

Virgin Castile Soap

The real French article, not the so-called Castile made in Canada is what I sell. It gives that nice creamy lather which leaves such a feeling of cleanliness and refreshment. It costs same as cheaper grades. 15c. per lb.

Betty Botter's Batter.
Betty Botter bought some butter,
"But," she said, "this butter's bitter.
If I put it in my batter,
It will make the batter bitter,
But a bit of better butter
Will make my batter better."
So she bought a bit of better
Better than the bitter butter,
And made her batter better,
So 'twas better Betty Botter
Bought a bit of better butter.

A Successful Player.
Minnie—Myrtila is really and truly our champion golfer.
Mabel—Nonsense!
Minnie—Oh, yes, she is. She has never yet made a round of the links without getting a proposal.

Waste.
Full many a flower is born to blush unseen
And waste its fragrance on the desert air.
Full many a table stands unused but veined
The meals because they don't play ping-pong there.

Evidence of a Sensitive Ear.
"Your daughter's taste in music is improving perceptibly," said the professor.
"I think it must be," answered Mr. Biggins. "She doesn't try to play nearly as much as she did."

A Summer Idyl.
Said the skater, "That girl's arm so white is
I wonder how potent my bite is."
So he bit the poor maid
Till she grew quite afraid
That she had tendynostynia.

Unselfish.
"Jimmie—That little Willie Smith next door has a awful kind heart.
Mother—Why?
Jimmie—Coz he let me mow all the grass on their lawn this mornin'."

Genuine Tragedy.
An actress with a repertoire
Of comic roles once up and soire
That she'd go in for tragedy,
And so she did, for shortly she
Was forced to pawn the gems she wore.

Encouraging.
"My heart," he said, "is in this work."
"Good," she replied. "Now, if somebody would put some brains in it we might look for results."

So Lowly, but So Great.
A humble tailor death had caught
Within his clutches grim,
Yet by his grave we stood and thought
How much we owed to him!

Pingpong Habit.
Mrs. Handout—Will you saw some wood?
Frayed Fagin—Sorry, mum, but I've got the pingpong wrist, and me physician says I need absolute rest.

Summer.
In these fair days the poet spies
The summer miss, the seaside fairy,
And to his home he quickly hies
To seize his rhyming dictionary.

Race to the Swift.
Manhattan—I saw two automobiles in a smashup this morning.
Broadway—How did it happen?
Manhattan—They both tried to run down the same child.

Skeptical.
They say this earth is cooling off,
And science tells us why,
And yet we are disposed to scoff
As we approach July.

Well, Rather!
"Good morning, Mr. Jonah!" remarked the whale affably. "How do you feel this morning?"
"Rather down in the mouth," replied Jonah.

Vacation.
Vacation time will soon be here
And hearts be glad once more,
When scholars will forget the things
They learned a month before.

Used to It.
He—Did it hurt much to have your ears pierced?
She—Oh, no. They have been bored so much that they didn't mind it.

WANTED—A case of headache that KUMFORT Powders will not cure, from ten to twenty minutes.

A Strained Position.
The fellow who wants to hold office
In quite a dilemma is found:
He can't keep his nose to the grindstone
And also his ear to the ground.

Wise, Oh, Wise!
She—He has a bright future before him.
He—I doubt if he ever catches up to it.

Man's Way.
He swiftly gulps his coffee down
And bolts a piece of pie
He gets the indigestion
And says he wonders why.

A Warm Disposition.
"She shines in society, they say."
"Yes, and she blazes at home, I'm informed."

More About Mary.
Mary had a little nose
That turned up at the point,
But a little baby brother came
And put it out of joint.

The House Described.
"Is your house a Queen Anne?"
"In front; Mary Ann at the back."

Anxiety.
The latest query everywhere,
As hurried by the plain and fair,
If one be truly up to date,
Is, "Is my coronet on straight?"

FOUR YOUNG STOWAWAYS.
New York, July 28—On board the White Star line steamer "Cevic," which arrived last night from Liverpool, were four small boy stowaways, their ages ranging from nine to 13 years. The boys stole on board the steamer at Liverpool, unlaced a cover of one of the life boats, crawled in and replaced the cover. On the fourth day out they were obliged by their captives to show themselves.

Uncommon Colds.

"It is just a common cold," people say, "there's no danger in that." Admitting their statement, then there are uncommon colds, colds which are dangerous; for many a fatal sickness begins with a cold. If we could tell the common cold from the uncommon we could feel quite safe. But we can't. The uncommon variety is rarely recognized until it has fastened its hold on the lungs, and there are symptoms of consumption.

Dr. Pierce's Golden Medical Discovery cures coughs, bronchitis, "weak" lungs and other diseases of the organs of respiration. It increases the supply of pure, rich blood and builds up the emaciated body.

"I took a severe cold which settled in my chest," writes Rev. Frank Hay of Northville, Jackson Co., Kansas. After trying medicines labeled "Sure Cure" almost without number, I was led to try Dr. Pierce's Golden Medical Discovery. I took two bottles and was cured, and have stayed cured. When I think of the great pain I had to endure, and the terrible cough I had, it seems almost a miracle that I was so soon relieved. That God may spare you many years and abundantly bless you is the prayer of your grateful friend.

If you ask your dealer for "Golden Medical Discovery" because you have confidence in its cures, do not allow yourself to be switched off to a medicine claimed to be "just as good," but which you did not ask for and of which you know nothing.
Dr. Pierce's Pleasant Pellets cure dizziness and sick headache.

The Grand Annual Gathering of the Clans of P. E. Island, under the auspices of the Caledonia Club, will be held at

SUMMERSIDE

—ON THE—
Grounds of the Driving Park Association.

Wednesday, Aug. 20th, '02

The programme offers a day of rare enjoyment to all lovers of athletic games. The national games of Scotland will provide an affording occasion for a grand exhibition of strength and agility. There will be hammer throwing, running, jumping, vaulting and dancing, and the games will be witnessed by "banter and pageant, life and drum." Further will come grey-haired sires and brightly youths "noble dames and damsels bright." From the east and west, from the north and south, the sons of the Heather will assemble. They will for-gather in plaid and bonnet, in kilt and filibeg, with tartan flowing and pipers blowing. It will be the occasion of a grand re-union of the sons of old Scotia and their descendants. With generous cash and other valuable prizes as rewards to the successful competitors, and with the "pipewick's" wild melody sounding, who will deny that competition will be keen and that enthusiasm will run high on such a day.
