SUFFERED EIGHT YEARS FROM KIDNEYS

Doctor's said Female Trouble.

Mrs. Charles Lewis, Collingwood, Ont., writes: "For eight years I suffered from Kidney Complaint, and until twelve months ago doctors said I was suffering from 'Female Trouble.' Last November (1905), I was seriously ill, and taking I believe from kidney trouble. Finding doctor's medicine doing me no good I persuaded my husband to purchase me a box of Doan's Kidney Pills, after having read a case somewhat resembling mine. I soon found taking them according to directions (not taking the doctor's medicine), and in second day a swelling commenced in my feet, legs and body. The following day I was so changed and swollen my husband in alarm, hastened to Mr. Johnson's drug store, who told him to tell me he thought the pills were drawing something out of the blood, and to keep on taking them. I did so and after taking them a week this swelling disappeared leaving me with a complexion free from pimples, tired, weary feeling gone, constipation, from which I suffered for years, gone, pain in the back, gone, and a general feeling of joy and light heartedness, I have not felt since a child, took place in me.

My sister in law (Mrs. Bryan), seeing the action of Doan's Kidney Pills, and the change for good they accomplished in me, sent for a box and they completely cured her. When there is an opportunity of telling people what Doan's Kidney Pills did for us, we always take advantage of it, and tell them to give them a fair trial."

Doan's Kidney Pills are 50c. per box or 3 boxes for $1.25, for sale at all dealers or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

CARTERS HASZARD'S IMPROVED Weight 25 lbs.

Turnips!

The accompanying illustration is a genuine photograph of a specimen of Carters' "Haszard's Improved" Turnip grown from Seed purchased at our Seed Store by James Farquharson, Eq., Southport, and grown in his field together with many other Turnips of same variety nearly as large. Four other turnips weighed 92½ lbs. combined. We have no hesitation in saying that this Turnip weighing as it did 25 pounds is the heaviest Turnip of the Swede variety at least grown in the Maritime Provinces, [or perhaps in Canada.] Don't experiment with cheap so-called Haszard's Improved sold by foreign Seedsmen. They haven't got the genuine ' they can't get it." Our stock is grown annually for us from selected roots. We have sole control for the genuine Carters' Haszard's Improved Turnip Seed. Sold only in sealed packages. Price 30 cents per pound.

EDITOR'S MAIL.

MURRAY HARBOR TRAIN SERVICE.

DEAR SIR:—I am glad to see that "One of the Sufferers" has entered his protest against the altogether inadequate and unsatisfactory train service on this branch of the Island railway.

Why should this section of the road be so unfair discriminated against? The present service constitutes a real grievance to every person who travels on this branch whether his errand is one of business or pleasure. According to the present summer arrangements, a person may leave any station East of Charlottetown, say Souris, and after travelling over nearly 103 miles reaches Summerside at 9.55, a. m., but the passenger from Murray Harbor travels only 48 miles and reaches Charlottetown at 10.05, a. m.—and indeed he is fortunate if he gets there before 11, a. m.

Your correspondent has pointed out the fact that one desiring to leave the Island by either the Pt. Du Chene or Pictou routes must remain in the City over night, but this is only a part of the story. The same person when he return must remain another night and nearly the whole day following, in the City before he can finish his journey homeward. Thus we see that he loses two days and two nights in Charlottetown in order to make a return trip to either Halifax or St. John.

But the loss of time is not the only consideration; there is also the extra expense involved which many persons can ill afford. Besides, the shopper from the East arrives in the city at 8.20, a. m., and leaves at 3 30, p. m., on express trains, giving him over 7 hours in the city, but the shopper from the South arrives in the city at 10 05, a. m., and leaves at 3.20, p. m., giving him only 5½ hours in the city, that is providing his mixed train arrives on time. Surely Mr. Editor, these disabilitis should be remedied, and remedied without delay.

ANOTHER SUFFERER.

NERVOUS?

Do You Brood? Have Morbid Fears? Toss In Your Sleep?

Your Physical Condition is Below Par and Must be Built up. Try Ferrozone.

All the vital activities of the body are quickened into new vigor by Ferrozone which contains all the constituents necessary to make nerve strength.

Its first action is upon digestion.

It stimulates the secretion of gastric juice, ensures perfect digestion and prepares the food so as to be easily assimulated.

Thus everything you eat is converted into nourishment that enriches the blood and lends new strength to the nerves.

By Ferrozone the mind is relieved of those brooding tendencies, of morbid unnatural fears, of unwillingness to concentrate attention on things that should be done.

Won't you try Ferrozone?

