TRAIN FOR BUSINESS

Most men train their brains and almost entirely neglect their bodies. They do not seem to realize that keenness of judgment and clearness of thought depend as much on the body as on the brain itself. Any man can prove this to his own satisfaction by attempting to decide a weighty business problem while suffering with an acute attack of indigestion or a violent spell of biliousness.

The amount of work that the brain can do depends much on the healthfulness of liver, bowels, kidneys and skin.

"Fruit-a-tives" are fruit juices in tablet form. They act directly on liver, bowels, kidneys and skin—and enable these vital organs to rid the system of all impurities. Thus the blood will be kept pure and rich, the brain active, digestion sound, and life made pleasant.

"Fruit-a-tives" are now put up in two sizes—the new 25c box as well as the regular 50c size. If your dealer does not carry them, write Fruit-a-tives Limited, Ottawa.

THE HINDOOS REFUSE TO LEAVE

VANCOUVER, Dec. 8—Following an exciting adventure with Tejah Singh and his Hindoo followers, yesterday afternoon, Harkin, the Federal Government's Commissioner, to arrange for the sending of the Hindoos to Honduras, has decided that his task is impossible. The Hindoos will not move from British Columbia.

Yesterday was set by Harkin for the explanation of the immigration scheme. Harkin repaired to the Hindoo Temple. He was informed that a service was proceeding in the holy of holies in an upper room.

The invitation to the inner temple was a trap laid for the Government Commissioner. If he agreed to it the Hindoos would immediately cable to India the news that the temple had been desecrated and with exaggerated details that the Canadian Government was trying to force the Hindoos into submission.

Harkin and the Committee declined to remove their shoes and did not enter the inner temple. Tejah Singh finally appeared in the basement, but declared that the Hindoos would never go to Honduras. He declined to hear the official report when Harkin attempted to explain.

Dr. Monroe insisted that the Government representative should not be treated rudely. "Stop, stop," he shouted, pressing his hand against Tejah Singh's face. Instantly there was a rush. The Sikhs present crowded around Munroe with upraised hands and cried:—"We have no fear; we are not afraid."

No blow was struck but the situation was very tense. This incident broke up the meeting.

Grand Historical Pageant Picturing and the Discovering and Founding of Quebec.

Those who have not had the privilege of witnessing the great Tercentenary Pageant at Quebec last summer can come to the Unique this evening and see the celebration on canvas just as it was presented in Quebec on June 1st last beginning with the discoveries of the Indian village of Stadacona by Champlain.

This is one of the most beautiful pictures ever thrown on canvas.

Just Plain Folks is an interesting picture full of heart interest.

BORDEN CALLS A PARTY CONFERENCE

TORONTO, Dec. 7—The World prints the following Ottawa special:—

"It is understood that R. L. Borden will issue a circular letter to the Conservative members-elect of the new parliament, asking them to decide as to the leadership.

"It is also stated that he will not appear in the house until this matter has been passed upon by the party.

"It is not likely that anyone will oppose Mr. Borden, but there may be an effort made to postpone any action until the second session of the new parliament, so as to enable the Conservative members to consult their constituents before taking a vote."

GERMANY AND JAPAN AFTER AN AGREEMENT.

LONDON, Dec.—The Morning Post Shanghai correspondent says that the Chinese Foreign Board has learned that Germany and Japan purpose to conclude an agreement relating to the Far East. The Morning Post, which is a pro-Japanese paper, suggests editorially that the report of its Shang Hai correspondent be accepted with caution. It holds, however, that it is not unlikely that Japan should desire to conclude an agreement with Germany.
