In Memoriam

SAMUEL ALBERT NELSON

In the death of Mr. Samuel Albert Nelson at his residence, 138 King St., on June 12th, Charlottetown has lost one of its oldest and most respected citizens.

He was the last surviving member of one of the oldest families here, his grandfather, Samuel Nelson, having been one of the city's founders.

He was the last surviving member of the late Mr. Nelson was born April 29th, 1856, and was a life-long resident of this city.

His only brother, Robert, predeceased him some twenty years ago, in conjunction with his brother the late Mr. Nelson carried on an extensive grocery and drygoods business on Richmond Street for a number of years under the firm name of Nelson Bros. Later Mr. Nelson took a position with the C.N.R. here in the stores department and retired at the end of twenty years of faithful service.

Mr. Nelson was possessed of a kindly and generous disposition and endeared himself to all by his many acts of generosity and friendliness. He had read extensively and was a gifted conversationalist.

The funeral service, held at St. Paul's Anglican Church, was conducted by the Rev. Ledrew Gardner, assisted by the Rev. Canon Milne. Interment was in Christ Church cemetery, Cherry Valley, the service at the grave being conducted by the Rev. Ledrew Gardner.

The floral tributes were many and varied, giving quite testimony to the popularity of the deceased.

The late Mr. Nelson is survived by a sorrowing widow, to whom the Guardian extends sincerest sympathy.

The pall bearers were: Albert Morrison, Major T. E. MacNutt, Victor Purdy, J. M. Rood, Robert Tomlins and Marcus McQuarrie.

be faced during the year, due to war conditions, said Mrs. Wickson, in her confidential address. Two results are a lack of food, and increased temptation to use alcoholic beverages, she said, quoting an extract in the "Evening Digest" to the effect that "one of the finest things that could have happened to the brewing industry was the basic case of distilling army officers to make beer available at army camps."

Governments have been appealed to to lessen the production of liquor in order to save grain and fruits; to restrict the hours of sale; and the transportation of liquors in order to save shipping space for food and war necessities; to provide dry canteens and healthful recreation for leisure hours, she said.

"Our appeals are right," she declared. "Appeals cry a sane sentiment and show the dangers from the drink habit and from drink traffic. So far our appeals have met with little or no success, but we are convinced a sane act must be taken in the near future."

Abstinence saves money, promotes efficiency, helps war equipment, promotes discipline; it is essential in fire-fighting and piloting; is an aid to public health. We must reject education in order to prevent the use of alcohol for these effects are not changed in war times. "Let us make more of our churches, prayer, in enquiring this evil. Whether we eat or drink, or whatever we do, do all to the glory of God. It is time for the church to arraign and attack the liquor traffic, not as a mere dispenser of poison, but as a century-long system of exploitation of the weak under cover of which every other species of organized graft, just and unjust, seeks to enlarge its field of hapless victims."

Through all the long dark night of years,
 The people's cry ascends;
 The earth is wet with blood and tears,
 But their meek sufferer endeth.

This wrong shall not forever sway
 Though in my heart it grows;
 The bars of hell are strong today,
 But Christ shall rise tomorrow.

W. C. T. U. NOTES

NOT THE OLD PEACE

Not the old Peace, but something better.
 A respite brief was the Peace of old
 To gather the fragments and mend
 the plunger,
 Knowing well that it would not hold.

Merely a jill just the wind's soft
 slaking;
 The world grown tired with aching
 breast,
 It fooled itself into wishful thinking,
 and closed its ears to the wide unrest.

We fight for Peace not a change
 of season,
 Or passing phase of a shifting
 moon,
 The tired hand must not sway the
 reason—
 Our fetters laid down the sword
 too soon.

The tyrant foe was a tyrant ever,
 With dreams of grandeur and
 hymns of hate;
 We slept while his minions slumbered
 never,
 We wakened slowly but not too
 late.

Dutifully? Has man ever,
 Seen a day that was free from war?
 The sceptics and cynics argue
 "never."
 But we know what we are fighting
 for—
 Not the old Peace,
 Alexandria, Ont.

MRS. WICKSON'S ADDRESS
 Many new problems have had to

ON THE WESTERN FRONT

RIISING TEMPERANCE SENTIMENT—Temperance rallies have been organized by the A.C.S. (Men's Clubs) of the Churches to discuss the liquor situation in this province, and are also expected from the use of liquor and its relation to properly deal with a debasing traffic.

FOUR REGIONAL MEETINGS were held on Jan. 29th, in different sections of Vancouver.

FOUR PROMINENT MINISTERS SPOKE—E. F. Church, Dr. D. Teller, Dr. E. D. Briden, and Dr. E. Paul. Four women from the W.C.T.U. gave very brief messages, Mrs. R. C. Weldon, Mrs. D. A. Fowle, Mrs. J. A. Lade and Mrs. R. H. Boyer.

Mrs. L. E. Johnson, the educational chairman of the district, O.T.S., Mr. Rines, the District President, and Rev. R. J. McIntyre visited briefly the four meetings.

It has been decided to hold four such meetings in the months of February, March and April.

Dr. E. F. Church, that Moderation and Government Control had proved ineffective, the only real solution is total prohibition of the sale and distribution of liquor as the enemy of manpower and production in time of war. It is unwarranted that British Columbia should spend \$22,000,000 for liquor at such a time as this.

Rev. E. F. Church urged that all advertising of liquor be cut out, and that liquor be sold in reduced quantities and during restricted hours.

Dr. E. Paul said figures disclose the traffic in liquor increasing. It is impossible to have an all-out war effort, so long as liquor is allowed free rein in the life of the country. A Government dependent on liquor is blind to the real nature of the problem.

