DON'T SCOLD. MOTHER! THE CROSS CHILD IS BILIOUS, FEVERISH

Look at tongue! If coated, clean little stomach, liver, bowels.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

MISER WIFE HID MONEY WRAPPED IN TINY PARCELS

NEW YORK, Dec. 2.—Gold, silver, nickel, copper and paper money is being found in a seemingly unlimited quantity by Ike Lapine, No. 711 Harrison Street, Kansas City, who is cleaning house for the first time in three years, says the Kansas City Star. Mr. Lapine's wife, Sophia, has been a miser, and a successful one, without Lapine's knowledge for three years and has accumulated thousands of dollars.

The finding came about through complaint of neighbors and other occupants of the three-story apartment house in which the Lapines occupy the third floor. The complaint was made to the fire warden that the Lapine apartment was a fire trap. On investigation it was found that the floor of the four rooms was covered with paper and dirt for a depth of from one foot to three feet. Mrs. Lapine was taken into custody at the fire warden's request, and is now in the General Hospital.

Mr. Lapie conducts a grocery store at No. 807 East Twelfth street. His wife, according to his story, has always told people she was refused money by him and dressed in rags to lend truth to her story. At the same time she continually asked for money, which was given to her, but continued to have nothing left.

According to Mr. Laping, his wife refused to cook a meal, clean the house or even allow him to hire some one to do so. For three years, he says, he has slept in a chair rather than lie on the bed, where dirt and cobwebs have accumulated.

After she was taken away Mr. Lapine went home and began the house cleaning.

From the very start he began to find moey in all denominations, each piece wrapped in a slip of brown paper with a record of how she obtained it and the date. The little bundles of money were found everywhere, stuck in vases, under the carpets, in packages of garbage, in pockets of old and new clothing, and hundreds of them seemingly were dropped into the litter of paper that covered the floor.

An accurate count of the amount found could not be made until the hunt is completed, but a half galon of small pieces of silver, dollars and gold pieces have been found and a large bundle of currency, including several $100 bills.

Some of the records wrapped with the money are:

"The five dollars gold piece wot Ike gave me Thurs. 25 Dec.

"The 2 dollar wot Ike give me Frid. June 6 it was in hall on post till evening same day.

"I took the 10 dollar from him Wen May 12, 1915.

"The 25 cents wot I took from the little sack wot Ike left Son morning Dec. 14."

In justice to Mr. Lapine, the array of fine clothing found yet unworn bears testimony to his treatment of his wife.

::A PILL THAT IS PRIZED.— There have been many pills put upon the market and pressed upon public attention, but none has endured so long or met with so much favor as Parmelee's Vegetable Pills. Widespread use of them has attested their great value, and they need no further advertisement than this. Having firmly established themselves in public esteem, they now rank without a peer in the list of standard vegetable preparations.
