, but through disease, ill health and suffering. If you don't feel your best, if your blood remains impure, your nerves unsteady, don't expect to feel top-top.

If you have no appetite, poor digestion, are bilious and constipated, your skin will be sallow and pimply, with an unnatural pallor about the cheeks.

Women without number who have suffered the mortifications of this run down condition, have made themselves healthy and well by taking Ferrozone. It is a wonderful remedy for the blood and nerves, and brings good looks because it brings good health.

Take Ferrozone for your beauty. It is a wonderful, restorative, and strengthening for weak women, purifies and enriches the blood, and sends it circulating to all parts of the body. Thus it builds up muscle and tissue, puts on fat and makes the action of the heart regular and strong.

Nothing can possibly do you so much lasting good as Ferrozone. It will enable you to go through life with pleasure and assurance, free from sickness and worry. We are quite sure you need Ferrozone, and know it will do you immeasurable good.

Three weeks treatment costs 50c. or three times that much for \$1.25. At all druggists, or N. C. Polson & Co., Kingston, Ont.

Though he used a great many remedies and was treated by first-class doctors no permanent relief was obtained until he used Dr. Chase's Ointment.
