Aileen Meagher Makes Sweep Of Sprint Events At Dominion Championship

Stars Gather For N. S. Open Tournament

(C.P. By Guardian's Special Wire)
HALIFAX, Aug. 11.—Tennis players from Quebec, Ontario and Prince Edward Island arrived in Halifax today, seeking laurels of the Nova Scotia open tennis tournament.

Ross Wilson, champion of men's singles and Joe O'Hara, champion of women's singles, were the stars of the tournament. Wilson was anxious to make it a clean sweep of the Maritimes. The Toronto player was seeded first in the singles event.

His doubles partner, Alan Eaton of Toronto, arrived from Charlottetown with Wilson and they had a day's rest in preparation for the tournament which opens at the Cathedral courts tomorrow.

Bruce Hall, Eastern Canadian junior champion, and Joe O'Hara, runner-up to Wilson in both the New Brunswick and Prince Edward Island singles finals, were also in Halifax, ready to compete in their third Maritime tournament in as many weeks.

Mrs. S. Mansion of Montreal, out of the game for several years, will compete in the tournament in an attempt to make a come-back. Her husband will also play.

Two Ottawa ladies, Miss Ora Davis and Miss F. Wilkinson, have entered the singles.

Attracted by the chance of seeing the world champion Fred Perry in action, Mrs. H. L. Beer, Eddie Condon and Edgar Murphy left for Ottawa after the Prince Edward Island tournament.

Red Haile of Nova Scotia has come back to Halifax again to compete in the tournament.

A strong Prince Edward Island group, headed by Don Cass, the veteran G. F. Hutchinson and the island ladies' champion Eleanor Bourke, were eager to have a second chance at the stars from central Canada.

Guardian Staff Enjoys Outing High Spirits Combined With Fine Weather To Make The Big Picnic Most Enjoyable.

Decks, linotype machines, and the printing press were forgotten by the Guardian staff Saturday afternoon, when the large body of employees journeyed to the summer home of Mr. J. R. Burnett, Balgowrie Farm, Dunstaffnage, for the Guardian picnic. Delightful weather, a warm strand, and the lay river with the high spirits of the picnicers contributed to make the event one long to be remembered. Boating through the courtesy of Captain Lewis of the "Empress," swimming and a programme of sports were the highlights of the afternoon. Refreshments were served by Percy Groom, who was present and played an enchanting Scottish air.

Perhaps the feature of most general interest was the softball game between the night staff and the day staff. The night staff opened with a fierce hitting rally which netted the gang nine runs. Content to rest on their laurels they were satisfied to score only two runs more during the game. The day staff, on the other hand, was not content, and strove mightily to even up matters, with the result that when their opponents woke up the score stood 12 to 11 in favour of the day gang. Though Power was batted from the mound in the fifth the pitching of Fisher did little to relieve the situation. It may fairly be said that while the day gang did not deserve to win

Gala Opening Of Scottish Soccer Season

(C.P. Cable By Guardian's Special Wire)
GLASGOW, Aug. 11.—Soccer has dispelled thoughts of summer games from the minds of thousands of sports enthusiasts in Scotland with the opening of the football season.

Playing for the first time in major league football Aberdeen faced a big ordeal in being matched with the champion Rangers at Ibrox Park. The visitors, promoted from the second division of the league were plucky but outclassed, losing 6-0.

At Aberdeen the Dons defeated the rearranged Celtic squad 3-1. Aberdeen's new players show up well, Lang, transferred from King's Park, scoring twice.

Play Brilliantly
Dunfermline played brilliantly to win 3-1 against Albion Rovers at Coatbridge although the losers were forced to field a reserve half-back line. McGowan, Thomson and Murray tallied for the winners, Rice nothing for the Rovers only point. Clyde, with six new players of whom three were juniors, managed to draw 1-1 with Airdrieonians. Clark scored for the home team and Mooney for Airdrie.

Hamilton Academicals and Dundee played another drawn game. Dundee's brace were netted by Robertson and Coakley. Wilson got the Academicals first goal the other resulting from Evans putting through his own goal. Although they defeated Patrick Thistle 2-0 Hearts failed to play convincingly.

Records Intact
Track records remained intact as early promise of ideal conditions was shattered when intermittent heavy showers left the grounds of the Montreal Amateur Athletic Association rain-soaked and the track heavy. Only records of the day were set in junior field events—high jump and discus throw.

