To Probe Supply Of Natural Gas

MONCTON, July 23 — (CP)—C. H. Lutz, Dunville, Ont., expert in petroleum engineering arrived here today to begin a full investigation of supply and distribution of natural gas at the Stoney Creek oil fields.

Mr. Lutz was appointed to conduct the investigation after the City of Moncton had filed application to the New Brunswick Board of Public Utilities asking immediate investigation. His appointment was announced a week ago.

Sea View and Vicinity

Mr. and Mrs. Walter Beairsto and daughter Mary of Charlottetown spent a recent week end pleasantly the guests of Mr. and Mrs. Earle McKay.

Mr. James E. Murphy of the R. C. N. V. R., has resumed his duties after a pleasant furlough with his wife and family at Park Corner.

Miss Velda Duggan and Elmer Adams Grade X pupils of Sea View School went to Summerside to take the matriculation examinations.

Their friends are pleased to learn that Mrs. Reginald Hiltz is making a good recovery following her serious illness in Prince County Hospital. Her husband Mr. Hiltz who was stationed at Aldershot Camp was home for a few days leave.

The dance at Spring Valley Hall was a decided success. It was put on by the old timers and a large number tripped the light fantastic to splendid music suplied by the popular musicians, Miss Thelma Andrews, Messrs. Durant, Tuplin, Hunter Holmes MacKinnon, Woodside and Inglis.

A large number were visitors to Sea View to enjoy the social evening and dance sponsored by the members of the Malpeque Troop under Captain J. R. Murphy which is represented by some from all the near by communities. Splendid music was furnished for the occasion by the Darnley orchestra and all enjoyed a most pleasant evening. Refreshments were served to the members of the Orchestra by the committee in charge and a social hour followed.

Friends are pleased to see Miss Laura Mountain about again after her recent appendix operation.

Mr. and Mrs. Lewis Rogers and little son spent Sunday in Darnley the guests of Mr. and Mrs. John Bassett.

The large hall at Malpeque was filled with an appreciative audience when a number from the R. C. A. F. at Summerside staged a variety concert. This was under the direction of Captain Lambert who announced the different numbers and introduced the artists. The program consisted of readings, solos, step-dancing, dramas, etc., also humourous readings. At the close of the program Mr. L. D. MacNutt was called to the platform and in his capable manner congratulated the performers on their splendid entertainment after which a hearty vote of thanks on behalf of the members of the Institute this was seconded by Mrs. Lockhart and extended to the performers by Mr. L. D. MacNutt, which was suitably acknowledged. The singing of the National anthem brought this pleasand gathering to a close. A splendid sum was realized from the proceeds which is to be donated to the Greek Fund. Mrs. Preston Green kindly invited the members to the R. C. A. F. to her home where a delicious and bountiful lunch was served by the Institute members. A splendid social time was enjoyed by all.

Miss Hazard, Assistant Supervisor was a visitor to Sea View attending the Achievement Day of the Churchill Sewing Club. There was a good attendance of members and several parents and friends. This gathering was in the Institute Room, where the sewing club had their work of the past year and the demonstration made a fine display and was greatly admired. The class conosisted of members of 1st 2nd and 3rd year, when Miss Hazard had judged their work. She gave a nice talk to the members pointing out benefits derived and the debt they owned to the leaders Mrs. John Coulson and Mrs. J. C. Campbell who have been so faithful in their leadership since the organization of this class. Certificates were then presented to all the members who had completed the work expected of them for the past year. Prizes were then awarded to the following Ruby Adams first prize in 3rd year work senior 2nd Vera Stewart, Dorothy Murphy. 2nd year Ina Murphy, Marion Duggan. 1 year Sr. Thelma Campbell 1 year Jr. Shirley Stewart. These prizes will be in War Saving Stamps An essay contest by the third year pupils resulted in Dorothy Murphy winning the prize. She was also chosen as the represenative from this class to attend the District Achievement Day which will be in Long River at a later date. A most interesting feature of this gathering was the remembrance of the leaders by the members of the class Velda Duggan read a nice address and the presentation of a nice gift was presented to Mrs. Campbell and Mrs. Coulson by Dorothy Murphy and Vera Stewart on behalf of the members. The leaders though completely surprised and overcome with emotion expressed their thanks and said it was a pleasure to work with the girls who tried so hard to excel themselves in all the different lines. The thanks of the members of the Institute was also tendered those ladies. Ice cream and cake were then served to Miss Hazard and the members of the Sewing Class by the ladies of the Institute.
