**Changing Order Causes Unrest In Young People**  
Canadian youth had the blood and the spirit of pioneer forefathers without the work and thrill of conquest over natural obstacles. Mr. H. S. Hosking, general secretary of the National Council, Y. M. C. A., declared at an address at the Canadian National Hotel last night. Appointed to the position in September last Mr. Hosking, who was formerly assistant judge of the family relations court at Toronto is just completing a tour of Canada calling at all local associations.

Because of the restriction of young people due to changes in the economic situation there was more need than ever before for the work of the Y. M. C. A., the speaker believed. The "Y" had pioneered in many fields, adult education, boys work with the latest development being the work of the economic council in Ontario.

Dr. J. A. Clark, president of the local association presided at last night's session at the Canadian National Hotel. Attending the meeting were members of the Y. M. C. A. council, together with representative citizens of the city.

Earlier in the evening Mr. Hosking addressed a supper meeting at the "Y" under the auspices of the Y's Men's Club. Members of the H. Y. Grads and Y. Nots Club also attended.

Mr. Hosking leaves today for Saint John, N. B. Later he will go on to Halifax before returning to Toronto.

forcibly to our attention that in addition to quantity, in scouting, we should pay more attention to quality, for it is only by raising our standards that we may be able to keep pace with the interests of the boys.

Later in his address Mr. Murray declared: "We have been fortunate indeed in this Province in having such men as our Patron, Lt. Governor DeBlols, our Honorary President Premier Campbell and Dr. MacMillan, honorary president during the 'B. P. O.' Campaign four years ago as members of our executive, all of whom take an active interest in the Scout Movement. We trust that as time goes on the public will become more and more of a mind to keep pace with the interests of the boys."

Reference was made, too, to the camps held in this connection a most successful year was reported. Here was held the first Provincial Jamboree, on the occasion of the dedication of Camp Buchanan on July 1. In my report I appealed for volunteer leaders." Mr. Morris said. "We met with fair response and I, again, repeat that those of you who would like to know more about Scouting can be supplied with courses and literature. It is most apparent that we keep our boys on the road to clean living, self reliance and love for God and Country."

"Scouting has and can supply those fundamental spiritual values, so necessary for our boys and citizens of tomorrow. The turmoil in Europe today has disturbed the Scout Movement in several Nations where wonderful happiness and peace is lost."

"Before closing, I wish to express my regrets in the departure of our Energetic President, Mr. L. D. Murray. In expressing this regret, I feel that I am voicing the sentiments of every Cub Scout, Rover Leader and Members of the Executive in this Province. Many know of the wonderful work Mr. Murray accomplished during the years he steered our Movement, but the actual workers know far more of the things he accomplished for Scouting. Mostly every day he devoted several hours to the Movement and we are losing a great Scout leader. We therefore, wish our President every success and to Mrs. Murray and her two Scouting sons, we extend our congratulations and hope they will be with us in spirit for many years to come. Commissioner Morris declared:

The financial statement was presented by Secretary Treasurer Gordon Hyde.

Presents "Thank Badge" Presentation of the "Thank Badge" to retiring President Murray, which culminated the meeting, was made by vice-president K. M. Martin. Just prior to that the new president was welcomed to the chair by Mr. Murray after the presentation all present sang with feeling "For He's a Jolly Good Fellow."

Regrets were read from His Honour Governor DeBlols, Premier Campbell, and a number of private citizens that owing to prior engagements they were unable to attend the dinner.
