NATIONAL SYMBOL OF TURKEY

LONDON, Dec. 12 (Special)—The lunar symbol of the Ottoman Empire, universally known as the Crescent, is strictly speaking, a crescent, representing as it does, not the new moon, but the old moon. As a national symbol it was in use in Constantinople by the Byzantines eighteen centuries before the Turks appropriated it and emblazoned it on their banners when they captured the city on the Bosphorus is said to date from B. C. 340, when a night attack on ancient Byzantium by the Macedonians was foiled by the light of the old and waning moon, as do those of the old and new moon, and while the crescent moon progressively to the splendor of full moon, the crescent slowly wanes to invisibility in the overpowering light of the sun. The Turkish crescent has been a long time waning in Europe, but it is the inevitable destiny of all crescent moons to disappear.

Had Pimples on Face And Back Was Literally Covered With Them.

Bad blood is the direct cause of pimples breaking out on the face and body, and it is impossible to get rid of them unless you cleanse the blood of all its impurities.

Burdock Blood Bitters is without a doubt, the very best medicine for this purpose.

This old and reliable remedy has been used for over thirty-five years, and has a reputation unequalled by any other for purifying the blood.

Mr. Peter La Pierre, Assistant Postmaster, Touchwood Hills, Sask., writes: "The fall before last, I was very much troubled with pimples on my face and back. My back was literally covered with them, and I could not lie on it at night, they were so painful. One day my sister advised me to use Burdock Blood Bitters, so I got two bottles, and before I had taken all the first one, the pimples had nearly disappeared, and now I am completely cured."

LETTER TO THE FARMER

The business of farming is in the most critical period of its development.

Both the working farmer and the investor in farm lands and securities are seriously studying how to turn farm products into net profits.

There are thousands of farmers in Prince Edward Island alone.

Is it not hard to believe that only one of every five read a farm paper at all?

Only one in five? The other four need the instructions given by farm papers.

A Short Talk About Island Chocolates

Why are Island Chocolates First-class? One reason is that your Island cream-Butter, etc., is as good as the best on the island. Another reason is that I have been making high grade chocolates for 25 years. With the best materials in the world why should I not be able to make the chocolates as good as the best? I AM making the ISLAND CHOCOLATES in my mind BETTER than anything you have had. I KNOW they are BETTER even if I cannot convince you.

WHY NOT get away from the unpatriotic and unjust assumption that goods made away from home are better than the Home made.

In the United States everyone shouts for his HOME TOWN and the GOODS made there. That is one of the secrets of the Yankee's success.

Try it in CHARLOTTETOWN, AND SEE HER GROW.