Miss Meagher had an easier time in the 100 metres, the event she has been unable to win in a Dominion meet until Saturday. Noted as a slow starter, the only senior entry from the festivities unleashed a terrific burst of speed in the closing stages to win her heats and final.

Accounts For Record
A youthful star from Windsor, Ont., accounted for one of the new records set when Pearl Barton jumped four feet 11 1/4 inches in winning the junior high jump. Pearl made it a double victory by taking the junior broad jump with a leap of 15 feet 4 1/4 inches.

A feature of the field events was the keen dual waged by Eva Dawes of Toronto and Helen Ross of Winnipeg in the senior high jump. The 18-year old western girl with a stylish rolling method of getting over the bar finally weakened at five feet one-quarter inch and Miss Dawes cleared it to retain her title.

608 Pound Tuna Caught
LIVERPOOL, N. S., Aug. 11.—Liverpool Bay, a hunting ground for tuna fishermen, failed to supply kingfisher Thomas Howell of Chicago with a catch over the week-end but Robert L. Gillespie of the Brooklyn, N.Y., Daily News and his son Robert J. pulled out a 608-pounder. Howell back sea-angling again after establishing a world record last year, a Gargantuan mackerel weighing 956 pounds.

It took six men to pull aboard the tuna caught by the Gillespies yesterday, landed after a 40-minute struggle.

The winners lost little time in taking a commanding lead. They scored three times each in the first and second to lead 6-0, added four in the fifth, two in the seventh and three in the eighth to compile their total. The losers runs came in the fourth and seventh innings.

TANNERS ELIMINATE TIP TOPS
Slamming the Tip Top pitching for a total of thirteen base hits, the Tanners eliminated the Tip Tops in the first round of the Industrial Baseball League over the week-end as they defeated their favored opponents 15 to 2. It was a surprising upset as the Tip Tops were regarded as having an even chance of taking the measure of the league-leading Stars provided they won their way into the final.

Each is hopeful, however, and to

Wilson Captures Island Singles Title To Climax A Week Of Brilliant Tennis

Only one Maritimer—Mrs. H. Jones of Halifax—held a Prince Edward Island tennis title following the conclusion Saturday of the Provincial open tennis tournament.

Even at that, the steady Hall-gonian had to split her Island championship honors with Mrs. H. L. Beer of Ottawa with whom she teamed to win the Ladies' doubles by defeating Kay Doyle of Halifax and Jean Wright of Petite Riviere in the finals. The Ottawa-Halifax combination downed the Nova Scotians in straight sets, 6-1, 6-1.

Ross Wilson, Toronto speed-ball artist, tongue-lashed himself into the singles championship after a brilliant duel with Ottawa's cool-headed little Joe O'Hara.

HARD-FOUGHT
The eagle-eyed Toronto tennis ace, keeping himself on his toes by sharp self-criticism, slammed his way to victory in the closest and most hard-fought match ever staged on Charlottetown courts. Scores in the five-set battle were, 10-8, 6-0, 4-6, 4-6, 7-5.

Wilson captured the first two sets by using his streaking service and returns to full advantage, as O'Hara followed cautiously in his long strikes saving his strength.

The Ottawa boy turned the tables in the next two sets, cagily, into the singles play and seem-ly to be laying claim to the title in the last set when he ran up four games straight after dropping the first.

Then Wilson set out on the comeback trail with grim determination and blasted O'Hara out of the picture with his bullet drives to take set and title.

STRAIGHT SET VICTORY
Returning to the courts with Alan Eaton also of Toronto, in quest of the men's doubles championship, Wilson led the Ontario team to a straight set victory over Commander J. C. I. Edwards and Bobby Donahoe, the Halifax doubles finalists. Scores were 6-4, 6-3, 6-1. Although Wilson and Eaton held the upper-hand practically throughout the match, Edwards and young Donahoe provided stiff competition and at times caused creases of worry to appear on the brows of the expert Toronto pair. The smooth stroking New Brunswick titlists barged into an early lead and slammed more speedily as they went along, gave their opponents no quarter and lifted their second Maritime title.

MIXED DOUBLES
In the mixed doubles, Eddie Condon and Mrs. Beer, of Ottawa, walked a rough road to victory over George Harry Roper of Halifax and smooth stroking Jean Wright of Petite Riviere.

The Ottawa team took the first set only after a hard fight, dropped the second as their opponents outplayed them, but captured the third and deciding one by cool team-work.

Mrs. Beer, winner of the Island Ladies' open singles title Friday, combined victoriously with Mrs. H. Jones of Halifax in the finals of the Ladies' doubles, to become the most prominent winner of the tournament.

