RELIGIOUS SERVICES

THE BAPTIST CHURCH

Sunday, "Mother's Day" in the morning the Rev. A. C. Vincent, D.D., preached a sermon on "The Treasure in a Mother's Heart," based on Luke 2-19, "But Mary kept all these things and pondered them in her heart." How precious the treasure of her memories! The memory of the Annunciation, of the gracious, wonderful birth, of the visits of the wise men, and adoration of the shepherds, of the words of Simeon and Anna, of the Christ child in the Temple, of the gracious words and deeds of the "silent years," of the ministry, the cross, the risen Lord!

And so, with the mothers of us all, the memories of our early days, their pride in our well doing, their sympathy with our failures, their encouragement and endless love.

And what treasure they have offered us, in the ideals of selfless sacrifice, of sincerity, of purity, of courage. Poor are we indeed if we forget our mother's gentleness, understanding and infinite faith. Let us this day renew in every heart the ideal of being such women, such men as our mothers hoped and prayed.

With tender sympathy and rich expression the quartette sang "Some Mother Prays For You." The morning anthem finely rendered by the choir was Dr. Matheson's "O Love that will not let me go."

At the evening service, broadcast by CHCK the Rev. Alexander Gibson, Secretary and Superintendent of Young People's work in the Maritimes, gave a stirring address on "The Challenge to Youth."

The quartette, Messrs. Quigley, Calder, Dingwell and Sterns sang with fine expression "The Old Way-side Cross." Miss Frances Wood sang with sympathetic impression "The Ninety and Nine."

The beautiful flowers for the day were given by the Vickerson family, the Boyer family and Mrs. H. C. Brown in memory of their mothers.

At 8:30 p. m. the Y. M. C. A. Song Service was held in this church, with the Rev. Alexander Gibson as the special speaker.

ST. DUNSTAN'S BASILICA

Mother's Day was fittingly celebrated at St. Dunstan's Basilica yesterday evening at 7 o'clock, when the children marched in honor of the Blessed Virgin. Appropriate hymns were sung by the children under the direction of Rev. Dr. Gillis. The Corpus Christi Choir under the direction of Mr. William Brown participated in the singing of the Benediction. The Benediction of the Most Blessed Sacrament was given by Rev. Emmett O'Hanley.

SACRED SONG SERVICE

A very enjoyable meeting was held in the Baptist Church after the regular service last evening.

The meeting was one of the regular Sacred Song Services which are sponsored by the Student Department of the Y. M. C. A. and was broadcast over CHCK.

The special speaker was Rev. A. C. Vincent, Baptist Secretary of the Maritime Religious Education Council, who gave a very inspiring talk on "Paying the Price in Life."

Miss Frances Wood sang "My World" as a special solo, which was exceptionally well rendered.

Many of the Old Gospel Hymns were sung by the young people assembled, and the singing was directed by Mrs. J. A. Lawson of St. James church.

Dr. A. C. Vincent led in prayer. Mr. Ellsworth Large, P. W. C. student, presided and expressed thanks to Rev. Mr. Gibson for giving his time and efforts on behalf of the Sacred Song Service. He

FOUR ACT Comedy drama in Hope River Hall postponed until Thursday, May 18th. 9502-5-15-41

CLASSWORK CONCLUDED—Classwork at Prince of Wales College was concluded for the session on Saturday. Final examinations begin today and will continue throughout the week.

BEGINNING TODAY the trains from Charlottetown for the east and south will leave at 2 o'clock and 2:30 p. m. For the past fortnight these trains had been held an hour in Charlottetown until the country roads had improved.

ENGAGEMENT—Mrs. Katherine McQuillan, New Haven, announces the engagement of her youngest daughter, Bertha Helena, to Mr. Vincent James Leonard of Cornwall. Marriage to take place quietly the latter part of May. 9503-11

POLICE COURT—At the Police Court Saturday morning a case for breach of the Customs Act was adjourned till Wednesday morning.

