—The condition of Mrs. Webster, who was accidentally shot in Summerside yesterday of which particulars are given on first page, was reported as resting easily and unless some complications set in the attending physicians have some hope of her recovery.

—An unsuccessful attempt was made on Tuesday night last to break into the drug-store of A. W. P. Gourlie, Summerside. Yesterday morning, the glass in the cellar windows was found broken and the iron bars across the inside of the windows badly twisted. A similar attempt to enter the same place in the same manner was also made a couple of weeks ago but apparently without success, no traces of any entrance being found at that time.

—The disgraceful condition of the wooden platform around the railway station at Summerside was the cause of another, what became nearly being a serious accident yesterday. As a lady from Boston who is visiting her home in Summerside was walking along the platform yesterday she tripped over the end of a broken plank falling heavily to the ground. She was assisted to her feet by some passengers standing near by and taken to a doctor's office where it was found that one of her ankles had been badly wrenched as well as being badly bruised upon her arms and side. This is the second accident of this kind as a result of the wretched condition of the platform and unless it is properly repaired or what would be better a new concrete platform laid more accidents of this kind will surely happen.

PEOPLE'S THEATRE.

FINNEY'S SOUTHERN COMEDY Company will give a presentation of a genuine SOUTHERN PRIZE CAKE WALK which made such a phenomenal success at the MADISON SQUARE GARDENS, NEW YORK. The prize cake is now on exhibition in the window of Mr. Doherty, the caterer on Queen Street. There will be also two cash prizes given away to the winners of the second and third prizes. The cake walk is open to all-comers and as there are quite a number of colored citizens in Charlottetown it looks as though the competition would be very interesting, and the patrons of this theatre are promised a very interesting evening's entertainment. I., and Clara Anne Bowness, daughter of John Bowness, Montrose, P.E.I., the ceremony being performed by the Rev. J. A. Clark at the Knox Church manse. A CROP OF RAGWORT.

Sir,—The bountiful crop of ragwort which is growing and fast ripening on the railway lands in Emerald and vicinity should be looked after at once, otherwise the seeds will be blown in all directions, and farms in the vicinity ruined. What about the "Noxious Seed Act," or have the railway authorities no respect for it. It is disgraceful as all persons passing through Emerald by train or otherwise are disgusted with the sight of this crop of poisonous weeds.

AUTUMN ARRANGEMENTS AT THE EDEN MUSEE.

The summer season at the Eden Musee of New York City, has been unusually successful. As a result, the management is making an extra effort to have the autumn attractions better than ever before. The collection is now more complete than ever. The group, rulers of the World has undergone a number of important changes in the past few months, and is now complete, with King George of England, and Alphonso of Spain, the central figures. The Musee has figures of Colonel Roosevelt as soldier, huntsman and statesman. On account of the interest taken by the ex-president in the New York politics, these different figures are attracting much attention. Mayor Gaynor and his would-be assassin, receive a great deal of attention. The hundreds of other wax groups in the Musee have been brightened, and rearranged and in many instances given new costumes, so that the entire collection gives a pleasing and artistic effect. New moving pictures are secured each week and shown in series each hour. They consist of the highest grade pictures and in many instances were taken especially for the Eden Musee. Their afternoon and evening concerts have attractive programs.
