ROBUST CHILDREN

A child should not look pale, thin or worn. Such condition denotes malnutrition. To keep up growth and robustness a child needs a plenitude of food rich in vitamins.

SCOTT'S EMULSION

abundant in growth-promoting properties, is an ideal supplemental food that could well be a part of the diet of every growing child.

Children always do well on Scott's Emulsion.

WOMEN SHOULD LEARN TO DRIVE AUTOMOBILES

EDMONTON, Oct. 21.—that women on the farm should be taught to drive the automobile, is the opinion of Alberta's Minister of Agriculture, Hon. Duncan Marshall. He was one of the chief speakers at the banquet which marked the conclusion of the two day's convention of Overland dealers; and he was in splendid form in his response to the toast of the province.

The banquet was a large one, dealer enthusiasm over the new Overland 4 contributed to its success. Mr. T. A. Russel, of Toronto, President of Willys-Overland Limited, spoke of the progress of the automobile industry, and it was following Mr. Russell's optimistic picture of the industry's future, that the Minister of Agriculture referred to the use of automobiles by farm women.

The great improvement in living conditions on the farm, said Hon. Mr. Marshall, had been brought about by the introduction of the motor car and by its addition to the modern farm equipment. He stated that at every meeting of farmers at which he spoke he advised his hearers to buy an automobile as soon as they could afford it and to teach the women on the farm to drive it.

—AT HOME.—Mrs. James M. McWilliams of O'Leary will be at home to her friends on Wednesday, October 29th from 3 to 5 in the afternoon and from 7 to 9 in the evening.

NEWS OF SPORT

MT. ALLISON VS. ST. DUNSTAN'S

Followers of football will be delighted to learn that a match will take place this afternoon, weather permitting at the Abegweit grounds between St. Dunstan's University team and the team of Mount Allison College. The Mt. A. team arrived in the city last night.

NEXT GAME BETWEEN ABBIES AND SAINTS

The next game of football between the Abegweits and St. Dunstan's will take place on Saturday afternoon. The Abegweits confidently hope to make amends for their poor showing in the opening game when the Collegians vanquished them by the decisive tally of 12 to 0. There should be a big turn out for this game as the interest is growing.

WANDERERS DEFEAT DALHOUSIE

The Wanderers turned the tables on Dalhousie at Halifax Saturday, in the senior game, defeating them 9 to 5 in a game that was hard fought throughout, and in which the Reds and Blacks outplayed their opponents. The Wanderers were first to tally; then Dalhousie scored and converted, while the Wanderers took the lead again with a penalty goal, and finally won with a try in the second half. It was a fair sample of the play, as the Wanderers had the best of the territory, and with every inch contested, they won by their determination. It was quite a surprise, as even Wanderers' admirers expected the College to win; perhaps this fact may have caused the latter to have too much confidence, as their friends fully calculated they would win out in the second half, but the Wanderers with their lead were inspired with ideas that they would not allow Dalhousie to beat them if they could help it, and it was this determination and the great fighting qualities they possessed that really brought them victory.

OTHER GAMES

McGill's Rugby team left no doubt as to their superiority over Queen's by defeating them on Saturday by a score of 32 to 2. McGill broke through time and again for touches.

Hamilton Tigers sprang the biggest surprise of the season and defeated the Ottawa 18 to 16 Saturday. The showing of the Tigers, who were strengthened by the return of Isbester, Craig, Stuart and other veterans, was remarkably good, while Ottawas suffered a reversal of form.

A mistake in judgment prevented Montreal from making a draw of its game with the Argonauts at Montreal on Saturday, the Toronto team winning by 4 to 3 after a gruelling contest. With but a scant 30 seconds to go, the scores was tied and both teams were kicking to try and secure points. Barwick, of the Montreal back division, took a punt behind his line. He thought he could run it out, but never had a chance and was downed for a rouge. He could have kicked with ease and safety.

COLORADO L. WINS

NEW ARENA AT MONTREAL

MONTREAL, Oct. 21.—That Montreal will have a new hockey arena for this winter was assured, when a meeting was held between the owners of the old Mount Royal Rink on St. Urbain Street and Mount Royal avenue, and the promoters of the Mount Royal Arena Company. A deal for the possession of the property as the site of the new arena was closed. The contracts for the building were awarded and plans for the season decided on by the company.

The contracts call for the completion of the building by December 20, and it is expected that it will be opened a week later. It has been found impossible to install an artificial ice plant for this winter, but one will be installed next season. The building will be made suitable for concerts as well as athletic entertainments, and will have a seating capacity of four thousand.