The women speakers stressed the effects of liquor legislation as it affected economies, drunk near-fall population, asylums, accidents, etc. For example in 1916 the revenue of the license system the liquor bill was approximately \$12,000,000.

In 1920 the last year of prohibition in Dispensary, \$900,000.

In 1941 the last year of Government Control, \$22,538,000.

R. J. McIntyre.

WHEN THEY STEP at CHARLOTTETOWN

Old Home Week and Provincial Live Stock Show Race Program
CLASSES and EVENTS FOR AFTERNOONS OF AUGUST 11th to 14th.

Below will be found the program of racing to be held in connection with OLD HOME WEEK AND PROVINCIAL LIVE STOCK EXHIBITION. It will be noted that the classes will give every type of trotter and pacer a chance to compete from the Two-Year-Olds to the Free-for-Allers. The Exhibition race track will be put in the finest possible condition and it is confidently expected that one at least, of the track records will be broken.

Every effort will be made to have a vaudeville program in keeping with the excellent race program, and tentative arrangements have been made with George A. Hamid, New York, for an outstanding vaudeville contract which will include the world's greatest roller skating act—Helen Reynolds Roller Skating Troupe. Another act that has been creating a tremendous sensation in some of the largest cities is The Great Fussner. The Sensational Waldos is a Ringling Bros. act that is one of the best. There will be a magnificent Revue known as the American Swing Follies of 1942, with beautiful dancing girls, good singers and other specialties. A number of other acts have been contracted for and the whole program will be such as will please our spectators.

The harness racing program is expected to bring together over 100 of the best race horses in the Maritimes. All the owners like to come to Charlottetown. Prince Edward Island people are always friendly to the horsemen and give them a great reception and applaud a good race.

The vaudeville acts will be interspersed between the heats of the harness horse racing in the afternoons and there will not be a dull moment from start to finish.

In the evening there will be a horse Show and other riding events in the brilliantly lighted arena. The vaudeville acts will show up in splendid relief lighted as they will be with colored lights and beautiful background. A Master of Ceremonies will keep the show moving right along and singers of excellent reputation will also fill in between acts. The evening shows will be spectacles of more than ordinary interest and will indeed attract tremendous audiences. From all parts of the Maritimes parties are planning to come to Charlottetown, so those catering to guests can be assured that Old Home Week and Provincial Exhibition should bring them as good patronage as last year.

In these times of anxiety and strain when one is liable to concentrate overmuch on news of war events, it is well to take some relaxation. In Margaret Currie's column of the Montreal Daily Star this occurs—"Believe it or not, but a prominent Montreal Doctor told me the other day that he and his colleagues were seriously disturbed at the increase in 'nerves' among their patients. There were many people on whom the war had a profound emotional effect... one psychiatrist suggested that when you begin to feel jittery you should get outdoors, engage in some sort of active exercise, seek out your friends, read something light, go to an amusing picture or just—go fishing. In short, try and divert yourself in some way."

Old Home Week and Provincial Livestock Show will furnish you with an opportunity to chase away your troubles and worries, give healthy relaxation, "so pack up your troubles in your old kit bag" and take in one or more afternoons and evenings of Old Home Week, August 11th to 14th.

SPECIAL PRIZES FOR DRIVERS AND OWNERS

A special ribbon will be given to the owner of the winning horse in each race. THE MACDONALD TOBACCO COMPANY OF MONTREAL has donated a beautiful Trophy, known as the British Consols Trophy, which will be awarded to the Driver scoring the most points during the meeting. This Association will also give \$20 to the driver scoring the most points during the meeting \$10 to the driver scoring the second most points during the meet. First place counts five points, second place three points, third place two points and fourth place one point.

\$10 will be given the driver driving the fastest heat trotted during the meet and \$10 to the driver driving the fastest heat paced during the meet.

\$10 will be given the caretaker of the horse trotting the fastest heat and \$10 to the caretaker of the horse pacing the fastest heat.

\$10 will be given to winning drivers of each race.

\$5 will be given to the caretaker of each horse winning a race in the trotting and pacing classes during the meet.

\$50 will be given to the owner of the horse that beats track pacing record of 2:05 1/4 except as provided for below. In case two horses beat the above records then the awards go to the fastest horse. If two horses tie for the awards the money will be divided equally.

Entries close July 25th with J. W. Boulter, Secretary Charlottetown, P. E. I.

GENERAL CONDITIONS

(ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen (providing they are racing exclusively at our meeting) by writing at our expense notifying us of their arrival will be met at the train and their baggage transferred to the grounds without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10 per cent of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winners. Any horse winning the first two heats in any race shall relinquish pole position and assume last scoring position.

All purses divided 40, 30, 15 and 15 per cent. Entry fee 5 per cent. Five per cent of the money raced for each heat will be deducted from the first and second horses; 3 per cent from the third horse and 2 per cent from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Rights reserved to change program, reject any entry, or if entry appears to lay over the field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, bar any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to transfer horses to another class to which they are eligible, re-open or substitute another without advertising, or alter or extend racing dates.

THE OFFICIALS

The officials will be selected for their experience and reliability and will be instructed to carry out the rules firmly and fairly. All purse money will be paid immediately after the race and horsemen are asked to get same from Secretary before leaving.

PRESENTATION OF PRIZE MONEY

Friday evening on or about 8:30 o'clock the President will award special ribbons, prizes to the winning owners, drivers and caretakers, at the Judges stand and those winning awards will please be on hand to receive them.
