### ECHOES AND A VISION.

"The Lord answered and said: 'The vision is yet for an appointed time: Though it tarry, wait for it: Because it will surely come: It will not tarry.'" Habakkuk 2:3.

In every age great souls have climbed some heights of vision from which to see God's purposes with mankind and tell their vision to the world. Man's capacity of vision is the measure of man's progress. The nearer man gets to God's view point, the truer for all time is the vision which he sees.

Ever and again in Hebrew history, as here, we find some lonely prophet standing on his watch-tower, bidding his nation look with him, away from the prosaic present to an ideal future, holding out to his fellows a vision of better things to be, recalling them from calamity, despondency, waywardness and sin to a higher life, a fairer state of things, a nobler destiny, yet to be realized by them as a people chosen of God to fulfil some lofty purpose in the progress of the world. The nation without a vision is a people without a future. A world without a vision from God is mankind without a hope.

### Quick Relief from that Persistent, Hacking Cough

We mean the kind of cough it gives one a cold shiver just to hear—the dry, deep-seated, hack—hack—hack—th-a-t seems as if it were tearing the very vitals. That's the kind of cough that means business.

Fortunately, though, that is also one of the kinds of cough for which Na-Dru-Co Syrup of Licorice, Chlorodyne and Chlorodyne is absolutely free from harmful drugs of any kind, and is safe even for children. It is pleasant to take, and acts quickly, relieving the irritation, loosening the phlegm, promoting expectoration, and so stopping the cough. Thousands declare it to be the best cough syrup they have ever tried.

Your Druggist will gladly recommend it, and will supply you with either a 25c. or 50c. bottle. The National Drug & Chemical Co. of Canada, Limited, 116

### Seeing the Vision

The days of vision are not yet past. Within the last few days, in our very midst, servants of God have been on the watch-tower of our twentieth century, looking abroad over the world's teeming, complex life, asking why the splendid vision of seer and prophet, Christ and His Apostles, lies: longing to behold that glorious time visioned forth so long ago, when the earth shall be filled with the knowledge of God's glory, as the waters cover the sea."

Never before in the history of the world have peoples of all nations gathered themselves together from all ends of the earth to realize a vision so unworlly, so seemingly difficult of fulfilment. From all nations and tribes and civilizations under heaven, thoughtful men have met, calmly, resolutely deliberating how best to realize that wondrous vision and bring about the world's ideal life. An event so novel, so unprecedented in the history of the Christian Church and in the annals of mankind, calls for at least a passing reference in the House of God ere the echoes die away, if die they ever will. To us more vividly than any other people has come the vision, for to our country, to our fair city of the North, has come the privilege of being the chosen watch-tower from which this genera-

### Suffered With Nerve Trouble For Two Years.

IT WAS IMPOSSIBLE FOR HIM TO SLEEP.

Diseases of the nervous system are very common. All the organs of the body may be sources while the nervous system alone may be diseased, therefore it is necessary for anyone suffering from any nervous trouble to procure a remedy which will at once quieten the nerves and build up the system.

Milburn's Heart and Nerve Pills will do this for you, providing you give them a fair trial.

Mr. Chas. W. Wood, Montreal, Que., writes:—"For two years I had suffered with nerve trouble, and it was impossible for me to sleep. It did not matter what time I went to bed, in the morning I was even worse than the night before. I consulted a doctor, and he gave me a tonic to take a half hour before going to bed. It was all right for a time, but the old trouble returned with greater force than before. One of the boys, who works with me, gave me half a box of Milburn's Heart and Nerve Pills. I took them and I got such satisfaction that I got another box, and before I finished it I could enjoy sleep from 10 p.m. until 6 a.m., and now feel good."

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

She Had a Bad Cold, So He Recommended

**Dr. Wood's Norway Pine Syrup.**

Mrs. James Warren, Edmonton, Alta., writes:—"Just a few words in favor of your Dr. Wood's Norway Pine Syrup. A short time ago I contracted a bad cold, and tried several remedies, but had no good results. I asked my druggist to give me some good cough medicine he could recommend, so he told me to try Dr. Wood's Norway Pine Syrup, and I can safely say I have never tried anything like it. The first dose gave me relief, and I was completely cured of my cough before I had finished one bottle. It is the best cough remedy I have ever tried, and I can recommend it to everyone."
