### Great Racing Is Expected At Montague

The announcement for the Montague races which will be held Wednesday, July 14, appears elsewhere on this page.

Remembering the almost sensational racing at Summerside yesterday it is not too much to expect that Montague's four classes will furnish even better contests. For one reason the horses are getting in better condition and, just as there were new winners yesterday other than July 1, so it may be taken for granted that some of the two, three and four year olds will be heat winners next Wednesday.

The Montague track is one of the fastest in the province and will be in the best condition in its history next Wednesday. The big, grassy stand is commodious and comfortable and gives a complete view of the whole show. It is a short run to Montague and has been attended by thousands will take in this great race meet next week.

### Aces Defeat Royals

The Aces defeated the Royals 13-12 in the first game of the second season of the Knights of Columbus softball league.

The next game will be Friday night between the Hitrights and the Aces.

### P.W.C. Softball

The P.W.C. softball team meets the All Stars of the K. of C. League in an exhibition game this evening at 7:15. The teams battled to a 13 all draw last week and a good game is expected as the All Stars will again attempt to match the college team. All players of both teams are asked to be on hand in plenty of time.

## Track Pacing Record Broken At S' Side Meet

Between 1,500 and 2,000 people witnessed great racing under almost ideal conditions at the Summerside track yesterday afternoon. From the very first heat to the final there was excitement and veteran racegoers were on their feet.

Wright said it was the finest afternoon's sport he could remember at the Summerside track. Take the free-for-all for instance in which the record was lowered in the very first heat. Happy L pacing the oval in 2:07 1/2 to smash the mark of 2:09 set up by Hal McKinney last fall. In the 2.16 Trot and Pace the ex-Maine trotter from the stable of Sullivan and Mawhinney proved that he was equal to the reputation that came with him by winning the first two heats in his class, one of them in 2:11.

The 2.22 Trot and Pace was to be a gift race to Lady Hal. 2:12 1/4 provided an upset in the first heat when Lady Hal finished fourth with Winnie Scott in 2:13 1/4, a new record for Winnie.

The 2.28 Trot and Pace was one of the best on the card with Johnny Egar the eventual winner and sporting a record in which the following is a short summary of each event.

### Free-for-All Pace

Happy L won in straight heats but driver Earl Semple went to "at" to ward off danger in the second heat. Britton in the third heats. Both finished at his mark.

### 2.16 Trot and Pace

This was one of the most exciting races seen in years. In the first heat they got away after several starts to a good start with June French in the lead and the other horses pretty well bunched. Basil Hanover came out of the track rounding into the home stretch and trotted a storm to just head June French at the wire. Major Bowes was a head in the second heat. Silent Joe fifth. Raymond Budlong sixth and Millie Kalmuck, who got away badly, seventh.

### Free-for-All Pace—Purse \$250

Second Heat: It took six scores to get them. In the first heat they were bunched at the three-quarter pole with Basil Hanover at the pole, Millie trailing, Paclucci on the outside, with June French trailing him. Then Raymond Budlong came up with a great rush which carried him into the lead but he broke on the turn and fell back to the outside of the track. Heading into the stretch for home Basil Hanover was in the lead, Millie Kalmuck at his wheel, Paclucci back at the wire and June French fourth. The battle to the wire was a very exciting one with Millie Kalmuck turning the tables on Basil Hanover and winning by a short head. Time 2:11 1/4. Paclucci, June French and Major Bowes were bunched close to the leaders with Silent Joe and Raymond Budlong back a few lengths.

This race will be one that will be long remembered.

### 2.22 Pace

As mentioned before Lady Hal, 2:12 1/4, was thought to be a suit thing but in the first heat, Royal Jim set a fast pace for the three quarters with Jack Clyde and Winnie Scott trailing close. Lady Hal raced on the outside trying to get in front and when called on in the stretch couldn't get to the three named. Winnie Scott sprang by Jack Clyde in the race for home while Jack Clyde passed Royal Jim. Lady Hal finished fourth. Time 2:13 1/4, a new record for Winnie.

In the second heat Lady Hal got away flying and grabbed the pole before the first turn. Driver McNeill braced the handsome and coasted along until the home stretch when Lady Hal's superior "brush" stayed off a rush from Winnie Scott and he won with Jack Clyde third and Royal Jim fourth.

Third Heat: Lady Hal at the pole held to a comfortable lead. Jack Clyde, Royal Jim and Winnie Scott who each took turns trying to head her. In the race to the wire Winnie Scott proved to be the best. Lady Hal with Royal Jim, who was a much improved pacer from the last race, third and Jack Clyde fourth.

### 2.28 Trot and Pace

This was one of the best slow class events seen in a long time. In the first heat Royal Jim and Winnie Scott were the only ones who earned \$200. It furnished enough fireworks for a much faster class. It went to four heats before the handsome and highly popular Johnny Egar proved the victor.

In the first heat Ruby Volo made the race up yard by yard. Johnny Egar raced neck and neck with her on the outside for three-quarters of the trip and then went to a break and hit to the three quarter pole when Johnny took the lead closely followed by Wait N'See. They raced as a team round the turn and into the wire with Johnny Egar a short head to the good. The first half was in 1:05 and the mile in 2:11 1/4 an almost perfect reduction of record for Johnny Egar.

"All Through the Night"

STARRING  
HUMPHREY BOGART  
KAREN VERNE  
CONRAD VEIDT

MONTAGUE — FRIDAY  
SATURDAY

SOUBIS — MONDAY  
MATINEE 3.30 P. M.

"All Through the Night" stars Humphrey Bogart, whose recent hit performance in "The Maltese Falcon" and "High Sierra" have put him in the very front ranks of popular film stars.

For the first time since censorship decreed that the screen should glorify no criminal at the expense of officers of the law, cops are villains in this picture.

And retired gangsters and their mobs step into the hero roles, by proving the coppers' undoing!

The picture is Warner Bros. "All Through the Night," and according to its star, Humphrey Bogart, it is right up the alley of a lot of his most ardent fans, self-styled ex-mobsters.

The cops, however, aren't American flatfeet, which is why the ex-gangsters can't retreat them and reap applause not only from future audiences but censorship organizations as well. They're Gestapo, operating in this country as secret agents and fifth columnists.

The picture is a mystery comedy, with Bogart and Barton MacLane as retired mobsters who still retain their penchant, and Peter Lore, Conrad Veidt, Judith Anderson and others as "coppers." Heroine Karen Verne starts with the wrong mob, too, but ends up in Bogart's arms. Vincent Sherman directed the production from the screen play by Leonard Spigelglass and Peter Loeb, from a story by Leonard Q. Ross and Spigelglass.
