What Sulphur Does

For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall.

THE SUNDAY SCHOOL.

LESSON II, FIRST QUARTER, INTERNATIONAL SERIES, JAN. 2.

Text of the lesson, John 1, 19-24. Memory Verses, 26, 27—Golden Text, John 1, 29—Commentary Prepared by Rev. D. M. Stearns.

Let us never forget the reason why this gospel was written. "That ye might believe that Jesus is the Christ, the Son of God, and that, believing, ye might have life through His name."

The Lord had said to Moses, "I will raise them up a prophet from among their brethren like unto thee, and will put my words in His mouth."

When the messengers from the Pharisees asked him for his authority to baptize he again referred them to Him who sent him, saying, "There standeth one among you whom ye know not, whose shoe's latchet I am not worthy to unloose."

The great questions are: How can sin be put away? How can sins be forgiven? How can a sinner be justified before God?

WANTED—A case of headache that Kunfort Headache Powders will not cure ten minutes.

1,800,000 People

Have Asked Us to Buy Them a 50c. Bottle of Ligozone.

We offer to buy the first bottle of Ligozone, and give it free to each sick one who asks it. And we have spent over one million dollars to announce and fulfill this offer.

Not Medicine.

Ligozone is not made by compounding drugs, nor is there alcohol in it. Its virtues are derived solely from gas—largely oxygen gas—by a process requiring immense apparatus and skill.

There lies the great value of Ligozone. It is the only way known to kill germs in the body without killing the tissues, too. Any drug that kills germs is a poison, and it cannot be taken internally.

Germ Diseases.

These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain.

The result is a liquid that does what oxygen does. It is a nerve food and blood food—the most helpful thing in the world to you. Its effects are exhilarating, strengthening, purifying. Yet it is a germicide so certain that we publish on every bottle an offer of \$1,000 for a disease germ that it cannot kill.

Foreign-Gall Stones, Kidney-Disease, Rheumatism, Gout, etc.

50c. Bottle Free.

If you need Ligozone, and have never tried it, please send us this coupon. We will then mail you an order on a local druggist for a full-size bottle, and we will pay the druggist ourselves for it.

CUT OUT THIS COUPON

For this offer may not appear again. Fill out the blanks and mail into the Liquid Oxygen Co., 418-64 Wabash Ave., Chicago.