New Material Looms As Strong Prospects For Canada At Olympics

(C.P. By Guardian's Special Wire)
WINNIPEG, Aug. 11.—Olympic men's coach, the records of the Dominion track and field championships here tonight to find several strong prospects for representing Canada at the international contests slated for Berlin next year.

Fresh faces appeared in the 1935 home list presided by the two-day meet ending Saturday and veterans enhanced their reputations for Olympic scouts to study. Four boys who scored twin triumphs—Sammy Richardson and Art Clarke of Toronto, Bill McBryde of Winnipeg and W. Bennett of Taber, Alta.—were Olympic prospects along with several others.

Richardson, British Empire broad jump champion who shattered the only record of the meet with the running broad jump of 24 feet 11 inches, won his second title Saturday by clearing 47 feet 4 1/2 inches in the hop, step and jump, a foot short of the native record. Jack Sactor of Winnipeg was second and H. Walker, Raymond, Alta. third.

Bill McBryde won the 220 yard dash and 120-yard high hurdles. His time in the first was 22 9-10 seconds and 16 2-10 seconds for the hurdles.

Impressive Win
W. Bennett, in crack competition for the first time, won the 500 yard throw and 16 pound shot-put events with an ease which gave promise of greater things to come.

Bennett heaved the shot-put 43 feet 2 3-8 inches and tossed the discus 124 feet 3 1-2 inches. C. Nelson, Winnipeg, was second, and Eric Coy, Winnipeg, was third.

The six mile run was won by Jack Walberg of Saskatoon in 33 minutes, 55 6-10 seconds. Fred Lambert of Moose Jaw was the

Referred To Mr. Shipley
Commenting on a letter received Saturday from Mr. D. W. Fraser, Chairman of the Maritime Boxing Commission, enquiring into his amateur status, Bennie Binnis, Maritime Middleweight Champion, stated that he received the official "O.K." from Mr. Shipley that his card was in order before entering the ring at Sydney. "I see no reason why Mr. Fraser should write me for information he can receive nearer his own home," concluded the champion.

Big "Three" To Battle For Richest Stakes

By Orlo Robertson, Associated Press Sports Writer
(By Guardian's Special Wire)
COSHEN, N. Y., Aug. 11.—Here in the midst of a horse loving people, where the deeds of such great pacers as Peter Manning and Dan Patch are held in reverence, the country's fastest three-year-old colts will gather Wednesday at Good Time Park for the renewal of the \$40,000 Hambletonian, richest of all light harness horse stakes.

Until a week ago the race figured to be strictly a battle between Greyhound, owned by E. J. Baker of St. Charles, Ill., and Tilly Tonka, the little filly from C. W. Phellis' New York City barn. Their sires had battled it out in 1928 with Spencer, daddy of Tilly Tonka, taking the measure of Guy Abbey, which sent Greyhound to the races.

New Threat
But with the advent of the Rockingham Park meeting, Lawrence Hanover, from the La Salle stable of Chicago, came forward to form the "big three." Handled by H. M. Parshall, who won with Lord Jim, the bay son of Peter Voss turned in two brilliant performances to whip many of the Hambletonian contenders, including Tilly Tonka and E. J. Merkle's Silver King.

Rates High
As a two-year-old Lawrence Hanover turned in the fastest time, trotting a mile in 2:02 but Greyhound came through with seven victories in 10 starts to be acclaimed the champion of his age.

Of the others, Silver King rates highest. The grey son of Mr. McEwlyn, handled by Ben White, was the leading money winning juvenile last year.

Also listed among the probable starters are: J. C. Thompson's Guardsman; Harper Hanover from the La Salle Stable; Miss Kate B., owned by W. N. Reynolds of Winston-Salem, N.C.; H. Stacy Smith's Toronto; and Patricia Hanover from Lawrence B. Sheppard's Hanover, Pa. Farms.

Slamming out five hits nine times at bat in two games with the Red Sox, Buddy Myers, Washington veteran infielder, ousted Hank Greenberg of the Yanks, as the second leading batter in the American League yesterday. Myers showed the biggest gain among the big six, boosting his average five points to .343. The spurt left him only four points back of Joe Yonkie, who gained two points by cracking out our bluffs in 10 official trips to the plate. In the National League trio Gabby Hartnett swung back into action. He was at bat once but failed to connect with the result his average dropped a point to .346. The standings:
