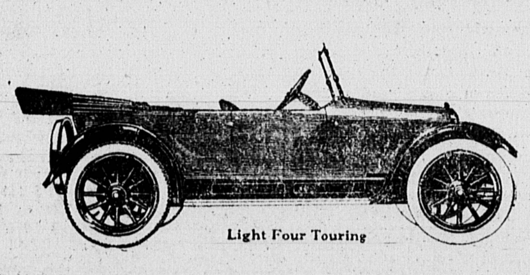
Overland



Light Four Touring

Canada's Choice

Few of the highways and byways in the Dominion are strangers to the Overland Light Four touring car.

The popular demand for this model has made it a familiar sight from Nova Scotia to British Columbia.

And its popularity is growing greater every day.

For it has the style and beauty usually found only in cars selling for a much higher figure.

Moreover, it is dependable — a real family car, one that will carry five people in comfort and safety.

The motor is powerful, quiet and of sturdy construction.

Soft cushions, long resilient cantilever rear springs and large four inch tires absorb practically all jolts and jars of the road.

Drop in and see this car. Let us show you real four cylinder performance. A demonstration will convince you as it has thousands of others.

Order now so your car will be ready when wanted

AN ISLAND PREACHER.—Rev. R L. Coffin preached with much acceptance at the Pictou County Asylum Sunday afternoon. It was a new experience for him and he was much impresed by the pathos of it. Mr. Coffin leaves this week on a visit to his family at Mount Stewart, P. E. I. says the New Glasgow News.

ISLANDER WOUNDED.—Mrs. J.R McDonald, Brookfield, has been notified that 712174 Pte. George Miller MacDonald, infantry, was officially admitted to 1 Casualty Clearing Hospital, March 21st, suffering from a compound proximal fibula. Private MacDonald enlisted in the 105th Battalion and crossed to England in July 1916. Was drafted in the first draft from that Battalion to the 13th, and crossed to France on Nov. 28th, 1916, where he was till the time of his accident. Previous to enlisting in the 105th Pte. MacDonald spent six months on garrison duty in Halifax.

ANNUAL TEA A SUCCESS.--The annual Tea and Bazaar held under the auspices of the Ladies Aid of St. James Church yesterday was another successful affair launched by the ladies. Delightful weather tempted young and old to go out to supper and the dainty viands prepared were all heartily enjoyed, the tables being exquisitely arranged with flowers etc. In the main hall the fancy work table were very largely patronized and were well supported with the choice fancy work aprons and articles of apparel. The refreshment table was a boon to housekeepers and everything offered met with quick sale.

AN ENGLISH MAIL.—A transatlantic liner arrived in St. John Monday. She had one board 168 passengers, of whom seventy-eight were returned officers and men. Her cargo consisted of 2,300 bags of mail and 1,000 tons of general merchandise. Included in the party was Lieutenant K. MacFayden, of Tignish (P. E. I.) a member of the Royal Flying Corps. Lieutenant MacFayden went overseas as a member of the 17th Battalion with the first contingent and shortly after his arrival in England he transferred to the Royal Flying Corps. He said that he was with the British forces in the east. He has been returned to Canada for duty here. Lieut. A. R. Chisholm, of Halifax was in the party, and Lieutenant C. S. Innes, of London (Ont.)

FLAT RIVER.—Rev. J. W. McKenzie will preach at Flat River next Sabbath.

FRESH TROUT, salmon, codfish, eels, good salt herring, finnan haddie, etc., Charlottetown Fish Supply Co. 4373

THE ARRANMORE.—Owing to the increased freight traffic especially in Live Lobster, the D. G. S. Aranmore, formerly on the Pictou-Charlottetown route has been placed by the Government on the Yarmouth-Boston run.

SOME CHICKENS.—On Wednesday Mr. George Mahey of Murray River, shipped forty two chickens to J. D. Jenkins of this city and received a cheque for $77.50 being an average price of $1.84 each.

