Girl Guides Annual Report

Mrs. Helen I. Reay, Provincial Commissioner submitted the following report at the recent annual meeting of Girl Guides:

I beg to submit the annual report for P.E.I. for 1945-46.

Perhaps before starting my report, proper I should describe our Provincial organization, in this way you will realize the positions which are filled and the vacancies which should be filled. In P. E. I. there are three Divisions corresponding for Guide purposes to the three Counties. Each Division is in charge of a Commissioner, who assists, and is responsible to the Provincial Commissioner. Divisions may be divided into Districts each in turn with its own Commissioner. Prince County Division has at its head Miss Carrie Holman. This Division has two Districts, East and West Prince. We are glad to welcome Mrs. Tomkins, Commandant of the Red Cross Corps who has just been made District Commissioner for East Prince, comprising at present Summerside, Kensington, Borden, Free-town (inactive) and Indian River. We do need a District Commissioner for West Prince which at present is active in two places only—Tignish and Ellerslie. We should have Guiding in Alberton, O'Leary, and according to Judge Arsenault among the Indians at Lennox Island. Give us a stout-hearted Commissioner for West Prince, and I think you will see some action.

Miss Holman has done the work at times, of four or five people, and no one can cope with that for long.

In Queen's County Mrs. J. D. McQuigan is Division Commissioner. Under her at present are Charlottetown, divided last year into two Districts—North and South and Rustico. Rustico is the only County at present outside of Charlottetown, but we hope to get one started at Maple Hill. Miss Duchemin and Mrs. Bagnall are District Commissioners for Charlottetown. South and North respectively. South has 8 units and North has 16 including two in Parkdale, with a total in Charlottetown of 41 Guides, Brownell and 33 Guides. Mrs. Elmer Dunning has been appointed Division Commissioner for Kings County, and had the honor of being enrolled as a Guide by the World Chief Guide. Mrs. Dunning needs help. She should have two District Commissioners in Kings—one to look after Montague, Georgetown, Heatherdale and other units still in embryo, the other to organize in Souris and Morrell, both of whom want Guides started.

We have had many requests from girls who wish to be Lone Guides, and I am now very pleased to report that Miss Freda Pickard has consented to be head of Lones for the Province. Miss Pickard will need assistance in this work, and I am sure would be glad of volunteers.

Field Commissioners Work

Mrs. Cudmore is now Field Commissioner for P. E. I. which means that she visits Companies and helps Commissioners (both present and future) to start new Companies and arrange to have Guides trained. Incidentally as Mrs. Cudmore is also a Diploma'd Guide she does the training herself.

To promote, encourage and assist in the further development of the Girl Guide Movement, a Council is formed in each province known as Provincial Council, and a Provincial Executive Committee administers the affairs of the Council.

A local Association is formed of women from any one district. Its function is to take all outside work and responsibility from the shoulders of the Guides, so that they will be free to direct their companies and packs.

Following the lines of the Dominion Executive this Province has appointed heads of different departments—all members of the Provincial Executive. Mrs. Bates is convener of Public Relations, which is just getting down to business in a big way in the Dominion Executive. Mrs. Martin as head of Brownies will give her report. Mrs. Beer as head of Training will give hers, and the Camp report by Miss Fullerton, Provincial Camp Advisor. It is always a feature of those meetings.

With characteristic modesty Mrs. Cudmore does not wish to mention her work but I cannot let this meeting pass without some words of recognition of the wonderful work she has done as Director of Red Cross Swimming. Many of the Guides have benefited by this much needed instruction.

We are delighted to have in our midst again one to whom Guiding owes much of its present organization—Miss Mona Wilson who has been in Newfoundland and Great Britain on War Service for the Red Cross since 1940.

SLOAN'S LINIMENT

GOOD FOR SORENESS

JUST PAY IT ON!

Two provincial competitions have been held this year for the Beesborough Shield also one for the Charlottetown Guides cup and one in Summerside for the Silver Cup for singing. The first provincial competition, started last year and finished in February, was won by the North Rustico Company with 100 per cent. It took the form of sewing and knitting for the Red Cross.

The competition this year being for Nature work was run off during the summer and closed on October 31st. Nature does not seem to be so attractive a subject as there are only two entries and they are both from Charlottetown. The Guides Cup Competition open to Charlottetown Districts was won this year by the Anglican Company (St. Peter's and St. Paul's). This competition was for outdoor proficiency and according to the examiners the winning company made a splendid showing.

In Summerside the 1st and 3rd Company won the Silver Cup for singing. The 4th Company was a close runnerup in the Provincial Competition for the Beesborough Shield. Two guides from the 2nd Company received their 1st Class Badges—one presented by Lady Baden-Powell and the other by Lord Rowellan. At Christmas all Summerside companies gave "O Come Let Us Adore Him" which was most successful. Guides also sang carols over the radio. A Brownie from one of the two Summerside Packs won her Golden Hand Badge which was presented by Lady Baden-Powell.

A Guides-Scouters Club has been organized in Summerside and in Scout Guide Week the Scouts held a Rally and the Guides a skating party for both organizations.

One Kensington Guide received her 1st Class Badge at camp from Lady Baden-Powell. A former Kensington Guide started a company at Indian River which is doing well although the Kensington Guides has now moved to Summerside where she has taken over the 4th Company.

"Fire? Goodness, no! Since I've been serving Grape-Nuts Flakes for breakfast, my husband decided the stairs were too slow."

"Would you believe it, I've found that same thing everywhere I've called this morning — people rushing downstairs to taste that mally-rich, nut-sweet flavor of Post's Grape-Nuts Flakes."

"And you should see my family tear into the day's activities on that good nourishment Grape-Nuts Flakes give them: carbohydrates for energy; protein for muscle; phosphorus for teeth and bones; iron for the blood; and other food essentials."

"Um... may I step in for a bowl-ful?"

"Certainly—and I want you to try the simply grand muffins I've just finished making from one of the recipes on the Grape-Nuts Flakes package!"

THE BAPTIST CHURCH

The service of morning worship at the Charlottetown Baptist Church was conducted by the Rev. E.J. Barras of the Kingside Baptist Church with sermon based on the words of Saint Matthew chapter 26, verse 27 and He took the cup and gave thanks. It is the scene of the first celebration of the Lord's Supper, Whichever and wherever we so gather, Jesus is the unseen Host as in his name we gather in loving memory. The Christian's faith is to be judged by the time, when we give thanks. There are moments when it is easy to say "bless the Lord, oh my soul". Easy when the sun shines from a cloudless sky, when all goes well. There are periods when it is hard to give thanks. He took the cup of loneliness, alone he faced that rendezvous with death, the first celebration of the Lord's Supper, Whichever and wherever we so gather, Jesus is the unseen Host as in his name we gather in loving memory.
