

# HALF OUR ILLS ARE CATARRHAL IN NATURE.

Catarrhal Diseases are Most Prevalent in Winter.

IS THERE NO WAY OF ESCAPE FROM THEM?

Pe-ru-na Never Fails to Cure Catarrh Wherever Located.

There are some things which are as sure as fate, and can be relied on to occur to at least one-half of the human family unless means are taken to prevent.

First, the climate of winter is sure to bring colds.

Second, colds not promptly cured are sure to cause catarrh.

Third, catarrh improperly treated is sure to make life short and miserable.

Catarrh spares no organ or function of the body. It is capable of destroying sight, taste, smell, hearing, digestion, secretion, assimilation and excretion.

It pervades every part of the human body, head, throat, stomach, bowels, bronchial tubes, lungs, liver, kidneys, bladder and other pelvic organs.

That Peruna cures catarrh wherever located is attested by the following testimonials sent entirely unsolicited to Dr. Hartman by grateful men and women who have been cured by Peruna:

### Catarrh of The Head.

Mr. D. R. Ramsey writes in a recent letter from Pine Bluff, Ark., the following:

"My son, Leon Ramsey, four years of age, suffered with catarrh of the head for eighteen or twenty months. He took one bottle of your Peruna and could bear as good as ever."—D. R. RAMSEY.

### Catarrh of The Nose.

Mr. Herman Ehkic, 952 Orchard street, Milwaukee, Wis., writes:

"I am entirely cured of my catarrh of the nose by your Peruna. My case was a severe one."—Herman Ehkic.

### Catarrh of The Throat.

B. H. Runyan, Salesville, O., writes:

"I suffered with catarrh of the throat for five years. I was induced to try Peruna. I have used five bottles and am perfectly well."—B. H. Runyan.

### Catarrh of The Ear.

Mr. Archie Godin, 188 Beech street, Pithsburg, Mass., writes:

"Peruna has cured me of catarrh of the middle ear. I feel better than I have for several years."—Archie Godin.

Peruna can be obtained for \$1.00 a bottle at all first-class drug stores in Canada. Address Dr. Hartman, Columbus, Ohio, U. S. A.

## A TEN STROKE FOR PERUNA.

### Catarrh of The Lungs.

Mrs. Emilie Kirkhoff, Ada, Minn., writes:

"Through a violent cold contracted last winter, I became afflicted with catarrh of the nose, which in a short time affected my lungs. I took Peruna which cured me thoroughly. I now feel better than I have for forty years."—Mrs. Emilie Kirkhoff.

### Catarrh of The Bladder.

Mr. John Smith, 311 S. Third street, Atchison, Kan., writes:

"I was troubled with catarrh of the urethra and bladder for two years. At the time I wrote to you I was under the care of my home doctor, and had been for four months.

"I followed your directions but two months, and can say Peruna cured me of that trouble."—John Smith.

### Catarrh of The Bowels.

Mr. Henry Entzion, South Bend, Ind., writes:

"The doctor said I had catarrh of the bowels and I took his medicine, but with no relief. I was getting worse all the time.

"Before I had taken a half bottle of Peruna I felt like a new man."—Henry Entzion.

### Catarrh of The Kidneys.

Peter J. Unger, Hawley, Pa., writes:

"I think that I am perfectly cured of catarrh of the kidneys by Peruna, as I have no trouble of any kind."—Peter J. Unger.

### Catarrh of The Stomach.

A. W. Graves, of Hammond, Ind., writing to Dr. Hartman, says:

"I am well of catarrh of the stomach after suffering two years. I have taken five bottles of Peruna and one of Manalin and I feel like a new man now."—A. W. Graves.

### Pelvic Catarrh.

Miss Katie Lochman, Lafayette, Ind., writes:

"I had pelvic catarrh, pain in the abdomen, back, had stomach trouble and headache caused by catarrh. I followed your directions; took Peruna and Manalin according to directions, and how happy I feel that I am relieved of such a distressing ailment."—Miss Katie Lochman.

ARE we to expect bad luck in the testing of the Summerside Tormentine route this winter? If Friday is an unlucky day and 13 an unlucky number then the Stanley arriving in Summerside on Friday the 13th day of the month is surely an unfortunate incident.

The steamer Stanley arrived in Summerside yesterday afternoon from Pictou via Cape Tormentine. About 2 p. m. she was sighted coming around Sea Cow Head and the word was soon passed around the town. There was no ice to contend with but hundreds gathered along the water front to watch her enter the harbor. The interesting trips are yet to come when we hope to see uninterrupted communication with the mainland. The Stanley has 310 tons of coal, about 70 tons of which will be discharged here.