CLUB DANCE—Mrs. Walter Wilson, Mrs. William Massey, Mrs. T. B. Rogers and Mrs. I. Y. Reddin, chaperoned for the Abbies' Sisters dance on Friday. The members of the team are: Miss Jean Grant, Miss Agnes McGee, Miss Marjorie Stewart, Miss Esther Rattenbury, Miss Doris Whitlock, Miss Virginia Harrington, Miss Gladys Saunders, Miss Evelyn McKenzie, Miss Doris Heartz and Miss Lillian Duchemin.

FROM PARIS—Mr. Harry Jenkins, Paris, France, arrived in the city Saturday from Montreal. He was accompanied by his sister, Miss Margaret Jenkins. Mr. Jenkins reports conditions in France and in continental Europe generally, as showing little or no improvement, and far from satisfactory. In England an improvement is noticeable, he states, and big industries are yielding a profit. Mr. Jenkins will probably be in the Province several months.

RECEIVES SAD NEWS—Mrs. Edwin White, Vernon, received the sad news of the death of her son, Frank E. White, which occurred on Saturday afternoon, May 13th at Stockton, California, following a serious operation. Mr. White leaves to mourn his loss, besides his widow and three children, his mother, Mrs. Edwin White, Vernon, one sister, Mrs. Helen G. MacNeill, Charlottetown and two brothers, Aubrey, of Charlottetown and Cleveland, of Vernon. Mr. White was the youngest son of the late Edwin White, formerly of H. M. Customs, Charlottetown. His many friends in P. E. I. will regret to learn of his death at so comparative an early age. Interment in Stockton, California.

PLAY-GROUNDS SUGGESTED—Co-operation of local service clubs will be asked in the promotion of some form of supervised playgrounds for school children during the coming summer holidays. It was decided at a meeting last night of the Holy Name Society of the Holy Redeemer Church. The suggestion for such playgrounds was unanimously indorsed at the meeting, but it was felt that the co-operation of the service clubs would be necessary to the project. One or more of the public squares, it is believed, could be utilized for playground purposes. Equipment would be inexpensive, but a supervisor would be required. In other cities supervised playgrounds have been established for years, and are looked upon as a necessity. Other organizations interested in the project are invited to discuss the matter with a view to joint measures being taken.

GENEROUS DONATION—The following letter enclosing a very generous donation of \$29.00 has been received by the Red Cross Society from the Mayfield Debating Club. To the Officers of the Prince Edward Island Division of the Canadian Red Cross Society: We, on behalf of the members of the Mayfield Debating Club, wish to place on record our appreciation of the wonderful work performed by the Red Cross Society, for the children of Prince Edward Island. We understand that a drive for funds will soon be made, and that it should be the duty of each and every one to carry on this most praiseworthy work; we therefore, take great pleasure in presenting the said Society, the sum of twenty-nine dollars (\$29.00), the proceeds, (after all expenses paid), of last winter's debates. No restrictions are attached to this donation. We hope to be able to make another such presentation next spring. (Signed) Moses Buote.

NEGLECT OF COMMON CONSTIPATION IS A SERIOUS MATTER

Prevent This Condition With Kellogg's ALL-BRAN

The first question your doctor asks is whether you are constipated or not. He knows that this condition may cause headaches, loss of appetite and energy, sleeplessness. It is often the starting point of serious disease.

You can prevent and relieve common constipation so easily. Just eat a delicious cereal once a day. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regular habits. ALL-BRAN is also a rich source of blood-building iron.

The "bulk" in ALL-BRAN is much like that found in leafy vegetables. Within the body, it forms a soft mass. Gently, it clears out the intestinal wastes.

Isn't this "cereal way" safer and far more pleasant than taking patent medicines—so often harmful? Two tablespoonfuls of ALL-BRAN daily are usually sufficient. With each meal in serious cases. If not relieved this way, see your doctor.

Enjoy ALL-BRAN as a cereal, or use in cooking. Get the red-and-green package at your grocer's. Made by Kellogg in London, Ont.

SERVING FOR P. E. I. HOSPITAL

Miss Florence Platts was hostess to the Wohelo Club last week at the home of her mother, Mrs. H. W. Platts. It is quite significant that the name is a combination of the words work, health and love. The fifteen members meet weekly to sew to help fit out the nursery in the new P. E. Island Hospital.

