T. M. and Mrs. Howatt, of Coleman, have the sympathy of many friends in the death of their infant son, J. McDougall, aged four months, on Wednesday last from whooping cough after a short illness. The body was interred in Cape Traverse Cemetery on Friday last. This death within two months of the death of two other children makes the bereavement particularly sad. Four children still survive.

A meeting of the Prince Co. branch of the Fish and Game Association was held at Summerside Saturday. John Richards, president, reviewed the work of the Association, and showed that although it had been organized but a short time it had accomplished much good. A proposal to increase the efficiency of the Act caused some discussion among those present. Secretary Carboneau who was present explained the proposed changes. After the meeting the members renewed their subscriptions. New members, desirous of joining, may give their names to B. W. Tanton, Secy for Prince Co.

Notwithstanding the bad state of the roads and weather the Sunday school of the Methodist church, Kensington, gave a very successful Children's Xmas concert on Friday evening, the 28th. Miss Bentley was presented with a purse in recognition of her services as organist, which was only a slight token of what she deserves.

GREAT SPECIALISTS IN STOMACH CATARRH.

Though often they fail to give even temporary relief, Mr. W. Seymour of Huntsville, Ont., cured himself with Ferrazone. "My trouble," he says "was chronic catarrh of the stomach. There was constant bad taste in my mouth, I was constipated and usually nauseated before and after meals. I also had a quivering sensation in the stomach. Ferrazone gave me great relief, and I also used Calabar rhizome which is good for catarrh. Although it took a number of boxes of Ferrazone, I got back my health and today am quite well." For stomach catarrh, indigestion and kindred disorders nothing equals Ferrazone. In a thousand cases it has proved a wonderful success. Try it yourself, 50c per box at all dealers.
