Offices in New Prowse Block—Charlottetown

The Ontario elections are to be held on June 9th.

The attention of Guardian readers is drawn to ad of Liberal Convention for the Gardigan District.

The Victoria hockey teams are having a large composite group made by Bayer, photographer.

Any girl desiring to learn ad and news setting should apply at this office at once. A good chance for the right girl.

Two of the prices in the dress goods section of Moore & McLeod's ad yesterday morning were incorrect. They appear corrected today and should be rechecked in the latest in dress materials.

Henry Duncan has sold his valuable farm in the Royalty, Charlottetown, to A. McRae, Brookfield, and intends leaving for Alberta as soon as he has a sale to dispose of his stock, crop, etc. etc. Ad will appear later.

United Evangelistic services will be held in the Presbyterian and Methodist Churches at Freetown commencing Monday evening 6th inst. at 7.30. The first service will be held in the Methodist Church. The Pastors of both churches will be present at each service.

The Frederick Harris Company 89 Newman Street, Oxford Street, W. London, England, have the Guardian's thanks for a new and exceptionally sweet piece of music entitled "When We're Together." The words are by Clifton Bingham, and the music by Emerson James with violin accompaniment. Seldom if ever has the writer listened to so pleasing a selection.

General Superintendent Downie and W. B. Howard, of the C.P.R., St. John, have gone to Montreal to attend a summer time schedule meeting. It is likely an arrangement will be made whereby passengers leaving St. John on the Boston train in the morning can transfer at Mattawamkeag and get through to Montreal in the evening. The new trains built for the St. John Boston service will be put on this year.

The following will be of general interest to hockey players in this Province. Fredericton is determined to be in line with its hockey team next season whether there is a residence rule in force in the N.E. St. Fredericton has taken a leaf out of Moncton's book and will try to domicile its collection of hockey talent just as did the railway town. It is also understood that Gregory, late of the Vics, is about to change his residence so as to be in line up with his former team-mates of New Glasgow. It is possible that Gregory will work with the New Brunswick Telephone Co. in and about Fredericton. Congenial occupations are to be found for the other members of the Caps who may be seen representing Fredericton in lines of sports other than hockey. Roller polo for the summer is mentioned.

A lengthy letter, headed "Canada's Second National Policy," appears in a recent issue of the Morning Chronicle. The letter is a sane and effective criticism of the now famous address delivered before the Canadian Club at Halifax by J. S. Ewart, K. C. of Ottawa. The letter is worthy of perusal by all persons interested in the "national" problems and status, and is the best in the east to the large number of Dalhousians in Sydney, as the writer E. Fraser, is a recent Dalhousie graduate. Mr. Fraser received his B. A. in 1906, and is now at Harvard, presumably at the Law School there. During his course at Dalhousie Mr. Fraser held the position of pursuer on the cable steamer McKay-Bennett. He was therefore obliged to spread his arts course over five or six years. He belongs to P. E. Island.

A gloom has been cast over Kars, King's County, N.B., by the death of Mrs. Alvia T. Morrell, who died on March 25 at the age of thirty-one years. She had been in poor health for the last two months, but nothing serious was anticipated. Medical aid was procured, and she seemed much better, but during the last two days all efforts proved unavailing. Mrs. Morrell was formerly Miss Kate Griffiths of St. John. She leaves a sorrowing husband, one son, a bright little fellow of five years, three sisters, three brothers and a very large circle of relatives and friends to mourn their sad loss. The sisters are Mrs. George S. Dorman of Charlottetown, Mrs. Stephen Morrell of North End and Mrs. George Sealy of Dalhousie. The brothers are William, Thomas and George, all in Massachusetts. Mrs. Morrell was a prominent member of the Baptist church and always a ready and willing worker in all that was for the benefit and good of the community in general. All feel her loss very keenly.

E. J. Duffy has returned to this City from Moncton.

There were fifty passengers to this City by the Stanley yesterday.

Rev. Jas. McDougall will preach at Cape Traverse on Sabbath the 5th at 11 and 7.

Any hotel keeper desiring a girl or general housework can learn of same by applying at Guardian office.

The Wesleyan contains an obituary notice of the late Mrs. Thomas Ayers of Cape Traverse written by the Rev. G. Steele.

Revs. W. W. Lodge, of St. Andrew's, and G. M. Young, of St. Stephen, exchanged pulpits recently and both were highly appreciated.

Mrs. (Judge) Sullivan, Brighton and Miss Sullivan, who spent the winter in Vancouver arrived home by the Stanley yesterday.

The Guardian is pleased to hear of the great improvement in G. D. Longworth's health. Mr. Longworth was out for a drive yesterday.

The warmest yesterday was 19 degrees above zero and the coldest previous night was 18 above. At nine yesterday morning it was 25 above and at nine last evening 21 above.

The Lord's Day Advocates, for March, has photo-cuts of Revs. Dr. Chouven and Geo. Steel, President of the P. E. I. Lord's Day Alliance, and of Robert Reid, Treasurer of the N. B. Alliance.

Advices from Shelburne says the assel (which is to take the place of the City of London) is rapidly approaching completion, being all planked, caulked, ceiled and will probably be launched about the 20th inst.

The premises of John Hughes, Water Street, were raided yesterday by the police officers and 14 bottles of rum and five bottles of whiskey were found in the safe and on top, some of which was taken for analysis.

Geo. H. Cooke is now working on a large composite group of the members of the Local Legislature now in session, which, when completed, will be an artistic piece of workmanship, such as always comes from this studio.

Under the heading of mission receipts in the Wesleyan are the following amounts from P. E. Island are acknowledged: O'Leary, Per Rev. H. Miller, \$15; Souris, Per Rev. W. E. Johnson, \$38; First Methodist church, Per Rev. H. E. Thomas, \$37.20.

Mr. Agnew, who has been visiting A. W. and Mrs. Ferguson, Pictou started for his home in Scotland, via Halifax, on Friday last. He will likely return during the summer, as he wants to have an idea of the locality of Pictou and P. E. Island at that season.

Revs. Charles Hudson and D. R. Chouven will exchange pulpits on Sunday afternoon next at 2.30 o'clock. Mr. Hudson will preach at Millville in the interest of the missionary work of the church. The offering will be for the missionary fund. Mr. Chow'n will preach at Cherry Valley.

Dealers in this Province, who want to learn something of their advanced ready-to-wear clothing, should write to L. A. Neelands, Brunswick Hotel, Moncton, (N.B.)

Advertisers are again reminded that their "business local" as well as their "changes" must be received at this office not later than one o'clock sharp of each week day, exclusive of statutory holidays, to insure insertion in next issue. All received later than the above hours will appear when they do not interfere with the setting in type of the regular news of the day.