PICTURE CHANGED—Owing to an error at St. John the feature "The Love Contract," which was to be sponsored by the Oddfellows and Rebekah societies was shipped to Montreal and the feature "Love On Wheels" was sent the Prince Edward to replace "Love Contract."

"Love On Wheels" is not sponsored by the Oddfellows Society so that the special tickets sold cannot be used this week. Further announcement will be made later. 9501-11

Maritime Women's Club Ends Season

SUCCESSFUL YEAR REPORTED—NEW MEMBERS INVITED

MONTREAL, Que., May 14—Welfare service to a considerable degree, as well as cultural and social interests occupied the attention of the Maritime Women's Club during the past year, as was shown in the reports presented at the annual meeting held in the Windsor Hotel. This concluded the third year of the club's history, the membership being now a little over two hundred.

Reporting on the social service committee's work for needy Maritimers in the city, Mrs. J. H. Rorke stated that assistance had been given to 25 families. Approximately 1,000 articles of clothing had been collected from members and distributed among 65 persons. Household equipment was supplied in some cases, and three layettes were given to mothers. Three complete outfits were given to persons who had lost all their effects. Shelter was found, rent obtained and food provided for two evicted families. Work was secured for a few men and women. Fruit and books were taken to persons who were ill; mothers and children were outfitted for summer camp and some destitute Maritimers were assisted to return to their relatives in the East.

Previous to the reading of the reports of secretaries and conveners, the president, Mrs. R. B. Marr, addressed the meeting briefly, expressing pleasure in the success of the past year. She hoped the coming season would find an accession to the membership; there were in Montreal many Maritimers who, she felt, would find in the club pleasure and profit.

The following officers were elected: Honorary president, Miss D. L. Glass; president, Mrs. R. Bruce Marr; vice-presidents, Mrs. C. W. McCuaig, Miss Lillias Colquhoun; Mrs. Dan Anderson; corresponding secretary, Miss Vera Bendall; recording secretary, Mrs. George Jeffrey; membership secretary, Miss Mary Sutherland; treasurer, Miss Florence A. Sutherland; provincial representatives, Miss Inez E. Wollington and Miss Estella M. Burns, for New Brunswick; Mrs. J. R. Ferguson and Miss Rita Bent, for Nova Scotia; Miss G. V. Beers and Mrs. George R. MacLeod, for Prince Edward Island. Conveners of committee are: Social service, Mrs. L. M. DeWolfe; arts and letters, Miss Marguerite Woodworth; historical, Miss Annie I. Fraser; music, Mrs. J. S. Foster; social, Mrs. F. H. Matheson; house and door, Mrs. D. S. Macintosh; members, Mrs. Darwin S. Higginson, Miss Clare Cass, Mrs. H. T. Mitchell and Mrs. C. R. Smith.

A supper preceded the annual meeting. Two songs were sung by Miss Mary Aveline. Roses were presented to the president, Mrs. R. Bruce Marr, and to Miss Eleanor Davidson as a mark of appreciation for her courtesy in acting as accompanist during the season.

Train Crew Witness Suicide

KENTVILLE, N. S., May 14—(C.P.)—Members of the traincrew on D.A.R. fast freight No. 99 believe they witnessed a suicide. The train was rounding a curve between Stillwater and Mount Uniacke when a 500 pound cow moose appeared in the glare of the engine light and stood motionless on the track. The train could not be brought to a stop in time to avoid killing it. Local naturalists claim moose in this vicinity are being driven desperate by a skin parasite or "tick," and that this particular animal decided to end it all. Others think the headlight dazzled it.

Jobless Ignore Eviction Notices

(Canadian Press)

SYDNEY, N. S., May 12—Threatened eviction of 300 jobless men and their families was delayed tonight as Sydney landlords awaited the outcome of test court cases against a few tenants.

The eviction orders were sought in city court after notices to vacate their homes on May 1 had been ignored by the 300 families.

