(Canadian Press Despatch.) WASHINGTON, Oct. 23.—Germany probably lost one half of her total effective fleet of super-Zeppelins as the result of the raid of October 20, over England, according to official cablegrams received here. All France is exultant over what the despatches declare to be the greatest defeat administered to an air fleet since the beginning of the war. The gratification is more intense because it is known that the German gaid was an attempt to carry out a fearful threat of vengeance made four days before.

There the undersea raider will be used as a "puller" for the Liberty Loan. A large detachment of troops marched with the captured vessel, which was shipped from a British port.

SEVIGNY SEVERELY SCORES LAURIER FOR ATTITUDE

QUEBEC, Oct. 22.—In an interview Hon. Albert Sevigny, Minister of Inland Revenue, affirmed that Sir Wilfrid Laurier committed a crime in refusing to unite the two great races that live in Canada. By his attitude and that of his members, who wanted to save their skin and not their honor, the French-Canadians, who were a brave people had been made to appear a race of cowards. If Laurier had accepted union there would have been a prompt settlement of the Ontario and Manitoba difficulties. "Instead of rising to the height of the situation," said Mr. Sevigny, "Sir Wilfrid Laurier gave the weight of his prestige and his influence to the Montreal dynamiters, to the Quebec window-smashers and to the opportunists of this province."

NORWAY EXCITED OVER NAVAL LOSS

CHRISTIANIA, October 23.—The papers here are filled with the terrible details of the destruction of the large convoy of vessels near the Marstein Lighthouse on Wednesday morning, in which two German cruisers attacked and sunk fourteen British ships, including two British convoying destroyers with a loss of 250 persons, including two women.

FUGITIVES FROM ENEMY CAMPS

WINSTERSWYK, NETHERLANDS, Oct. 21.—The record in escapes from war captivity would seem to be held by a Russian prisoner of war who has crossed the frontier near Winsterswyk. This was his twelfth attempt at escape. Three times he fled in the direction of Luxemburg, twice he made for Switzerland, on several occasions he took the road to Poland and again to Denmark, but in every case without success. This was the first time he had tried his luck in the direction of the Netherlands frontier, and after being two months and twenty days on the road, success crowned his perseverance.

NO ABANDONMENT OF CONSCRIPTION

First Draft Will Positively Be Called Out On December 10.

(Canadian Press Despatch.) OTTAWA, Oct. 23.—It is positively stated in official circles that there is no foundation for stories to the effect that the government will abandon conscription because of the large number of applications made for exemption. The Military Service Board is proceeding with its work with the full expectation of carrying out its plan to have the first drafts called out for service on December 10. Exemption Boards will have a big task to deal with all the applications for exemption.

NIPISSING LIBERALS CLING TO LAURIER

(Canadian Press Despatch.) NORTH BAY, ONT., Oct. 23.—At a meeting of Liberals, representing all parts of the district of Nipissing, held here yesterday, a resolution of confidence in Sir Wilfrid Laurier and his policy, was passed. WITHDREW IN FAVOR OF NEW MINISTER

MONTREAL, Oct. 22.—C. H. Cahau, K.C., Conservative candidate for Parliament in the district of St. Lawrence-St. George this city, at a meeting in the Monument National tonight announced that he would withdraw from the field in favor of Hon. C. C. Ballantyne, the Minister of Marine and Fisheries in the Union Government at Ottawa. Mr. Cahau had spent considerable money in advertising himself as a "win-the-war" candidate, and his announcement caused a good deal of surprise. He paid a tribute to the personal qualities of the new minister. He said friends pointed out to him that it had been the custom that there should be an English Protestant Minister in the Dominion Cabinet from the Province of Quebec; that in the St. Lawrence-St. George division there were more English speaking people than in any other division in the province, and that it was desirable that the new minister should represent this seat. Rather than cause feelings of a racial and religious character, he felt he should withdraw, Mr. Cahau said, as his principle in life had always been to strive for conciliation, peace and harmony in Canada.

RETAILERS DENY HOOVER CHARGE

(Canadian Press Despatch.) BOSTON, Oct. 22.—Food Dictator Hoover's statement that the prices of potatoes and beans are unwarrantedly high received commendation from most Boston grocers yesterday, but in the same breath the grocers denounced him for saying that the retailers are gouging the public. Less optimism was shown over the prospect of cheaper meat, flour and sugar. Meat will not be cheaper until the supply comes up to demand, according to representatives of the big packing houses. Flour men pointed out that flour can't go below \$12 a barrel, because the minimum for wheat is \$2 a bushel. Sugar may be lower after the new crops are harvested and refined, according to sugar men.

