Kept Awake at Night Itching So Intense Healed by Cuticura

"A nasty patch appeared on the right side of my face, caused by shaving with a dull razor. I drew blood with my fingers, the itching was so intense. The patch was red and irritated causing me to keep awake at night. "Seeing Cuticura Soap and Ointment advertised I sent for a free sample. After using I noticed quite a change so I bought a box of Cuticura Soap and two cakes of Cuticura Ointment, and I did not finish the whole box of Cuticura Ointment when I was healed permanently." (Signed) Ewen MacDonald, Marion Bridge, N. S., September 30, 1917.

Cuticura Soap and Ointment are not only most valuable for the treatment of pimples, dandruff and irritated scalps, but their great mission is to prevent such conditions. Cuticura Soap used exclusively for the toilet, and Cuticura Ointment, as needed, keep the skin and scalp clean, clear and healthy.

For Free Sample Each by Mail address post-card: "Cuticura, Dept. A, Boston, U.S.A." Sold everywhere.

YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You simply say to the drug store man, "Give me a quarter of an ounce of freezone." This will cost very little but is sufficient to remove every hard or soft corn from one's feet.

A few drops of this new ether compound applied directly upon a tender, aching corn should relieve the soreness instantly, and soon the entire corn, root and all, dries up and can be lifted out with the fingers.

This new way to rid one's feet of corns was introduced by a Cincinnati man who says that, while freezone is sticky, it dries in a moment, and simply shrivels up the corn without inflaming or even irritating the surrounding tissue or skin.

Don't let father die of infection or lockjaw from whitling at his corns, but clip this out and make him try it.

Soldiers Home Coming Campaign

As the Boys Come Home

YOU will meet your soldier boy and what a glorious time you and he will have. You will kill the proverbial "fatted calf" and make merry. You will see that he is comfortable until he settles down again into civilian life.

But what of the men who arrive at the same time with NO friend to greet them, no home to welcome them, no job to turn to? There's a problem you must face—or let the Salvation Army face it for you.

SALVATION ARMY MILLION DOLLAR FUND THIS WEEK

The Salvation Army fills the breach here at home, just as it did, and still does, over there! It holds out open arms to the soldiers, welcomes them, feeds them, furnishes clean beds and hot baths, comforts for body and soul, and stands by a man and his family until he is on his feet.

Canada must solve the problem of repatriating her soldier sons who have done their

part so valiantly. Apart from all obvious considerations of gratitude, it will pay us in dollars and cents to let the soldiers see we are standing firmly by them. To desert our men now the excitement of war has passed, would be to earn their just reproaches. Look at this appeal from all sides; ask any returned man about the work of the Salvation Army. Then help to make this campaign the success it deserves to be.

"They loved not their lives to the death"

Who provides beds and meals for soldiers close to Railway Stations?
 Who mended the soldiers' clothes over there?
 Who entertained hundreds of thousands of soldiers and sailors daily at the Huts?
 Who helped to keep the soldiers' homes here intact?

Who keeps in touch with the Homecoming soldier?
 Who provides the Emergency Homes and the Maternity Homes?
 Who has cared for thousands of war widows?
 THE SALVATION ARMY
 Shall their work stop for lack of funds?
