PRO. HOCKEY IS DROPPED

GLACE BAY, Feb. 11.—The hockey fans of Glace Bay saw the last game of professional hockey here on Saturday evening. The management of both teams held a meeting and discussed the situation from every angle. It was agreed that the attendance at the games in all towns was insufficient to pay the heavy expenses of high salaried players and it was felt that the lack of patronage was due to the financial depression entirely.

The fans are well aware that some of the foremost stickhandlers who have ever been brought to these provinces are to be found in this league this year and the local team was especially fortunate in winning five out of seven games played. All credit is due to the Glace Bay promoters for procuring such a splendid collection of players to represent the town and for their gameness in sticking to a losing financial proposition so long. Negotiations are under way to stage a semi-pro series of games between Sydney and Glace Bay for the Douglas Cup. The first of these will likely be played on Thursday evening of this week.

80 OFFER TO SELL BLOOD

NEW YORK, Feb. 10.—The offer from Bellevue Hospital to pay \$15 for a quart of blood to be transfused into the arm of Mrs. Florence Leonard, a cancer patient, attracted about thirty applicants from the municipal lodging house in the Bowery Missions today. Several of who applied were picked out by Dr. M. L. Morris and samples of their blood were taken. After many tests were made, Jas. Murray was informed that his blood had proved to be the best and that he would be accepted. He was given a hearty supper and was put to bed to await the transfusion operation this morning. Murray said he was giving a fictitious name so that his relatives would not know that he had been reduced to poverty.

ON THE FIRING LINE.—Mrs. John Birt, Pisiquid, received a letter Saturday, Feb. 6th from her son Corbus who is in the Princess Patricia Regiment at the front, saying that he had been two days in the firing line but was resting for a while when he wrote. RUSTICO.—The recent thaw has left the roads in very bad condition as the water has not been able to drain off in a great many places. The ice also is reported to be "no more than safe." The dam of Mr. James Stevensons mill pond, which had broken down some time ago but which had been temporarily repaired, has again broken after the last freshet. Mr. Cornelius Doucette, Grand Pere Point, sold two fat cattle to Norman MacDonald, Glasgow Road. It is understood that the sum paid for the pair was considerable.—Under the management of Miss Lucy Deiron, teacher in St. Mary's School, the young people of the vicinity are practising for a concert to be held in the near future. It is understood that the proceeds will go towards buying furniture for the school.—T.

QUITE A DISTINCTION.—Professor H. A. Tanton of Charlottetown has the honor and enviable distinction of having received a splendid photograph (with autograph of the world's most famous tenor, Enrico Caruso. The photograph in question which Mr. Caruso presented to Professor Tanton is beautifully mounted and framed and is on exhibition in the Victrola window of his music store, 144 Great George street. Mr. Caruso with his magnificent voice is taxing the capacity of the New York Metropolitan Opera House at each performance of the men while hundreds who are anxious to hear him are turned away nightly. Mr. Caruso who is the highest salaried vocalist in the world, sings apart from his public performances exclusively for the Victor Victrola Company, having recently renewed his contract to sing for them for many years to come; the records as heard in the Victrola are perfect reproductions of his fine voice. Professor Tanton who is much elated on being presented with this fine photograph from Mr. Caruso will take added pleasure in demonstrating the very many famous selections which he carries in stock, to any one desirous of hearing the world's greatest tenor.

SALVATION SERVICES.—The interest in the meeting of the Salvation Army has of late increased very much. Each Sabbath night they have a full house. SEMI-ANNUAL EXAMINATION.—The regular semi-annual public school examination was held in Toronto School on January 22nd. Owing to weather conditions, the attendance was not as large as might have been desired. The different classes were examined by the teachers of Kensington and Blaquiere, assisted by Miss Lucy Doiron, teacher in St. Mary's School and Messrs Zachariah and Cyrac Buote teachers in St. Ann's and St. Andrew's Schools respectively. After the examination, rousing speeches were made by Messrs Zachariah and Cyrac Buote. Speeches were also made by Messrs Alexander LeClair and Leon Peters. All expressed their satisfaction of the work done by the present teacher. The proceedings were brought to a close by the singing of the National Anthem.—T.

SUCCESSFUL RECRUITING MEETING.—The recruiting meeting held at Kensington Thursday night was a great success. The large C. M. B. A. Hall was crowded to overflowing by an audience composed of the most influential and intelligent people of Kensington and the neighboring settlements. The Mayor, Dr. Darrach, presided in his usual courteous manner and in his few opening remarks extended a hearty welcome to the visitors. The Recruiting Officer for the 6th C. M. R. (Lieut. Col. A. E. Innes) gave a brief and plain explanation of the special object of the meeting the pay and allowances of soldiers and other matters of detail. The Very Rev. Monsignor Gillis expressed his sympathy with the movement to enroll recruits. Mr. Justice Fitzgerald made a strong attack on the Prussian ruling classes on account of their arrogant disregard of the rights of weaker nations and the savagery and brutality of their soldiery in the field. Though always a worker in the cause of peace and against militarism the time had now arrived when all should take up arms in the cause of freedom and the defence of our Empire. The audience was at times carried away by his words of praise for the gallant British army at one time so despised by our foes. Rev. Mr. Watson in an earnest speech compared the brief support of government of Germany and Great Britain and showed that Germany though she strove to obtain more colonial possessions did

not know how to govern those she already had. Dr. Fullerton was the last speaker. He was in his best form. The audience was alternately moved to laughter by his quaint anecdotes and carried away by feelings of enthusiasm and patriotism in listening to his stirring oratory. At the close of the meeting the following troopers of N. W. Lowther, Kensington. The date "B" Squadron of the P. E. I. Light Horse came forward to the platform

and signed the service roll:—W. T. Tuplin, Indian River; J. E. Driscoll, Patrick McInnis, B. W. Taylor, Kensington; Somerled McDonald, Elmer; J. W. Hickey, Darnley; Elmer Bowness, Kensington; Fred Henderson, Margate; M. Sinclair, Hamilton; H. Jarvis, Springfield; R. H. Engles, N. W. Lowther, Kensington. The date and place of the meeting in Summer side has been changed to the 19th

inst. at St. Paul's Hall. On the 17th inst. there will be a Recruiting Rally at O'Leary.
