

# ANOTHER PERMANENT CURE.

THIS TIME OF A  
**RUNNING SORE.**

**B. B. B. Cures Mr. D. Burch of Renton, Ont., of a Bad Sore on the Leg in 1892.**

**IT HAS NEVER BROKEN OUT SINCE.**

Look around you and see if you can find any other remedy with such a record of permanent cures to its credit as Burdock Blood Bitters.

Not a little patient found mending up of the system to last a short time, but a thorough renovation, whereby disease is uprooted completely and health permanently restored.

Take the case of Chronic Sores of all kinds, which every one knows are hard to heal with ordinary remedies.

To make a thorough and permanent cure the blood must be cleansed so that pure nutritious blood shall be supplied to the affected part and supplant the decaying tissues with healthy flesh.

Sores or ulcers, no matter how large or how long standing, heal up readily when Burdock Blood Bitters is applied externally and taken internally according to directions.

The statements of Mr. D. Burch of Renton, Ont., given below, prove this, and again establish the claim made for B. B. B. that it is the greatest remedy in existence for not only giving temporary relief, but making permanent cures.

This is the letter written by him, dated February 6th, 1894:

"In the year 1888 I was taken ill with Typhoid Fever. When I had recovered from the fever I got what the doctors called Phlebitis, which left my ankles a very dusky color, and my leg

was swollen to the knee all the time until the spring of 1892 when it broke out half way between my knee and the ankle joint.

"I went to the doctors and they prescribed for me but to no effect. I quit taking any medicine for a while when I was persuaded by some friends to try Burdock Blood Bitters.

"I had not much faith that it would do me any good, but after using it for three days I could see that my leg had started to heal up.

"I kept on using the B. B. B. until I had taken five bottles in all, when my leg was healed up completely, and as sound as ever it was. If any one wants more particulars let them write to me enclosing a three-cent stamp for return postage and I will gladly answer them."

(Sgd.) D. BURCH.

The following letter, written June 30th, 1898, shows how permanent the cure made in 1892 has been:

"Burdock Blood Bitters, made a permanent cure in my case and I have the greatest regard for that remedy. It healed the sore on my leg in 1892 after doctors failed, and there has been no sign of it breaking out since.

"I never fail to recommend B. B. B. to persons suffering from any similar trouble and believe it to be the best remedy for purifying the blood. If there is any way I can be of service in making known the merits of B. B. B. I shall only be too pleased to do so."

(Sgd.) D. BURCH.

OVERHEARD ON THE STREET. Are those storm drums any good? I don't believe they are worth their keep. We had worse storms since they started them than we had before.

MR. WILLIAM CLOW, of this town, while returning home from a meeting in the S. A. Barracks last Sunday stepped on the rail track and fell, breaking four of his ribs. He was assisted home where he received medical attendance and is now improving.

STRAWBERRY BLOSSOMS.—Mr. P. Hamill of this town picked up a number of strawberry blossoms on the farm of Peter Doyle, Lot 7, yesterday, the 17th, and is exhibiting them to his friends. The blossoms are fully formed and healthy looking, and are another evidence of the mildness of P. E. Island autumn weather.

THE GUARDIAN Correspondent had a pleasant call yesterday from Mr. H. C. MacMillan, Government Engineer, who was here on an important tour. Yesterday forenoon he inspected Wilmot Bridge which has recently been completed, and pronounced it a first class piece of work in every particular. He says the work has been done in strict accordance with the plans and specification and to his entire satisfaction. Mr. Lamont, the veteran contractor, has added another leaf to his laurels in doing honest and faithful work. This bridge is now in a very much better condition than ever before, which must be very gratifying not only to the contractor but to inspector John B. Curtis.

THE home of John Walker Esq., of Freetown, was the scene of a quiet but pretty wedding, on Wednesday evening, Oct. 12th, when Fred Jardine, of Clifton, New London, and Ella Walker were united in marriage, by Rev. R. S. Whidden. The bride was prettily and tastefully attired in a dark green suit, trimmed with white satin. The duties of bridesmaid were gracefully performed by Miss Annie Jardine, sister of the groom, while Mr. John S. Walker, brother of the bride, supported the groom. After a sumptuous repast the bridal party drove to the home of the groom. Mr. Jardine is one of Clifton's young and enterprising citizens and to him and his lovely bride we extend most hearty congratulations.

# BACKACHES

BEING BANISHED FROM OTTAWA.

## Doan's Kidney Pills Doing it

Few people stop to consider what an aching, paining, lame back means,—fail to recognize that it is the kidneys beneath the back that are the source of the trouble. The pain in the back is simply the kidneys crying for help. Will you go to them with the right remedy?

Doan's Kidney Pills are the right remedy. They have cured hundreds of aching backs in Ottawa; have cured thousands of cases of severe kidney disease throughout the Dominion.

Many people are coming forward and speaking a good word for Doan's Kidney Pills. One of these is Mr. Andrew Malerary, 584 Le-gar Street, Ottawa.

He said that for five years he had been greatly troubled with severe pains across his back and hot flashes extending up between his shoulders and over his body, when he stopped he could not straighten up again without pain intense over his kidneys.

"I saw Doan's Kidney Pills favorably mentioned," said he, "and got a box as the drug store, and must say that I experienced relief from the first few doses. I continued to improve right along, and am now free from pain of any kind, and feel quite restored to my usual health."

Doan's Kidney Pills are without any question the most popular and effective kidney medicine in the world. Bright's Disease, Diabetes, Dropsy, Backache, Gravel, Sediment in the Urine, Headache, Dizziness, Rheumatism, Lumbago, and all kidney and urinary troubles, vanish before them as mist before the morning sun.

Sold by all druggists at 50c. a box or three boxes for 1.25, or sent by mail on receipt of price. The Doan Kidney Pill Co., Toronto, Ont.

## KLONDIKE BAR

Important Announcement GREAT INTEREST TO FARMERS.

THE management of the Charlottetown Soap Works, announce to the farmers of Prince Edward Island, that they have purchased at a very low figure for a term of years all the grease by-product of the Charlottetown Pork Packing Factory, accumulating from time to time, and are in a position to supply farmers and others with a cheap soap far superior in quality to the home-made article, and at a price so low as to make it scarcely worth while to worry about soap supplies hereafter.

KLONDIKE BAR will be for sale in a few days by all dealers at the low price of ten cents a bar of three pounds.

"THINK OF IT—A first-class laundry and scouring soap only 10 cents for 3 lbs." It will be a waste of time and money for farmers to bother about soap making now. The grease he has sold to the Pork Factory for 5 cents per lb. will be returned to him, and manufactured into a first-class article of soap at a cost of a fraction over 2c per lb.

JAS. D. LAFORNE & CO. Ask your dealer for Klondike Bar, and take no other. Charlottetown P.E.
