—"KATHERINE MAY" ENCOUNTERED HEAVY SEAS—Summerside citizens will be interested in an account of the rescue of the "Katherine May," four masted schooner, which was lying at the Marine wharf, Summerside, last fall for about two months. The "Katherine May" left Summerside last fall with a cargo of potatoes for Mr. Edwards, of New York. After discharging her cargo, she sailed for New Port, where she loaded a cargo of coal for Bermuda. On her way there, she encountered heavy seas and was in bad shape when she arrived at her destination. The schooner remained at Hamilton, Bermuda, where she is owned by Mr. O. G. Lindley, for some time. On a recent voyage, when sixty-seven days out from La Vela de Coro, she was reported leaking badly with her rudder broken. A United States cutter went to her assistance and she was towed a few days ago into Jacksonville, Fla. Her captain, Mr. L. W. Fatcher, is well known in Summerside and friends here will be glad to know that the captain and crew are reported all well. Mr. Corney, of Summerside, and Mr. George Champlion, of Malpeque, sailed on the schooner when she left here last fall.—S.

—UNIQUE SHOW IN KENSINGTON—The Jackson Indoor Circus arrived in Tryon from Western Canada on Friday night and gave a performance in the King George Hall on Saturday night. The show carries a trained bear and monkeys, which "do their stuff" with almost human intelligence. It also carries an electric calliope, which makes the circus realistic. The personnel of the company were born and raised on the Canadian plains, and, like millions of people born in the middle West, had never seen salt water, naturally had a yearning to see the East, and hear the roar of the great Atlantic. Sam Bass "Indian River Man," magician and legerdemaino-perpetuates the name of the great Houdini the Handcuff King, in breaking clear of a tieup of fifty feet of shain and five sets of handcuffs in plain sight of the audience. Escaping from a straight jacket appears to belabor him more even than getting out of the chain binding and handcuffing. He also does some mystifying stunts with playing cards, coins—also many slight-of-hand. The champion lady sharpshooter does marvellous shooting with a rifle. She does those stunts at all the big "Palls" in the mid-western shows. After the straight jacket act, Mr. Bass informed the audience that he is the man, headlined in the newspapers of the world, who hangs by his feet from an airplane two thousand feet in the air and divests himself of a straight jacket. The company plan to "show" at a number of the places on P. E. Island, and many cities and towns on their return trip to Calgary.

—DEATH OF MRS. JOHN WAUGH OF WILMOT—The death occurred on Saturday last, at the home of her daughter, Mrs. Scott McMurdo, of North Bedouque, of Mrs. John Waugh, of Wilmot Valley, after a long illness. The deceased, before her marriage, was Miss Elizabeth Boulter, of Wilmot. She was a lady of many fine qualities and very highly esteemed by her many friends. Mrs. Waugh was a life long member of the Summerside Baptist Church. There are left to mourn, two sons and four daughters, namely, Mr. John Waugh, of New Annap; Mr. Harry Waugh, of Wilmot; Mr. Scott McMurdo, of North Bedouque; Mrs. West Myers, of Calgary, Alberta; Mrs. L. L. L. Campbell, of Charlton, to all of whom the sincere sympathy of the community is extended. The funeral took place on Monday afternoon from the home of Mrs. McMurdo, to the cemetery in Bedouque and was very largely attended.—S.

—Miss Katherine Mathieson, of Charlottetown, spent the week end at Summerside visiting friends.—S.

—CABLE HEAD WEST INSTITUTE—On March 12, the members met at the home of Mrs. Robert McKenzie. Meeting opened by singing chorus of "Tipperary." Roll call was answered by "Favorite Proverb." Six members were present. Minutes of last meeting were read and approved. Secretary reported that the storm windows, ordered for school, were at the station house and it was decided not to put them on till next Fall, as they were so late coming. A short discussion took place about other school necessities. Secretary reported having received Government Grant. Mrs. Jasper McLaren and Mrs. Duncan McLaren were appointed on the School Committee for this month. Next meeting to be held at the home of Mrs. George McLaren when roll call answer will be "Where I Would Like to Travel." An opening chorus, "The Wreck of the Number 9." New program committee appointed. Lunch was given by the hostess and a program of songs and phonograph selections enjoyed.

