NEW YORK HEADQUARTERS OF BELGIAN RELIEF COMMISSION DENY THAT BELGIAN RELIEF SUPPLIES ARE STOLEN OR INTERFERED WITH BY GERMANS

Mr. Maurice Geer, Belgian Consul General at Ottawa, has received a wire from American Belgian Relief Headquarters in New York as follows:

"Report that German soldiers interfere with our supplies is not true. Our system of distribution being so thoroughly organized and our inspection services so effective as to insure control up to the point of actual issue to the people in the same of small rations. Beyond this point there is of course the chance that an individual may part with rations for a consideration but you will agree that this is so extremely remote in the circumstances as to be negligible factor probably of less significance than the inevitable petty leakage in ordinary commercial affairs."

Fry's Pure Cocoa

NO need to ask if you want your little girl to be bonny, plump and rosy-cheeked. Of course you do! Yet little folks' appetites are "finicky" and sometimes turn from ordinary foods. That is just the time to use FRY'S Pure Cocoa. It makes a delicious food beverage that no child can resist and its rich nourishment is absorbed by the little body as eagerly as the flowers drink in the spring rains. All good grocers sell it, but, of course, remember

"Nothing will do but FRY'S"