Y. M. C. A.—The Charlottetown Y. M. C. A. acknowledge with thanks a cheque for $100.00 from Mr. W. S. Louson, Charlottetown, in memory of the late Mrs. Louson. Mr. Louson desired that this amount be used in connection with Boys work. This kind gift is very much appreciated by the Directors.

MILLINERY OPENING.—We will hold a millinery opening on Staurday and Monday April 6th and 8th. Splendid showing of the season's newest designs. We cordially invite all customers and friends to call and look them over and assure courteous assistance by our milliner. Estate James Kennedy, Kensington. 4370-4-5M3i.

RECEIVES APPOINTMENT.— The Rev. Wm. McLeod and Mrs. McLeod will proceed to Dundas on the 10th. Mr. McLeod will conduct service in Strathcona in evening of 12th and meet with brethren of L. O. A. in their hall night of 15th. He is invited by Halifax Presbytery to accept an appointment in Bay of Islands Nfld. a former sphere of labor in the Master's vineyard.

ORDAINED IN ENGLAND. —Lieut. G. T. Metherall of the 105th, whose home is in Alberton, has been ordained in England. The lieutenant, being a member of New Brunswick and P. E. I. Methodist conference before joining His Majesty's service, the ordination took place at Buxtonhill church. Major, the Rev. G. O. Fallis, Canadian Divisional Chaplain, conducted the service, and Rev. George Jackson delivered a striking charge.W

SOCKS RECEIVED.—Mrs. Fitzgerald, Sec. P.E.I. Sock Committee, Charlottetown, has received the following acknowledgment from France: Dear Mrs. Fitzgerald,—I have received ten parcels of socks which you so kindly sent. We have distributed these from our Forward Dugout, Y.M.C.A.'s for our men in the "Line," where they were appreciated. Again thanking you for your work and thoughtfulness. Sincerely yours, (Sgd.) Harold Cross, Captain.

CAPT. BOUDREAU.—Captain James Bourdeau, who died at St. Peter's, C. B., last week for 30 long years sailed the Hazel Dell in the carrying trade along the coast of Nova Scotia and New Brunswick. His home was in St. Peters. He was the true type of grizzled old sea captain, and was known and liked by the master of every vessel operating in these waters. His last trip was from Prince Edward Island to Sydney. His health at this time had begun to decline and leaving his ship docked he went to his home. A few days after his arrival there, he sustained injuries, by a fall, which caused his death at the age of 73 years. He is survived by his wife, and four son, says the Halifax Chronicle.

NOON MEETING. — Ensign Condie of the Salvation Army will be chairman at the men's noonday meeting today at the Y. M. C. A. This service is held for half an hour only—all men made welcome.

We can help you prepare that meal in a hurry.

The Value of Wholesome Candy

Science tells us that in sugar we have a valuable food product inasmuch as its caloric properties are needed by the blood to maintain health.

The Government has urged us to conserve sugar ,therefore, if we are to eat candy, we should select the kind that is pure and wholesome.

We sell—
Page & Shaw's
Moirs'
Neilson's
Marie Saunders',
Marie Dore

They are conducive to health. They are made sanitary, and contain only the purest ingredients.

IN MEMORIAM

JOHN T. POWERS.

John T. Powers son of Thomas and Theresa Powers, 35 Bryant St., Malden, Mass., passed away at the Malden Hospital, Wednesday, March the 27th at 3.30 in the afternoon of spinal meningitis aged 14 years. The deceased was a pupil at the Cheverus School and attended the session on Tuesday. He was taken ill during the night and was removed to the hospital Wednesday noon. The end came at 3.30, while Rev. J. W. Spencer of the Immaculate Conception Church, was attending him. The deceased was born in Prince Edward Island and is survived by his parents, one brother and six sisters. He had attended Mass every morning at the Sacred Heart Church during Lent, except the morning he took sick. (Other papers please copy.)

