Sealed Air-tight Lead Packages

holds its Quality and Flavor longer than loose Tea. Besides, Red Rose Tea is better to begin with. It is a blend of strong Indian and flavory Ceylon Teas—the former assures generous strength, the latter that rare delicate flavor for which Red Rose Tea is famed.

Ask your grocer for the "Crimson Label" Red Rose Tea. If he hasn't it on hand he'll get it for any good customer. You'll find it a better, richer Tea—a Tea that will spend farther, make more cups of Tea and prove cheaper in the end than the Tea you have been using. The air-tight package keeps it pure and good.

Sold only in sealed packages.
