Outridge of Leclaire urged me to try MINARD'S LINIMENT, which I did with the most satisfactory results and to-day I am as well as ever in my life.

**CHARLOTTETOWN AND ELSEWHERE**

It pays to buy in this Province. (From Yesterday's Evening Guardian)

Walter Wood, Mt. Herbert, is loading produce at Pownall wharf.

Miss Lizzie McKinnon, Charlottetown, spent a very pleasant week at Hazelbrook, the guest of Miss Lillian Carver.

There will be service next Sunday at Hartney Hall at 7 p. m. Subject, If A Man die shall he live again.—Job, 14, 14.

A pamphlet dealing with the much discussed question of Church Union, written by Henry McKenzie, McKenzies Corner, Lot 48, has recently been issued for free distribution. Mr. McKenzie takes a broad view of the subject, contending that "the cords should be sufficiently lengthened to take in all believers before fastening the staples." He argues from the united early Christian Church, the oneness of the Christian family, children of a common Father and united in the bonds of filial love. Mr. McKenzie's observations on the subject will be read with interest by those who have given the subject of church union any thought.

The ambulance was out this morning to convey Ray Praught, Bishop street, Charlottetown, to the hospital to undergo an operation for appendicitis.

Senator Thompson left Fredericton last evening for Ottawa. Senator Yeo, of P. E. Island, who has been his guest for a few days accompanied him.—Exc.

The Black Diamond boats City of Sydney and Morwenna will make one more trip this year than was at first intended owing to the fact that there is such an enormous amount of freight to be handled at Montreal, Charlottetown, and Sydney for Newfoundland.—Sydney Record.

Edward Jay, son of John B. Jay, Fanning Brook, met with a bad accident a few days ago. He was cutting wood when the axe fell off the handle and struck him on the instep of the left foot cutting through toward the sole about two-thirds of the depth making a very ugly gash. The young fellow is doing as well as can be expected but will be laid up for a long while.

The coasting schooner Grand Master, owned by J. W. Kyte of this city, has been purchased by Capt. Grand of Miramichi. She loaded coal and sailed yesterday for P. E. Island. The Grand Master was one of the six schooners which went ashore in the harbor, during the big gale of Sept. 31, 1911. She was purchased by J. W. Kyte, hauled off the rocks, and repaired on the slips at North Sydney.—Sydney Exc.

About fifty of the friends of Rev. David Price and Mrs. Price met at the Middle Sackville parsonage on Wednesday to assist them in celebrating their 28th wedding anniversary. The ladies of the party came laden with well filled baskets and a pleasant evening with music and social intercourse was enjoyed. During the evening Deacon H. Read presented the former bride and groom with an address and a handsome Hall Lamp to which Mr. Price gratefully responded.—Sackville Exc. Rev. and Mrs. Price have many friends in this province.

Moncton fans will have the opportunity of witnessing a rattling good match this evening when Sam Anderson, World's Middleweight Champion, will try conclusions with one, John Kilonis, who has an excellent reputation and holds the International Middleweight Championship and the Lord Londsdale belt. Never before has a match created so much interest as the present bout and the fans are at fever heat. Although in all the previous matches, ever held here, numerous small bets have been placed they were nothing like the large bets which have been put up on this match. A local sport has wagered \$100 \$500 on Anderson while Kilonis has just as many followers. The Greek wrestler feels pretty confident, so much so that he bet \$200 on himself, which adds more interest. From the outlook at the time of going to press, it would seem that a record crowd will be in attendance. The management have arranged to start the bout at nine o'clock sharp as it promises to be a match of long duration, barring accidents.—Exc. Anderson is well known in Charlottetown.

"If every woman who has been benefited by Wyeth's Sage and Sulphur would tell her friends what it has done for her it would be even in greater demand than it is. But a woman is perfectly right not to tell her little beauty secrets. However if you will accept our recommendation you will not be disappointed. It is the best Hair Restorer we know of. 50c bottle. He dealt with the question of temperance from the stand point of this Island province and pointed out some of the reasons why the law is not enforced as it should be. He claimed that drunkenness should be made an evidence on which a prosecutor might work to secure convictions etc.

W. S. Harkins, whose players are at the Opera House this week, learned this morning of the death at his home at Hastings, New York, of George Ober, one of the best known veteran actors on the American stage. About fifteen years ago when Miss Norah O'Brien was with the company Mr. Ober was with Mr. Harkins and toured the Maritime Provinces with him. He was born in Baltimore in 1849. He played boys' parts in the old Ford's Theatre and rose to second parts in the best comedy attractions, playing afterward with John Wilkes, and Edwin Booth, Edwin Forrest and Frank Mayo.
