

STOCK NOTE

The valuable Pure Bred Ayrshire Bull Plundom Boy No. 4492, winner of 1st prize at the Provincial Exhibition, Charlottetown in 1915, as a year old in a full class, has been purchased by Mr. James Jenkins, president of the Orwell Cove Institute, for the use of that institute. This bull was sold by Mr. Andrew McPherson, Rocklin, N. S. Calved the property of Mr. Geo. W. Wood, & Son, Hazelbrook, Southport. Sire of this bull is Fearstone of St. Louis 2964. Grand sire that had more heifers in the record of performance than any other sire imported into Canada. The Orwell Cove Institute is to be congratulated on securing such a valuable animal.

HORSE NOTES

That Island breeders are waking up to the possibilities in raising the best type of carriage and trotting horses is evident when one notes the number of promising trotters on the local speedways. Your correspondent took in the races of the New London Club last week, and was impressed with the number of spectators wearing membership badges, showing that the people in general are supporting the sport.

The management announced a free-for-all trot, to take place in the near future, and it should be worth making a pilgrimage to see such horses as Orwelle Bell 2.18 1/4, Happy George, 2.20 1/4, Baby Logan 2.18 1/4, Alfred K. and Seymour Dillon 2.20 1/4, come together. The last named has recently been imported from the U. S. by Hugh Morrison, Kensington and will be an acquisition to the breeding ranks, introducing the now famous Dillon family.

He is a good individual, a fast racer, and is fashionably bred, being by Sidney Dillon, sire of the world's champion Lou Dillon 1.58, and his dam was Lady Hilda Hills, a granddaughter of George Wilkes, and is therefore a full brother to Peta Dillon 2.06 1/4. He was bred by Sterling Holtz, Indianapolis, Indiana, whose breeding farm has long been a nursery of Sidney Dillons producing some of his fastest get. To show that the Dillon family is popular with the best breeders Curles Neck Farm, the property of C. K. G. Billings, owner of such champions as Lou Dillon, Ulan, The Harvester, 2.01, William 1.58, and many others, has no less than five mares by Sidney Dillon, a larger number than from the get of any one horse.

After making a short season to select mares, Seymour Dillon will be placed in training, most likely converted to the pace as he shows a willingness to go at the lateral gait.

ANNUAL REPORT OF CHEESE BOARD

The Cheese Board held ten meetings in the city during the summer. At the first meeting held June 25th, the officers for the ensuing year were elected: President, Walter Simpson, Bay View; Vice Pres. Hugh McMillan, New Haven; Sec'y-Treas., and salesman, Robert Jenkins, Mount Albion. Auditor, George Brown, New Glasgow; Official weighers, R. H. Jenkins, Charlottetown; Alexander Campbell, Summerside.

About the usual quantity of cheese was placed on the board for sale, (13,040 cheese) but only a very small percentage sold, most all the cheese offered sold on the curb. The board however seemed to fix a uniform price and was considered by the salesman a useful institution and well worthy of patronage, its pleasing also to note that many factories contributed to its support, who sent no representative to attend its meetings.

Following are the average prices paid on the cheese board since its inauguration:

In 1899, 9.36 was paid 1900, 10.20; 1901, 9.25; 1902, 10.10; 1903, 10.40; 1904, 8.31; 1905, 10.10; 1906, 12.18; 1907, 11.57; 1908, 11.90; 1909, 11.16; 1910, 10.70; 1911, 12.44; 1912, 12.83; 1913, 12.73; 1914, 13.66; 1915, 13.75.

The highest price offered was 16c. The lowest price offered was 11.75c. Average price 13.75c.
