Firemen Also Sending Runner To Halifax Race With their customary generosity and sincere desire to further athletics, the City Fire Department, through Chief Angus McEachern, have donated funds to send a second marathon runner to Halifax. This guarantees an Island representation of two men, and an effort is being made to secure money to increase the number to four.

The cost per man is approximately twenty-five dollars, and to raise the fifty dollars for the other two men's expenses, any small amount would be appreciated. The Patriot is of course not directly responsible for the sending of the men to the race but it takes credit for broaching the idea.

The Y. M. C. A. is lending a helping hand, and the men are being notified to come into town today for a tuning up jaunt before the race. They are being told to report to the "Y."

The athletes are going to travel by car via Pictou, leaving on Tuesday afternoon, Rodd, McEwen, Campbell and Richardson are being invited to go. Barney Francis, if his sore leg improves, may be a fifth starter.

Ray Penitton, of the Y. M. C. A. is taking the boys under his charge for the second attempt of the Island in two years to win the Halifax Herald trophy.

Rev. Dr. Fulton Welcome Visits To Charlottetown

A welcome visitor to the city this week is Rev. W. Scott Fulton, D.D., formerly pastor of Zion Presbyterian Church and now pastor of the First Presbyterian Church at Chatham, Ontario. Rev. Dr. Fulton, accompanied by Mr. W. A. Hammond, Chatham, chairman of the board of managers of the church, motored all the way to Charlottetown, a distance of 1,335 miles, in the remarkably short time of three days.

Leaving Monday morning, and travelling with only one short detour, over excellent roads, through Montreal, Quebec, River du Loup and Edmonston, they crossed the Northumberland Strait on Wednesday, arriving in Charlottetown the same evening.

Rev. Dr. Fulton is in excellent health, and is naturally delighted to be here again for a few days among the many friends and acquaintances he made during his ministry in Charlottetown.

Mr. Hammond, who is a former Mayor of Chatham, is on his first visit to the Island. He had heard much of its praise from Dr. Fulton, and the reality, he finds, has more than come up to expectations.

The visitors are planning to stay over the week end. Dr. Fulton is resuming his church duties on June 2nd and on return to Chatham will probably take in the session of the General Assembly at Toronto.