J. W. BOULTER OF QUIMPER, SASK. DIES OF HEAT FAILURE.

J. W. Boulter, of Quimper, died suddenly last Saturday morning at Ponteix. It appears he dropped just inside the doorway as he came from the hotel where with Mrs. Boulter they had been visiting since Xmas. Awaiting the arrival of a carload of horses purchased in North Dakota, Mr. Boulter remained in Ponteix. He was apparently in the best of health on Thursday night, but was slightly ill on Friday afternoon. On Saturday morning he went to the Livery Stable to get accomodation for his stock on arrival, and fell dead just inside of the doorway, where he was found soon afterwards.

The deceased was born at Albany P.E.I., and was 41 years of age. He came to Western Canada in 1911 and took up a homestead in the vicinity of Kindersley, Sask. In 1913 he moved to the Quimper District although still retaining the ownership of his homesetead on the North Line. He was married at Swift Current in 1913.

To mourn his loss remains his wife, a mother in P.E.I. and two sisters who reside in the States.

The funeral services were held at Aneroid on Wednesday afternoon. The sermon was delivered by Rev. Pringle at the Baptist Church, a large concourse of friends attending. The local Masonic Lodge attended in a body, Mr. Boulter being a member of the order at this place.

After the services at the Church, the sad cortege, moved to the cemetery where interment was made. The local band was in attendance.

A teaspoonful of olive water in which chamois washed will keep them sof less liable to crack.

Wet, old tea or coffee stai cold water, cover with glycer let it stand for two or three then wash in cold water and s peat if necessary.

Tarnished gold embroidery cleaned by dipping a brush in ized burnt alum, then brush embroidery thoroughly.

To whom it may concern: This is to certify that I have used MINARD'S LINIMENT myself as well as scribed it in my practice where liment was required and has failed to get the desired

C. A. KING.

Butter Prices Will Be Maintaine

THE Food Controller for Canada states: "I do not expect that the sale of oleomargarine will result in any reduction in the price of butter. The overseas demand is practically unlimited—For years after the war Europe will require all the butter which Canada can produce for export, and the prices are certain to be high."

High prices for butter make every pound of butter-fat saved a source of extra profit that is a revelation to many farmers and dairymen. The

Renfrew

MADE IN CANADA

saves you about one half-pound of valuable butter-fat, per cow, per week, over other machines, even if they are in running condition, and much more if they are not running properly. Multiply this half pound by the number of cows in your herd and then calculate what this means to you in dollars and cents per year. Will it pay you to continue losing money by using an ordinary machine? The Renfrew gets all but the last three ounces of butter-fat in a ton of milk skimmed.

Which would you rather sell at present prices?

10 Gallons of good firm butter-fat from the Renfrew which gets all but 1-10 pound in every 1,000 lbs. skimmed

or

7 Gallons butter fat from other machines which lose a whole pound in 1,000 lbs. of milk skimmed.

Besides quantity, the Renfrew gets quality. Good first-class cream means globules of fat unbroken, and better, firmer butter. This high quality of cream is secured by the exclusive curved wing centre-piece of the Renfrew, which distributes the milk to the discs in thin sheets, and prevents the slapping of milk and breaking up of the fat globules, which occurs with the ordinary straight wing machines.

Our illustrated booklet gives Government Dairy School proofs of the close skimming. Also read about the Renfrew exclusive interchangeable-capacity feature, self-oiling system and many other modern advantages. Write for booklet today.

NOTICE.—The Renfrew Separator illustrated here was formerly sold under the name "Standard," which identified it as a high efficiency cream separator. The name "Renfrew" has been used on the machine for several years for our United States and foreign trade under that name has become as popular in those markets as the name "Standard" in Canada. Now the name "Renfrew" has been adopted for Canada so as to link the name more closely with our company and so that we can sell the machine under a name throughout the world.
