to the said Company our appreciation of the compliment paid to the business of this port, in placing such a substantial, luxurious and up-to-date ship upon this route; a ship, in fact, that would do credit to a similar service in any part of the world.

While we are not unmindful of the very satisfactory service rendered in the past, we recognize the forethought of the Company in providing a larger ship to meet the growing demands of the shipping and passenger traffic, the Northumberland being, on many occasions, obliged to leave large quantities of freight, which she was unable to carry.

Wishing you and the good ship, "Empress," also her enterprising owners and officers and crew every success.

We have the honor to be, Dear Sir, Your obedient servants.

(Signed by the Town Council, Board of Trade, and business men generally.)