ANARCHY GROWS IN RUSSIA

LONDON, Oct. 22.—The Daily Mail's correspondent at Petrograd wiring on Saturday, received on Wednesday, records of the steady growth of anarchy. He says that news from the provinces is worse daily. The newspapers are printing short telegrams of events in the country under the headline "Anarchy." Rioting is reported at Karkof spirit refinery where fifty ringleaders were arrested. At Astrakan and other places similar stores were sacked and fired. In the districts of Mchiloff and Samatoff peasants are seizing land and Manor houses. These the correspondent mentions as samples of one morning's telegrams. He says that things are little better in Petrograd. The Militia are seeking 18,000 criminals known to be loose in Petrograd. Evil resorts, night clubs, and gambling are enormously increasing the scandals and often shootings. The daily list of robberies on the street is growing. The correspondent concludes: "The elections for the Moscow regional Duma, on the whole, show large extremist gains, but only 30 per cent. of the electors went to the polls. By abstaining from voting a majority of the population demonstrates its disgust and despair with the present state of things. The situation will improve only when the vast, present passive masses are driven to assert themselves. The Petrograd food position is slightly improved."

HERO OF VIMY IS HOME AGAIN

Corporal Brenton Horne, 85th Battalion, Arrived Home on the Aranmore Yesterday.

Corporal Brenton Horne, City, a veteran of the fighting at Vimy Ridge arrived in the City yesterday on the S. S. Aranmore. He enlisted in the 85th Battalion at Westville, N. S. where he was engaged in the mining industry. He fought for six months in France, until at six o'clock on the evening of April 11th, 1916, he received the wound which put him out of commission. With other boys of the 85th he had stormed the German trenches and captured their third line. While in the German trench, a shrapnel bullet, several times the size of an ordinary marble, struck him in the neck going clean through and shattering a bone. He was knocked unconscious, completely paralyzed. He lay there from Tuesday until the following Thursday when he was removed to the rear and his wounds attended to. He spent about six months in the hospitals and underwent an operation, portions of the fractured bone being removed. He arrived in Halifax the first of October and will report again to the Medical Board for further treatment at the Pine Hill Hospital. Corporal Horne while in Charlottetown is the guest of Mr. Stephen Moore, Richmond Street. The Corporal's sister is married to Mr. Moore's son Allan the family being in Dorchester, Mass. As a result of the wound Brenton's right arm is still paralyzed but the doctors say that after a course of treatment, he may get the use of it. There were several other Islanders in the 85th Battalion, including Louis Lowther.

A NOTED PAINTER NOW INTERNED

(Canadian Press Despatch.) LONDON, Oct. 22.—The internment of Philip Laszalo, the noted painter, is causing a stir in the art and society circles. Without announcing the reason, the Home Secretary ordered Laszalo imprisoned for the "duration of the war." Laszalo is a Hungarian and a naturalized British citizen. He has probably painted more crowned heads than any living artist. He moved in the highest London society and holds honorary orders in a dozen nations. One of his sitters was Theodore Roosevelt. One story is that Laszalo wrote "an indiscreet letter" and tried to send it through the diplomatic pouch of a neutral nation.

WILL ABANDON PETROGRAD AS SEAT OF GOVERNMENT

PETROGRAD, Oct. 21.—The Government has definitely determined to move to Moscow in the very near future. The announcement was made by M. Kishkin, Minister of Public Welfare. "Though a definite date has not been set it will be in the very near future," said M. Kishkin, in announcing the Government's intention to move in an interview in the Bourse Gazette. "No one is now permitted to go to Moscow except on Government business," he continued. "The proposed evacuation has been under way by the Government departments for a long time." The Government is to occupy one of the buildings in the Kremlin, the ancient capital. The preliminary Parliament will convene in Petrograd on Saturday and move to Moscow later. The determination to move the Government is said to be in keeping with the belief of the chief of staff that Petrograd is now in the direct war zone. The Government takes the position that it is merely following the precedent set by the French Government when it moved to Bordeaux in the first year of the war. The announcement of the decision is to be made to the preliminary Parliament at its first meeting. Quarters are to be found in Moscow for the Parliament and also for the diplomatic corps.

ST. JOHN, N. B., Oct. 22.—Enquiry at St. Stephen last evening elicited the information that the condition of Lieutenant-Governor Gilbert W. Ganong has not improved during the past few days and that at the present time he is critically ill from a complication of internal troubles, a condition that is causing much anxiety among his neighbors, business associates and friends. The Lieutenant-Governor is at his home in St. Stephen, where he has been for a week or more. He addressed the Salvation Army mass meeting here on the afternoon of Sunday, October 8, but since that time several public engagements have been cancelled. Lieutenant-Governor Ganong was appointed to his present position in succession to Hon. Jacob Wood on July 4 of the present year. He was born at Springfield, King's county, in 1851.