—REQUISITE ON THE FARM—farmer and stock-raiser should have a supply of Dr. Thomas' Electric Oil on hand, not only as a ready remedy for ills in the family, but because it is a horse and cattle medicine of great potency. As a substitute for sweet oil for horses and cattle affected by colic it far surpasses anything that can be administered.

—SOUP IMPORTATION—A million and a quarter Canadian dollars go out of this country annually for the purchase of just one food article—canned soup—according to statistics recently issued in a circular by W. Clark, Limited, Montreal, makers of canned food products, including thirteen varieties of soups. This money is sufficient to purchase more than 10,000,000 cans of soup—or over one can per person in the Dominion. If it were spent on Canadian products it would be sufficient to employ 1,000 men, who, with their families, would represent the population of a fair-sized town. But, because Canadians import ten million cans of soups, there is just that much less employment in Canada and that much less money in circulation here, the pamphlet points out.

—IT states further that the importation of such great quantities of a commodity which is also produced within the Dominion is to a great extent a thoughtless habit frequently based on the erroneous impression that foreign standards of manufacture are higher than Canadian, whereas the truth is that all Canadian canned foods must measure up to a high and rigid standard set by the Federal Government, and all that contain meat must be inspected in detail throughout the process of manufacture by a Government inspector—a procedure which assures the consumer absolute purity and wholesomeness.

IN MEMORIAM

MISS MARY MARTIN

The death occurred at her home in Valley Field, on Feb. 19th, 1930, of Miss Mary Martin, daughter of Mr. and Mrs. Malcolm D. Martin.

The deceased was a graduate of the Charlottetown Business College, Charlottetown, and was a valued employee of the firm of Carvell Bros. Some months previous to her death, she contracted a cold which developed into pleurisy. She was granted a leave of absence by her employers, hoping that the rest would restore her to her usual health, but, God willed otherwise. Despite medical skill, tender nursing and every attention in her home, she failed to rally and on Feb. 19th, her gentle spirit passed to Him who gave it.

Always of a cheerful loving disposition, she had many friends, and her passing away at the early age of 21 years leaves a vacant place in the home and community which cannot be filled. She was a devoted member of Valley Field United Church, and later attended Trinity Church, Charlottetown.

Besides a sorrowing mother and father, there are six brothers and one sister left to mourn the loss of their dear one: Donald, of Moncton, N. B.; John K. of Quinby, Mass.; Catherine, Charlottetown; and Angus, Charlottetown, and Allan at home, besides a host of relatives and friends.

The funeral which took place on Friday the 21st, was conducted by her pastor, Rev. D. M. Sinclair, assisted by Rev. John Sterling, Montague. After a short service at the home her remains were brought to Valley Field United Church where a large number had gathered to pay their last respects to one whom they loved. The hymns sung were, "The Lord is My Shepherd," "Rock of Ages," "Safe in the Arms of Jesus," also "Tread Softly," by Montague male trio. Rev. D. M. Sinclair spoke words of comfort from the 14th chap. of John. The service was a very beautiful and impressive one.

The pall bearers were the six brothers of the deceased. Interment was in Valley Field Cemetery. The beautiful floral tributes were as follows: Large crescent, the family; Wreaths, stage and shipping department, Carvell Bros., T. P. S. Trinity United Church, Valley Field Sunday School, Missie and Bessie MacLeod, Crescents, Mr. and Mrs. J. L. Douglas, Mr. and Mrs. A. W. Burns, Mr. A. J. Martin, Montague, Sprays, Valley Field Choir, Mary MacLeod, Montague, Flora and Margaret Martin, Haverhill, Mass. Many messages of sympathy were also received. The sympathy of the whole community goes out to the bereaved in this their time of sorrow.

Requiescat in Pace

The following tributes of respect were received: Masees Miss Philomena Campbell, Quinby, Mass., Mr. and Mrs. John J. Campbell, Poplar Point, Andrew Lewis, Washington, D. C., Mr. and Mrs. J. A. Lannon, Montague, Mr. and Mrs. A. Mullally, Millton, Mass., Mr. and Mrs. D. F.