Won't you give it a chance to win you back to health; it will do it, just as it did for Mrs. Creighton Zinck of Palm St., Lunenburg, N.S., who says: "I want to give my experience with Ferrozone because I believe it will be of assistance to thousands of women who need it badly. I was very thin, run down in flesh and lacked color. My nerves were in a dreadful state. If anything fell I would jump and start. At night I would suddenly wake up, heart palpitating and all keyed up. Ferrozone went right to work. It restored my poise and balance, gave me self-control, cured my nervousness. Ferrozone increased my appetite and my weight came up so fast that I simply didn't need to use it any longer. Eight boxes cured me."

Why won't you use Ferrozone also, it certainly will do you good in many ways —sold by all druggists in 20c boxes.

WHAT IS A BLENDED FLOUR?

Cooking schools and cooking experts have never grown so enthusiastic over any other flour, as they have over blended flour. And the enthusiasm is well merited.

What is a Blended Flour, you ask?

It is a blend, adopted for some time by most millers, consisting of Ontario fall wheat (which is sown in the autumn and reaped in the late summer), and Manitoba spring wheat (sown in the spring and harvested in the fall). The first is mellowed, and given a rich consistency and fine flavor by remaining all winter in the ground, maturing slowly during the summer months. Up in the Northwest they have several hours more sunshine every day in the summer than comes to more southern fields, and wheat matures quickly into hard, flinty grain, containing a large percentage of gluten. These two wheats, when blended scientifically in just the right proportion, make the most nutritious, finely flavored and successful flour that can be obtained.

Blended Flour is unreservedly recommended by those learned in culinary mysteries for both bread and pastry.

There is no doubt that the Blended Flour is the perfect flour.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journa

A HARD CASE OVERCOME.

No longer necessary to suffer from muscular rheumatism. Every case can be cured. Ferrozone is unfailing as proved by David Johnston of Ormond Ont. 'My wife was a dreadful sufferer" he writes. "For two years she could scarcely do any work. Her knuckles and joints swelled, causing torture. To get up or down stairs was impossible. She took box after box of Ferrozone and rubbed the sore places with Nerviline. Improvement started and she mended fast. Today she is quite cured and we thank Ferrozone for her recovery." No remedy more popular with doctors than Ferrozone; it does cure, 50c. per box at all dealers.

OVERFLOW QUEEN'S COUNTY

The S. S. City of London plies on East River today and on West River tomorrow.

In the list of graduates from the Union Commercial College which appears in another column the name of Chester A. Martin, Mitchell River, should appear. It was inadvertently omitted.

Business men should remember that they can reach the country every day in the week except Sundays and statutory holidays by advertising in The Guardian's Rural Daily with a guaranteed average circulation for 1907 of at least four thousand per issue.

The marriage was quietly celebrated in this City last evening, at the home of the bride, Mt. Edward Road, of Miss Bella Shaw to Ernest Heartz, of Moore & McLeod's staff. The couple were unattended and after the ceremony which was performed by Rev. G. R. White drove to the home of the groom. The bride was the recipient of a splendid array of wedding presents. The friends of the groom in St. Paul's Sunday School of which he has been librarian for many years presented a case of silver spoons and a silver soup ladle. The groom is a prominent athlete and very popular in all circles and the many friends of the newly wedded couple wish them every joy.

The Kindergarten Hall last night was a scene of brightness, and crowded to the doors by an audience that assembled to participate in the closing exercises of the Union Commercial College. The abundant success which has attended the College in the past year was testified to by the graduates (the list of which is published in detail in another column). The following program was rendered with much success, the participants being encored and enthusiastically applauded: Opening Chorus—"Men of Harlech", Welsh Patriotic Song, College Girls; Reading, Miss R. Rattray., Vocal Solo, Miss Marion Trainor; Piano Solo, Miss Maude E. Waterman Vocal Solo—"Holy City, Master E. O'Toole; Exhibition of Touch Typewriting; the Misses MacKinnon, Trainor and McKenzie; Distribution of Medals, Prizes, Diplomas and Penmanship Certificates; Solo and Chorus—"Skye Boat Song," Miss E. Moran and U. C. C. Girls; Solo, Wm. Hogg; Reading C. H. Pruner, Drill, Students; God Save The King. Speeches were made by Principal Moran, Vice-Principal Pruner, Mayor Paton, American Consul Shirley, A. A. McLean, M. P., and J. E. B. McCready. The Hall was tastefully decorated and the occasion was a most enjoyable one.

LEND ASSISTANCE TO JAPANESE

SAN FRANCISCO, June 18.—United States District Attorney Delvin yesterday received from Attorney General Bonaparte a response to that which he sent containing a report on the riot through which a Japanese restaurant was damaged. It is reported, however, that he has been instructed to lend whatever assistance he can to the Japanese should either the Japanese government or the owners of the restaurant bring suit against the city or the State on account of damage done. In either case the suit would have to be brought in the federal court as the plaintiffs would be aliens.
