

# Amatite ROOFING

**It Takes The Pain Out Of Painting**

IT'S certainly a painful process to keep on painting a roof every two or three years—you feel it in your back and in your pocketbook. Amatite Roofing never needs painting—sounds almost too good to be true, doesn't it?

Just lay it with an ordinary hammer, and you've got solid roof comfort ahead for many years to come. Costs less than similar roofings of same weight. The mineral surface is also fire-resisting.

Sample showing the pitch waterproofing and real mineral surface free on request.

## FROM BROOKLYN TO LONDON TO MARRY

### Romantic Affair Terminated By Overseas Wedding.

LONDON, May 22 (Special).—A romantic marriage, for which the bride and bridegroom came overseas, took place in London.

The ceremony was performed by the Rev. A. Green, vicar of All Saints' Byttenham, who many years ago was the rector of Laura, South Australia. The bridegroom was Mr. Roy Brasted of Brooklyn. In boyhood he was one of the best pupils of Dr. Green's Bible class at Laura, where he met the bride, Miss M. Culleney.

Both made a special journey to London in order to be married by their old friend.

Mr. Brasted is now a member of the Brooklyn Young Men's Christian Association, and his best man belongs to the same organization in Adelaide. The bride was given away by Mr. James Virgo, head of the London Young Men's Christian Association.

## LATEST FROM THE THEATRE

### B. F. KEITH'S UNION SQUARE

The Eden Musee has been recognized as the home of moving pictures. This house has been the first to show the Cinematograph and the subjects shown are comprised of scenic, comic, dramatic and travel scenes which appeal to young and old and to the most skeptical.

The World in Wax collection, which has been so prominent for over thirty years, still holds the attraction at this place of amusement. Prominent people of all stages of life, actresses, Army and Navy heroes, Rulers of the World, scenes and tableaux of all descriptions are produced in wax and constant changes are made to the large exhibition. There is no other place of this kind to be seen in the city and strangers and visitors always number this amusement resort among one of the places to patronize.

In addition to the Cinematograph and the World in Wax exhibition, the Band concerts can be heard every afternoon and evening and anyone interested in the game of checkers, can battle their wits with the mysterious Ajeeb, the mechanical figure that plays checkers with anyone, usually with the one result, that he wins. A pleasant two hours can be spent at this popular and high class amusement house and all for the one admission.

It is not represented that there are any possibilities of considerable appreciation in price and consequent profits to holders.

It is a sound, conservative investment pure and simple.

It is an investment that appeals to investors who put their money into the seasoned securities of enterprises that are firmly established, whose earning abilities are well known and extend over a number of years.

It is an investment where the security is backed by tangible assets that are valued at many times the amount of the security outstanding.

## HERE IS GOOD ADVICE TO TAKE

It will help those who have Kidney and Bladder Trouble.

There are other "old remedies" similar to the one mentioned in this testimonial. Kidney and Bladder Troubles are always enemies to good health. As soon as you start to take GIN PILLS these ailments begin to disappear. It is the same in cases of Lumbago, Sciatica and like complaints. This letter illustrates the benefit of GIN PILLS.

Winnipeg, Jan. 6th.

"I have been a sufferer from Lumbago for some years past and during Christmas week had a very acute attack which confined me to the house. About the latter part of April, I met your Mr. Hill and mentioned my complaint to him. He advised me to take GIN PILLS. I have been taking them at intervals during the early part of the present winter, and up to date have had no return of my old trouble—in fact, I feel better than I have for years and think that my old enemy has vanished for good and all."

## THEATRE, NEW YORK.

### EDEN MUSEE, NEW YORK.

The management of B. F. Keith's Union Square Theatre, New York, announces for the week commencing May 26th, a show of tremendous proportions, with several headline features, and novelty and comedy galore.

"Fixing the Furnace" is the title of a farce to be presented by George Roland and his company of players which contains more genuine laughs than any two act play seen on the legitimate stage.

Another surprise novelty seen here for the first time will be Prince Florio, the greatest Simian the world has ever known, who goes through his performance like a man and has the brain of a twenty-first century human being. Some call him "The Human Paradox" while others say "The Jungle Man," but whatever they call this wonderful beast, his performance is nothing short of being marvelous.

The Turner Twins are two of the brightest juvenile actors on the stage today. They have recently starred with Eddie Foy in "Over the River" and "The Red Rose" Company. For this special engagement, Miss Patti Baker will assist the Turner Twins and will give us a sprightly skit in which they offer original songs and clever rendered dances.

The big musical surprise of the program will be the first presentation of "The Human Organ" to be presented by Mr. I. Burgstaller, and who has engaged ten of the most prominent singers of the Metropolitan Opera Company. This monster spectacular musical novelty will be the most talked about exhibition ever presented and you don't want to miss this opportunity of witnessing the greatest vocal treat in the history of vaudeville.

Others of prominence will be Grant Gardner, a burnt-cork comedian who has scored heavily in the Western cities; the Lorette Twins, triple bar and trapeze artists; Marie Penton, "The Melody Maid"; Carlos Casar, from the Ringling Brothers Circus, in feats of strength; and Mr. Edison's Talking Pictures, with new subjects.

## Bronchitis Prevalent

Brooklyn, N. Y., Man Tells of Best Remedy.

At this season of year with such sudden changes, it is so easy to take cold, and almost before one is aware there is inflammation in the bronchial tubes—a hard cough and unless checked in time chronic pulmonary troubles may result.

Wilbur Adams of Brooklyn, N. Y., says: "A severe bronchial trouble contracted in January caused me much difficulty about breathing. My chest felt clogged up and there was considerable soreness, all of which made me quite uneasy, besides being very painful.

I tried different remedies without help, but I am glad to say that Vinol cured my bronchial trouble which had lasted for three months. My breathing is all right now and the soreness entirely gone from my chest."

Vinol contains the curative, healing principles of fresh cod livers (without oil) and tonic iron. We guarantee it to be delicious in taste and to satisfy you with its medicinal effects. R. A. Foster, Central Drug Store, Charlottetown, P. E. I.