Court proceedings will open before Magistrate F. G. Muggah on Tuesday.

BANK OFFICIAL COMMENDS WORK OF THE Y. M. C. A.

Health, Education, Recreation And Character-Building Programmes More Essential Now Than In Normal Times, Says Mr. M.W. Wilson, Vice President Of The Royal Bank.

"If Canada were a sinking vessel and it had become necessary to take to the boats, there would be reason for abandoning everything except what is absolutely necessary to sustain physical life," said Mr. M. W. Wilson, Vice-President and General Manager of The Royal Bank of Canada during a recent interview in Montreal. "But such is not the case," he said. "Few communities have reached a point where some of the population must be saved from starvation by denying to all children and adults the benefits of our great social institutions. The demands for emergency relief are not so great that we must abandon all provision for health, education, recreation and character-building programmes. Canada, with the rest of the world, is passing through a difficult period, but it is not in process of dismemberment. Never has there been a time when clear thinking with respect to real needs and relative values was more needed than today."

"The educational, recreational and character-building agencies are an integral part of our community organization. It is not possible to treat them apart from other community assets. They are part of our essential services in both normal and abnormal times. If there is any difference in degree of need, it is that such agencies are needed more now when, in too many cases, hope and courage becomes undermined rather than supported and stimulated. The needs of a starving body and a broken spirit are not mutually exclusive obligations of society; both must compel the attention and support of socially-minded citizens."

The Y.M.C.A. is one of our essential social organizations. Throughout greater Montreal with its nine branches and the Sir George Williams College it is making a continuous contribution to the mental, physical and spiritual needs of thousands of persons, young and old. It is carrying on its normal functions, and is doing its full share in the present emergency. Like other social organizations, it has faced the necessity of examining its program and its results in the light of the general economic and moral heart-searching which is going on today. It has made major adjustments in the interest of economy. These economies have been affected in order to maintain essential services, which are needed now more than ever. If these services were discontinued today it would be found necessary to re-establish them tomorrow."

Oldest Official Of C.P.R. Dies At His Home

(Canadian Press)

VANCOUVER, May 13—F. W. Peters, 73, a native of Saint John N. B., oldest official of the Canadian Pacific Railway still holding office, died at his home here today.

Mr. Peters had been ill for some time and recently was taken to hospital. On Wednesday he returned home improved in health, but suffered a relapse.

Born in Saint John, N. B., Francis White Peters' career was unique in railroad service.

He entered the railroad service with the Intercolonial as a telegraph operator in June, 1873, and later held several high offices with the Canadian Pacific Railway, which company he joined on October 1, 1881.

He was retired as General Superintendent of the British Columbia division in June 1926, but remained in an active capacity as a member of the British Columbia sub-committee of the Advisory Committee of the Department of Natural Resources. His railroad career extended over a period of 60 years.

N. B. Potato Surplus Is Much Reduced

FREDERICTON, N. B., May 14—Another spurt taken by demand in the potato markets of Eastern Canada in the past few days has greatly diminished the surplus of table tubers in this Province. Central New Brunswick producers are shipping steadily to Montreal and Toronto and there also is considerable stock moving from the upper Saint John Valley.

With the demand expected to continue until August when the first of the new domestic crop comes on the market, the growers are hopeful of the price reaching a dollar a barrel or more. The price for several weeks has been seventy-five to eighty cents to the grower, as against fifty cents in Maine on a contract basis. Maine growers are being advised to reduce their acreage this year.

Localities in the centre of the Province which have been shipping heavily recently are Keswick, the Nashuaque valley, Lincoln and other centres of Sudbury county. A shipment of table stock during the past week was shipped out of Keswick valley to Saint John, being transported by water.

Fertilizer purchasers have been heavy in York and Sudbury counties, the growers in the central section being regarded in a better position to purchase fertilizer this year, than many in the upper counties of the potato belt. Consequently the acreage sown to tubers along the central Saint John valley is expected to show no reduction from last year, while the counties of Carleton and Victoria are likely to report curtailment. The indications are that the fertilizer will be applied more to potatoes than to grains this year.
